**JIM JUSTICE**  
**GOVERNOR**

*Jim Justice*  
*Governor of West Virginia*

January 8, 2020

To the Members of the 84th Legislature of the State of West Virginia:

In accordance with the Constitution of the State of West Virginia, presented herewith is the Executive Budget document for the fiscal year ending June 30, 2021. It details a complete plan for proposed expenditures and estimated revenues for the fiscal year. The document includes statements of the following:

- 1) Bonded Indebtedness of the State of West Virginia;
- 2) Cash and investment balances of all funds of the State of West Virginia;
- 3) Revenues for all funds of the State of West Virginia; and
- 4) Revenues, expenditures, and changes in fund balances for Fiscal Year 2021.

The budget presented is a balanced budget with a maximum spending level for the General Revenue Fund of \$4,585,000,000; for the Lottery Fund of \$127,808,000; for the State Excess Lottery Revenue Fund of \$340,257,000; for the State Road Fund of \$1,357,926,103; for Appropriated Special Revenue funds of \$1,508,712,095; for Appropriated Federal funds of \$5,780,834,841; for Nonappropriated Federal funds of \$219,295,157; and for Nonappropriated Special Revenue funds of \$14,596,626,914, for a grand total of \$28,516,460,110.

I look forward to working with the 84th Legislature of the State of West Virginia to meet the continuing challenges and opportunities so together we can move West Virginia forward in a rapidly changing international economy.

Yours in service,

A handwritten signature in blue ink, reading "Jim Justice".

GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished  
Budget Presentation  
Award*

PRESENTED TO

**State of West Virginia**

For the Fiscal Year Beginning

**July 1, 2019**

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the State of West Virginia for its annual budget for the fiscal year beginning July 1, 2019.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

# Reader's Guide to the Executive Budget

## Volume II Operating Detail

### **Organization of the State Government**

The state government's organizational structure as set forth in the West Virginia Constitution consists of three main branches: executive, legislative, and judicial. The executive branch contains the following constitutional offices: Governor's Office, Auditor's Office, Treasurer's Office, Department of Agriculture, Attorney General, and Secretary of State's Office. The legislative branch is made up of the Senate and the House of Delegates. The judicial branch consists of the Supreme Court of Appeals. (See the graphic at the end of this section.)

The West Virginia Code has further organized the executive branch into 10 departments (Administration, Commerce, Public Education, Arts, Culture and History, Environmental Protection, Health and Human Resources, Military Affairs and Public Safety, Revenue, Transportation, and Veterans Assistance) and one bureau (Senior Services). The remaining units are organized into either Higher Education or Miscellaneous Boards and Commissions.

### ***The Executive Budget***

The Governor is mandated by the West Virginia Constitution to submit a budget for the upcoming fiscal year to the Legislature and to the citizens of the state. The Executive Budget presents a complete plan of estimated revenues and proposed expenditures for the upcoming fiscal year, any recommendations the Governor may desire to make as to the important features of the budget, and any suggestions as to methods for reduction or increase of the state's revenues.

In essence, the budget is the means by which the Governor presents a continuous and timely flow of accurate information relative to the financial condition of the state, as well as relevant information concerning the needs and operations of the various state agencies and departments.

The budget is presented in four separate documents. The ***Budget Bill*** includes the language required to legally enact the budget or appropriations bill. Upon passage by the Legislature, the Budget Bill becomes the Budget Act and appropriates by spending unit the expenditures necessary for the economical and efficient discharge of the duties and responsibilities of the state and its agencies during the upcoming fiscal year.

***Volume I Budget Report*** contains:

"Financial Statements"—Provides information on estimated receipts and disbursements and fund balances such as:

- \* A combined statement of revenues, expenditures, and changes in fund balances for all funds
- \* The recommended appropriations from the General, Federal, Special, Lottery, and State Road funds, including any recommended supplemental or surplus appropriations
- \* Cash and investment balances of all funds
- \* Summary of primary government long-term debt outstanding
- \* Major Reserve/Stabilization Accounts

"Budget Planning"—items such as:

- \* "Long-Range Issues"—an overview of how the state is addressing major long-range issues and concerns
- \* "Budget Overview" that includes the budget process, including the budget calendar and financial policies
- \* Schedules of budgeted, full-time equivalent permanent positions

"Revenue Sources"—A detailed explanation of major revenue sources and the distribution of funds

"Debt Summary"—information relating to the general, special, and moral obligations of the state, including summary of general long-term debt and debt service requirements

“Appendices”—a glossary of budgetary terms and a list of the commonly used acronyms

### **Volume II Operating Detail**

“Agency Narratives”—see the section below titled Narrative Information

“Capital Projects”—projects/programs currently budgeted in FY 2020, recommended for FY 2021, and projected for FY 2022 through FY 2025

“State Profile”—relevant historical, statistical, geographical, demographical, and interesting information about West Virginia

“Appendices”—a glossary of commonly used budgetary terms and a glossary of acronyms

### **Narrative Information**

The major portion of the *Operating Detail* consists of narrative information about the departments, bureaus, commissions, divisions, and programs of state government.

The activities and responsibilities of each section—department, bureau, commission, division, and program—are explained through narrative descriptions which give missions, operations, goals/objectives/performance measures, and programs (if applicable). The divisions and programs are alphabetized, although they may be preceded by an administrative/executive section. The programs are determined by the department/bureau/commission/division. Each program contains a brief description of the program, the estimated FTE positions associated with the program, and the estimated program cost at current level request (does not include requested improvements above the current level.) Also presented are the revenue sources of the program using the following legend: General Revenue (G); Federal Revenue (F); Special (S); State Road (R); Appropriated Lottery (L); Other (O).

At the beginning of the narrative section for each department, bureau, constitutional office, Legislative/Judicial, the Higher Education Policy Commission, West Virginia Council for Community and Technical College Education, and the Public Service Commission is an organizational chart that graphically details how each is internally structured.

Pie charts for those agencies have been provided to show the “Total Available Funds” by revenue source and the “Recommended Expenditures” by agency. The sources of revenue are General Revenue Funds, State Road Funds, Federal Funds, Lottery Funds, Special Revenue Funds, and Other (including nonappropriated Special Revenue funds) and include both estimated beginning balances and estimated revenues for FY 2021. For a more detailed explanation of these revenue sources, see the information provided in the “Revenue Sources” section of Volume I, Budget Report. Although recommended expenditures are generally provided at the agency level, pie charts have been provided that may furnish the reader more detailed information for certain major expenditure categories.

### **Financial Information**

The financial spreadsheets contained within cabinet narratives are titled “Expenditures” which detail the Governor’s recommended spending plan for FY 2021. The information is divided into two sections: “Expenditure by Agency or Division” and “Expenditure by Fund.”

Both sections contain information for FY 2019 through FY 2021.

- \* “Actuals FY 2019” reflect expenditures that occurred in the preceding fiscal year.
- \* “Budgeted FY 2020” shows planned expenditures for the current fiscal year as reflected on the agencies approved expenditure schedules.
- \* “Requested FY 2021” shows the agency’s requested expenditures for the next fiscal year at the current-level (does not include requested improvements).
- \* “Governor’s Recommendations” reflect the Governor’s proposed budget for FY 2021.

## *Reader's Guide to the Executive Budget/Volume II Operating Detail*

The first section, “Expenditure by Agency or Division,” details expenditures of that agency to operate and fulfill its mission. The information also reflects total budgeted, full-time equivalent (FTE) positions as of November 30, 2019.

The second section, “Expenditure by Fund,” outlines major items of expenditure by source of revenue (i.e., General Fund, Federal Fund, Lottery [includes Appropriated Lottery and Excess Lottery], Appropriated Special Revenue Fund [includes State Road Fund], and Nonappropriated Special Revenue Fund). Each revenue source reflects expenditures for FY 2019 through FY 2021. For most agencies, the items of expenditure are as follows: “Total Personal Services,” “Employee Benefits,” and “Other Expenses.” If applicable, the information includes expenditures that are funded from reappropriated dollars. This section also reflects FTE positions. Generally, the Governor’s recommended FTE positions for FY 2021 are the number of budgeted FTE positions as of November 30, 2019, plus any recommended additional positions related to improvements or other adjustments.

For a more detailed listing of an agency’s expenditures, refer to *Volume III – Account Detail*. The *Account Detail* provides the detailed budgetary information for FY 2019 Actual expenditures, FY 2020 Budgeted expenditures, FY 2021 Current-Level Request, and the Governor’s FY 2021 Recommendation.

### **Performance Measures**

State agencies must submit division-level performance measures as part of the appropriation request process. Performance measures are a tool used by all levels of management, as well as the public, to determine whether a program is accomplishing its mission efficiently and effectively. Although every effort is made to provide services at the lowest possible unit, it is most important to ensure that an agency provides a measurable benefit to the citizens it is designed to serve.

The focus for the current performance measures is to show the trend of the agency’s performance for the three most current fiscal years (FY 2017 to FY 2019) and the performance-level objectives the program is trying to achieve in FY 2020 and FY 2021 based on current level funding. For the most recently completed year, both projected and actual performances data is shown to provide information on the success of the agency in meeting its goals.

The performance measures data is generally expressed in terms of the state fiscal year (July 1 through June 30). Occasionally, the data is in either calendar year (January 1 through December 31), federal fiscal year (October 1 through September 30), or federal program year (depending upon the established guidelines for the program). If the performance measure data is not in the state fiscal year, then only two years of the most recent data is shown rather than three years.

West Virginia does not currently utilize a performance-based module upon which to base recommended appropriations, and the appropriations/recommendations are not based on the performance measures reported by the agencies. However, this process encourages managers to learn and become more accustomed to measuring their agencies and helps them to make more informed decisions on where to allocate funds to best serve their clients.

A true performance-driven system would link budget requests to agency goals, performance measures, and targets in order to show why specific spending requests are being made. Additional steps in the performance process could include:

- The establishment of a performance auditing system to hold agencies accountable for progress towards goals and to review strategies.
- The signing of performance agreements between the Governor and agency heads.
- The provision of incentives and rewards for agencies that lower costs and improve performance.

## Branches of Government

The West Virginia Constitution sets forth an organization consisting of three branches of government having separate but equal powers. The legislative branch makes the law, the executive branch enforces the law, and the judicial branch interprets the law.

## Legislature

West Virginia is represented by a citizen legislature. While lawmakers are elected by the people to serve as their representative voice in government, they are also professionals in other occupations. This is known as a part-time legislature. The bicameral legislature consists of 34 senators and 100 delegates who represent the 17 senatorial districts and 67 delegate districts of West Virginia.

## Legislative Sessions

The 84th Legislature consists of the 2019 and 2020 sessions. The regular session begins on the second Wednesday in January of each year and lasts for 60 consecutive days. In the year a Governor is inaugurated, a recess is taken after the first day of the session to allow the Governor time to prepare a legislative agenda, including a proposed state budget for the coming year. After the recess, the legislators return on the second Wednesday in February to meet for 60 consecutive days.

On the first day of the 60-day session, members of both the Senate and the House hold a joint session in the House Chamber at which time the Governor presents their legislative agenda along with the Governor’s proposed budget. Speaking before the full body, the Governor gives the State of the State Address, proposing suggestions as to what key issues the Governor believes the legislators should act on.

Any regular session may be extended by concurrent resolution adopted by a two-thirds vote of members elected to each house. If the session is extended, legislators cannot act on any measures except business stated in the concurrent resolution or items proclaimed by the Governor. There are instances when it becomes necessary for the Legislature to meet between sessions. These are termed “extraordinary” or “special” sessions and are convened at the discretion of the Governor or when the Governor receives a written request from three-fifths of the members of each house.

# West Virginia Crime Victims Compensation Fund

## Mission

The mission of the Crime Victims Compensation Fund is to fulfill the moral obligation of the state to provide partial compensation to victims of crime and their families for injury or death caused by criminal conduct.

## Operations

The fund reimburses crime victims for economic losses within certain statutory limits. The West Virginia Crime Victims Compensation Fund has provided financial support to victims of crime in West Virginia since January 1, 1982.

- \* A person qualifies as a victim if he or she suffers a personal injury resulting from a crime that is punishable by a fine or imprisonment.
- \* There is no minimum award amount; however, the maximum in an injury claim is \$35,000, and in death claims the maximum is \$50,000. Funeral/burial expenses are limited to \$10,000.
- \* Property that is lost, stolen, or damaged is not reimbursable. An exception would be an item that is medically necessary, such as eyeglasses.
- \* An attorney is not necessary for filing a claim for compensation. However, if an attorney is engaged, the fund pays the attorney fees separate from any award the victim may receive.

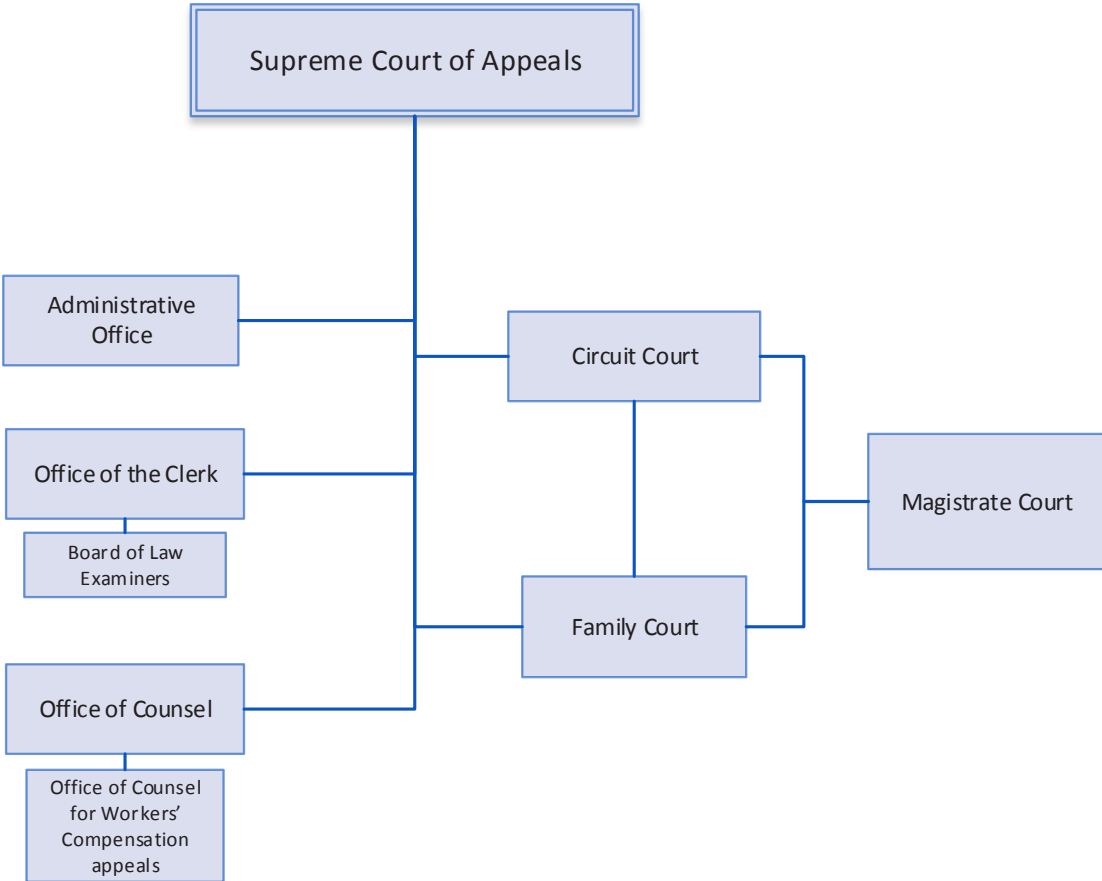

Each claim is reviewed by a claim investigator who makes a recommendation to the commission (one of three Legislative Claims Commissioners.) The assigned commissioner reviews the file and renders a decision either awarding or denying the claim. The claimant may appeal the decision and have a hearing in front of one of the remaining commissioners.

## Goals/Objectives

- Increase public awareness of the victim compensation program.
- Continue to process claims in a timely manner.

# West Virginia Judicial System

## Administration of the Courts

# West Virginia Judicial System

## Mission

The West Virginia Judicial System serves the public, protects rights, interprets and upholds the law, and provides fair, accessible, effective, and responsive forums for the resolution of civil and criminal matters.

## Operations

The judiciary is one of three coequal branches of state government, each with separate powers. The judiciary is organized into levels: Supreme Court of Appeals, circuit courts, family courts, and magistrate courts.

### Supreme Court of Appeals

The Supreme Court of Appeals is West Virginia's highest court and the court of last resort. The five Supreme Court justices review appeals of decisions over all matters decided in the circuit courts, including criminal convictions affirmed on appeal from magistrate court and appeals from administrative agencies. Workers' compensation appeals are unique and are appealed directly to the Supreme Court from the administrative agency. The Supreme Court justices also review appeals of decisions directly from family court if both parties agree that they will not appeal to the circuit court.

The justices also have extraordinary writ powers and original jurisdiction in proceedings of habeas corpus, mandamus, prohibition, and certiorari. They also interpret the laws and constitutions of West Virginia and the United States. On December 1, 2010, the Supreme Court issued revised rules that eliminated the former system of appeals by permission and replaced it with a system of appeals by right. Under this system, every properly prepared petition for appeal is thoroughly reviewed and results in a written decision on the merits.

Arguments are presented before the Supreme Court of Appeals. Unlike trials in lower courts, there are no witnesses, juries, or testimonies. After justices have heard oral arguments and reviewed written materials, known as briefs, they issue written memorandum decisions, or opinions. Decisions of the West Virginia Supreme Court of Appeals can be appealed only to the Supreme Court of the United States which may or may not agree to consider an appeal.

## *West Virginia Judicial System*

### **Circuit Courts**

The circuit courts are West Virginia's only general jurisdiction trial courts of record. Circuit courts have jurisdiction over all civil cases at law more than \$7,500; all civil cases in equity; proceedings in habeas corpus, mandamus, quo warranto, prohibition, and certiorari; and all felonies and misdemeanors. The circuit courts receive appeals from magistrate court, municipal court, and administrative agencies, excluding workers' compensation appeals. They also hear appeals of family court decisions, unless both parties agree to appeal directly to the Supreme Court of Appeals. The circuit courts receive recommended orders from judicial officers who hear mental hygiene and juvenile matters. The Supreme Court of Appeals receives appeals of circuit court decisions.

### **Family Courts**

Family court judges hear cases involving divorce, annulment, separate maintenance, paternity, grandparent visitation, and issues involving allocation of parental responsibility and family support proceedings, except those incidental to child abuse and neglect proceedings. Family court judges also hold final hearings in domestic violence civil proceedings. Circuit courts receive appeals from family courts unless both parties agree to appeal directly to the Supreme Court.

### **Magistrate Courts**

Magistrates issue arrest and search warrants, hear misdemeanor cases, conduct preliminary examinations in felony cases, and hear civil cases with \$10,000 or less in dispute. Magistrates also issue emergency protective orders in cases involving domestic violence. The circuit courts hear appeals of magistrate court cases.

The following divisions provide support to the Supreme Court of Appeals and the West Virginia Judicial System.

### ***Administrative Office***

Maintains an organizational structure to promote accountability and provide a common management system to ensure the delivery of services is administered uniformly throughout the state.

### ***Clerk of Court***

Accepts filings, maintains docket and records, and provides information to the public regarding decisions.

### ***Board of Law Examiners***

Examines all applicants for admission to practice law and verifies that all applicants are of good moral character and meet the other requirements set forth in the Supreme Court rules.

### ***Office of Chief Counsel***

Assists the Supreme Court in initial consideration of petitions for appeal, petitions for extraordinary relief, motions to the court, and various administrative duties.

### ***Judicial Investigation Commission and Judicial Hearing Board***

Enforces standards for ethical conduct of all judicial officers.

### ***Law Libraries***

Provides access to legal information to employees and members of the judiciary and the public.  
Increases and improves the use of electronic legal research by employees of the judiciary.  
Continues to improve response time to requests for legal citation copies by law library staff.  
Continues staff development to improve maintenance and accessibility of the West Virginia State Law Library's collection.

# Information Technology

## Department of Agriculture

### Mission

The mission for the Information Technology Division is to provide reliable, secure, and cost-effective planning and administration of all technologies used in the operations of the WVDA in its efforts to protect the health of the public, animals, plants, and the food supply.

### Operations

- Provides technology resources to support department activities.
- Configures, implements, and maintains the computer data network providing employee access to in-house and external data systems including Laboratory Information Management System (LIMS), USAHerds, WVPlants, WVMEALS, WVFoodSafety, and WaterLIMS, as well as email, file, print, and web services.
- Operates and maintains the Voice over Internet Protocol (VoIP) telephone system for multiple department locations.
- Provides disaster recovery services to all WVDA data systems.

### Goals/Objectives/Performance Measures

Organize the division and its equipment in a manner that more effectively and efficiently serve the information and technology needs of the department.

- Replace and install new network infrastructure (Fiber, switches, and routers) at Cedar Lakes Conference Center and migrate into West Virginia Agriculture domain by the end of FY 2020.
- Redesign and deploy WVDA website to accommodate a more consumer-centric design by the end of FY 2020.
- ✓ Replaced End Point routers and switch stacks at Moorfield and Donated Foods locations in FY 2019.

Department of Agriculture

**Mission**

The mission of the Plant Industries Division is to protect West Virginia’s farms and forests, fulfill the provisions of specific agricultural laws and to enforce the rules, regulations, quarantines, and orders that have resulted from these statutes.

**Operations**

- Enforces the provisions of the West Virginia Plant Pest Act and plant pest quarantines (West Virginia Black Stem Rust, White Pine Blister Rust, Gypsy Moth, Non-Native Plant-Feeding Snail, and Thousand Cankers Disease).
- Conducts various insect, plant disease, and weed surveys in cooperation with the USDA Forest Service and the USDA Animal and Plant Health Inspection Service (APHIS) to aid in protecting forest and agricultural land.
- Conducts gypsy moth surveys and gypsy moth suppression operations if sufficient funds are available.
- Conducts hemlock woolly adelgid and emerald ash borer survey and suppression activities as funds are available.
- Conducts commodity surveys for injurious insects and diseases of nursery stock, grape, apple, stone fruit growers, and field crops.
- Conducts increased outreach and survey activities in cooperation with USDA APHIS for the detection of spotted lanternfly.
- Conducts forest pest outreach activities promoting awareness of the impact of exotic organisms and the methods by which pest populations grow and spread (includes activities and programs such as educational materials, insect crafts, news releases, “Don’t Move Firewood” campaign, Citizen Scientist interactive volunteer program, “Hungry Pests”, and a program to distribute information on all invasive pests to be dispersed to the public), contingent on sufficient funding availability.
- Controls black fly populations in southern West Virginia.
- Supports and protects the nursery industry and consumers by nursery/nursery dealer registration and inspection for injurious insect and disease pests.
- Assists the public and industry with plant and/or pest concerns by providing identification accompanied by treatment recommendations if needed.
- Supports the timber industry through inspection and phytosanitary certificate issuance for export purposes.
- Administers the Industrial Hemp Program through control of registrations and inspections for compliance.

**Goals/Objectives/Performance Measures**

**Monitor and mitigate invasive species within the state.**

- Complete 100% of the annual pest detection surveys proposed under cooperative agreements with the USDA.

<sup>3</sup> Under the Phytosanitary Certificate Program, inspection of plants and plant products are conducted in order to issue federal phytosanitary certificates for international shipments of timber products and ornamental plants. Interstate shipments of plants requiring West Virginia phytosanitary certification are issued as the need arises.

# Regulatory and Environmental Affairs

## Mission

The Regulatory and Environmental Affairs Division protects the health, property, and environment of the residents of West Virginia by providing uniform and equitable inspections, sampling, investigative services, and analyses to industries and farm communities to safeguard the food supply.

## Operations

- Functions as a consumer protection and consumer service organization by enforcing appropriate agricultural laws and rules to protect the public food supply.
- Works jointly, via contracts, with the federal Food and Drug Administration (FDA) in all food and feed recalls to ensure the health and safety of the citizens of West Virginia.
- Works jointly with the USDA, completing contract work relating to the Country of Origin Labeling, Shell Egg Surveillance, and Destination Condition Poultry Inspections.
- Inspects, investigates, collects samples, and completes the analysis of agriculturally-oriented products such as feed, seed, fertilizer, lime, and pesticide, as well as dairy and egg products.
- Reviews analyses for compliance and assesses violations via monetary or stop sale provisions.
- Verifies that products/distributors are registered in West Virginia, as required by law, prior to selling manufactured goods.
- Regulates the licensing of commercial and private pesticide applicators, the sale and use of pesticides, and oversees the protection of groundwater and endangered species from pesticides.
- Implements the United States EPA Agricultural Worker Protection Standard in agricultural and horticultural operations.
- Monitors and enforces Integrated Pest Management programs in all public and private schools and child care centers.
- Monitors water quality (primarily in the Eastern Panhandle) from the Moorefield office in an effort to track water quality changes over time and promote long-lasting environmental stewardship.
- Provides nutrient management planning and manure analysis, free of charge, to assist West Virginia's agricultural producers in applying nutrients at agronomic rates.
- Works with state and federal agencies on the Chesapeake Bay Restoration and Gulf of Mexico hypoxia initiatives.<sup>1</sup>
- Works closely with the poultry industry throughout the state through the efforts of a WVDA poultry specialist located at Moorefield, providing expertise in both commercial production and backyard flocks.
- Provides research and development capabilities for federal agencies.
- Analyzes hemp for total THC (Tetrahydrocannabinol).
- Registers and regulates farmers' markets and farmers' market vendors.
- Conducts groundwater sampling and analysis for pesticides for the Department of Environmental Protection (DEP).
- Regulates the Grade A Milk Program in West Virginia.

## Goals/Objectives/Performance Measures

Perform training and testing necessary for the welfare of the public.

- Complete the addition of three methods to become accredited for International Organization for Standardization (ISO 17025) in the Microbiology Laboratory and three methods in the Agricultural Materials Laboratory by the end of FY 2021.

<sup>1</sup> Hypoxia (in water) is the condition in which dissolved oxygen is below the level necessary to sustain most animal life.

- ✓ Completed implementation of Phase II WIP in compliance with the EPA's Chesapeake Bay Total Maximum Daily Load (TMDL) in FY 2019.

**Modernize rules and procedures to reflect changes in standards and computer capabilities.**

- Implement a paperless system for inspection and sample collection of agricultural materials (feed, fertilizer, seed, and lime) by FY 2021.
- Update the web-based database (WVPlants) to include online registration/renewal of feed, fertilizer, seed, lime, and pesticide products and applicators by FY 2021.
- Commence flexible funding of Manufactured Food Regulatory Programs Standards (MFRPS) model in FY 2020 through FY 2023.

**Programs**

**FIELD SERVICES**

Regulatory Field Services protects the health and property of the citizens of West Virginia by inspecting and investigating agricultural materials and products. This is accomplished by securing and delivering the proper representative samples of agricultural materials and products to laboratory personnel to be analyzed.

**Mission**

The Agricultural Land Protection Authority seeks to preserve West Virginia’s abundant natural resources by conserving farmland in the State of West Virginia.

**Operations**

- Acquires conservation easements, either through sale or donation, that are voluntary legal land preservation agreements between landowners and the county or state unit of government, perpetually protecting the property as farmland by not allowing the landowner to develop the property.
- Disseminates information regarding agricultural land protection and promotes the protection of agricultural land.
- Assists county farmland protection boards in applying for and obtaining all available state and federal funding that is consistent with the purposes of the farmland protection programs, and assists those landowners in counties that do not have farmland protection boards.
- Provides, as part of a twofold system, a state-level body that functions in parallel with the county farmland protection boards.
- Provides necessary technical and legal services (upon request) to the county farmland protection boards to procure, acquire, draft, file, and record conservation and preservation easements.
- Works with the USDA, Natural Resources Conservation Service, and the county farmland protection boards to coordinate programs, answer technical questions, and close conservation easements.
- Seeks and applies for all available funds from federal, state, and private sources for farmland protection programs.

**Goals/Objectives/Performance Measures**

**Acquire conservation easements on qualifying farmland in West Virginia.**

- Acquire 10 additional conservation easements per year through FY 2021, thus accumulating additional farmland acreage.

Calendar Year	Conservation easements acquired	Total acres of farmland eased (cumulative)
Actual 2017	15	29,343
Estimated 2018	10	30,000

Estimated 2019	10	33,000
Estimated 2020	10	34,000
Estimated 2021	10	35,000

**Seek additional funding sources for farmland protection.**

- Use 100% of the federal Agricultural Conservation Easement Program (ACEP) program funds available to the authority to match state and local dollars for each fiscal year.

**Update information systems for farmland protection.**

- Enter 100% of current closings of all farmland protection easements into the state database for farmland protection easements by March of each year.
- Report annually to the Governor’s Office by August 31 all closed easements and applications from farmland protection boards.
- Complete 100% of annual reporting for geographical information system shapefiles (geospatial vector data format for geographic information systems software) of easement properties in West Virginia by March of each year.

*Department of Agriculture  
West Virginia Agricultural Land Protection Authority*

**Administer single point agreements and the Regional Conservation Partnership Awards.**

- Distribute 100% of conservation easement award funds, generally within a three-year period under the Farm and Ranch Land Protection Program (FRPP), and five years under Regional Conservation Partnership Program (RCP) for the federal awards on behalf of county farmland protection boards.<sup>1</sup>

<sup>1</sup> Federal Farm and Ranch Land Protection Program funds are federally awarded, requiring a state or local match to purchase perpetual conservation easements. In addition, awards under the comprehensive RCP are administered from the state level.

### Mission

The State Conservation Committee’s and the West Virginia Conservation Agency’s (WVCA) missions are to provide for and promote the protection and conservation of West Virginia’s soil, land, water, and related resources for the health, safety, and general welfare of the state’s citizens.

### Operations

- Coordinates with federal agencies in emergency flood recovery and flood protection efforts.
- Provides more than \$80 million in flood control, water supply, and recreational benefits to more than 60% of West Virginia’s 1.8 million residents. These benefits come from operating, maintaining, repairing, and rehabilitating 170 watershed dams and 22 channel projects throughout the state.
- Secures the assistance of various federal government agencies to share program costs and to provide additional technical assistance.
- Provides \$4,263,399 in state funding to West Virginia’s 14 conservation districts to support conservation cost-share programs and educational and support activities.
- Provides technical, financial, and administrative support to the citizens of West Virginia through the state’s 14 conservation districts.
- Assists conservation district cooperators (residents who have a commitment to conservation practices) through the Agricultural Enhancement Program (AgEP).<sup>1</sup>
- Maintains the Watershed Resource Center, focusing on training, information transfer, and assistance for all aspects of water quality efforts in the state.
- Serves in a guidance and advisory capacity on issues relating to agriculture and storm water management in the Chesapeake Bay TMDL area.
- Surveys, designs, and implements stream restoration projects.
- Educates the public using the WV Soil Tunnel Trailer as a mobile learning unit for soil, water, agriculture, specialty crops, and nonpoint source pollution.
- Processes soil samples and makes recommendations for fertilizer and lime applications based on testing results.

### Goals/Objectives/Performance Measures

Ensure the safety and stability of existing flood control and water supply dams and flood control channels.

- Complete the \$7.9 million rehabilitation of the Upper Deckers Creek No. 1 flood control dam in Preston County by the end of FY 2020.
- Complete the engineering work to identify high priority Operations Maintenance and Repair (OM&R) needs on the state’s small watershed flood-control dams and channels by the end of FY 2020.<sup>2</sup>

<sup>1</sup> AgEP assists residents who have a commitment to conservation practices with the voluntary implementation of best management practices (BMPs.) It offers technical and financial assistance as incentives to implement BMPs in order to conserve and improve land and water quality. This program incorporates the former Lime Incentive Program and gives each conservation district the flexibility to best meet the natural resource needs of that district.

<sup>2</sup> This initiative is designed to address the highest risk at these structures to ensure they continue to operate as designed beyond their 50-year evaluated life.

**Department of Agriculture  
West Virginia Conservation Agency**

- Continue the engineering working agreement with the federal Natural Resources Conservation Service during FY 2020.
- Establish a new cost-share program, the Streambank Stabilization and Restoration Program, to assist state residents with streambank stabilization and blockage issues in FY 2020.
- Complete compensatory mitigation related to impacts incurred during the rehabilitation of Upper Deckers Creek No. 1 flood control dam in Preston County by the end of FY 2020.
- Complete installation of debris booms on the Wheeling Creek No. 3 and North Fork of Hughes River dams by the end of FY 2021.
- Complete the replacement of existing low-state metal trash racks on the six dams at Harmon Creek by the end of FY 2020.
- Enter into agreement with the federal natural Resources Conversation Service to employ a watershed engineer by the end of FY 2020.
- Conduct four watershed public meetings and monitor trainings around the state in FY 2020.
- Complete scheduled inspections and routine maintenance on the 170 high-hazard flood-control dams and channels in FY 2020.

**Support the citizens of West Virginia in their conservation practices.**

- Continue providing state support for AgEP with WVCA's assistance.
- Conduct 38 training opportunities relating to nonpoint source pollution<sup>3</sup>, targeting 3,000 individuals in FY 2021.

Fiscal Year	Individuals trained	Training opportunities/ workshops conducted
Actual 2017	1,179	17

- ✓ Provided technical assistance to 50 poultry and livestock operations to meet new Animal Feeding operations/ Confined Animal Feeding Operation standards.
- ✓ Increased the tree canopy in a targeted Chesapeake Bay watershed by a total of 500 large trees during FY 2020.

- Provide quarterly electronic updates on the Chesapeake Bay Program to West Virginia policymakers and others.

**Improve the protection of West Virginia's water resources.**

- Work with the 14 conservation districts to provide information and technical assistance to 25 new agriculture producers in FY 2021 on the benefits of alternative water, stabilized stream crossing, riparian buffers, manure and litter management, nutrient management, and other BMPs.
  - ✓ Developed, implemented, and assisted with 10 specific Section 319 water quality projects designed to remedy or decrease pollutants in priority watersheds in FY 2019.
  - ✓ Leveraged \$700,443 from state funds to \$1,167,406 in federal funds for water quality projects throughout the state in FY 2019.
- Write and revise 50 nutrient management plans each year.<sup>4</sup>
  - ✓ Provided educational and technical assistance on sediment and erosion control from land disturbance activities to an estimated 500+ attendees of the West Virginia Equipment and Technology Design Exposition.

<sup>3</sup> Conservation Services Section 319 Nonpoint Source Program is responsible for implementing the agriculture and construction components of the federal Clean Water Act's Section 319 Nonpoint Source program. The program coordinates and works to address nonpoint pollution through the education, outreach, coordination, and implementation of projects that address water runoff, erosion and sediment control, storm water management, nutrient management, stream cleanup, riparian demonstrations, stream bank stabilization, pre- and post project monitoring, watershed assessments, and agriculture BMP selection and installation.

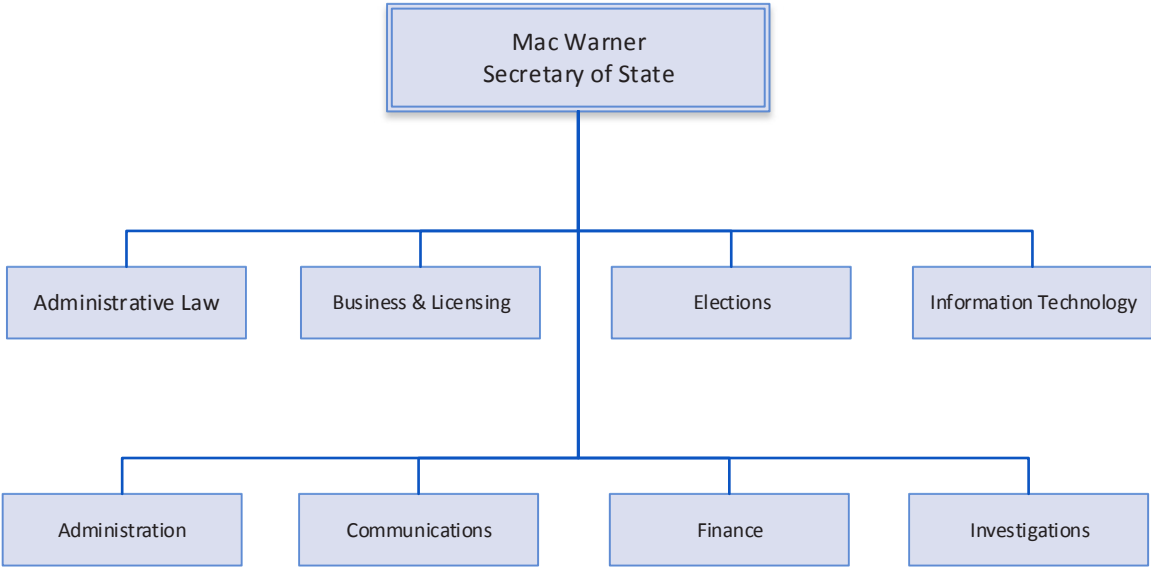

<sup>4</sup> Nutrient management plans are a tool for protecting water resources while making wise use of biosolid nutrients—nutrient rich organic materials derived from wastewater solids.

# Secretary of State's Office

## Mission

The mission of the Office of Secretary of State is to enhance commerce, ensure integrity of the electoral process, and preserve certain historical documents essential to our state while providing prompt quality service to the businesses, voters, and citizens of West Virginia.

## Goals/Objectives

- Provide government transparency.
- Enhance commerce and economic development by providing accurate and reliable online registration processes for the state's business sector.
- Work with other state and federal agencies to reduce costly duplication in order to create more efficient business-friendly processes.
- Provide sound and reasoned legal counsel and recommendations to the Legislature.
- Establish a stable and open government by providing reliable access to public information.
- Account for every expenditure and every financial transaction while working to realize cost-savings wherever and whenever possible.
- Securely and accurately document and preserve the history of our state.
- Protect and enhance our democracy by working with local officials to provide fair and accurate elections, as well as an inclusive political process.
- Advance goals and objectives set forth by the Legislature that represent the people of the State of West Virginia.

# Address Confidentiality Program

## Mission

The Address Confidentiality Program assists persons attempting to escape from domestic violence, sexual assault, stalking, or human trafficking by offering a substitute mailing address. The program enables state and local agencies to accept the address designated by the Secretary of State without disclosing the location of a victim. This protects the participant's address from public record and prevents an assailant from using public records as a means of finding them.

## Operations

- Facilitates the administration of program provisions as established in West Virginia Code and Legislative Rule.
- Provides training for the registration of application assistants.
- Provides services to program participants as part of their overall safety plan.
- Works with other programs in outreach and referral efforts.

## Goals/Objectives/Performance Measures

- Employ at least one trained and registered application assistant in each West Virginia county.

# State Purchasing Card Program

## State Auditor's Office

### Mission

The Purchasing Card Division develops, supports, and maintains the budgetary controls of the statewide Purchasing Card Program in order to reduce the amount of paper transactions by providing all state agencies and institutions of higher education with a safe, secure, and more cost-effective payment alternative for all purchases authorized by the State Auditor.

### Operations

- Promotes the use of electronic processes and the Purchasing Card (P-Card) Program.
- Provides training and technical support to all agencies and higher education institutions participating in the P-Card Program.
- Periodically completes a utilization and credit analysis of each state agency to determine whether each cardholder's credit and transaction limits are in line with their individual job responsibilities and requirements to reduce the potential risk of fraud for the state.
- Utilizes more than 25 standard reports for the monitoring of transactions that have also been made available to the respective agencies through wvOASIS.

### Goals/Objectives/Performance Measures

- Reduce P-Card eligible paper transactions by 5% each year.<sup>1</sup>

Fiscal Year	Eligible P-Card paper transaction reductions

# Department of Administration

# Department of Administration

Perry Bennett/Office of Reference and Information

## Mission

Operate a cost-efficient, customer-oriented service department whose actions are transparent to taxpayers, providing innovative solutions and quality results for a government that effectively serves West Virginians.

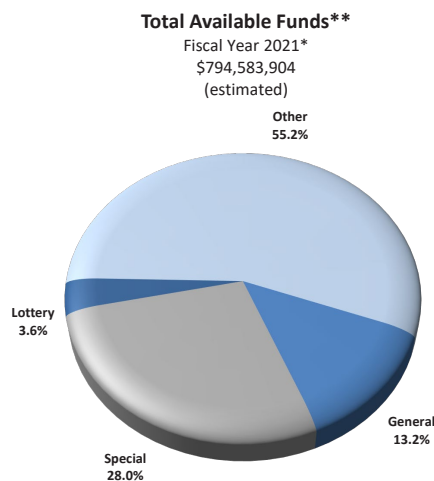

## Goals/Objectives

**Maximize the state's human resources through effective recruitment, retention, classification, and compensation.**

- Provide an innovative and responsive employment system to recruit, hire, and retain qualified candidates.
- Continue to create a strategic workforce and succession plan to prepare state government for its future human resource needs, which will include a process in which all agencies will engage to meet their particular workforce needs.
- Provide a professional development and training program to assist agency personnel in acquiring the knowledge and competencies necessary to achieve performance excellence and maximize productivity.
- Provide a positive and supportive work environment to increase staff satisfaction as well as deliver strong professional and ethical business practices.

**Ensure the continuity of the organization during extraordinary circumstances.**

- Refine contingency plans (continuity of governance and operations plans) to ensure the stability of essential government functions in a wide range of emergencies and disasters. The Department of Administration will continue to refine its completed and tested Continuity Of Operations Plan (COOP) in support of the Governor's Continuity of Government plan.
- Provide, through the Board of Risk and Insurance Management, COOP advice and training to all Department of Administration agencies and, when requested, to those agencies outside of the department, including conducting a tabletop exercise.
- Maintain the security and integrity of data storage, data transfer, and communications. This includes electronic data, paper storage, retention schedules, and the improvement of cybersecurity protection.

\*Beginning balance plus revenue

\*\*Does not include revenues or expenditures related to payment of retirement or insurance benefits.

## *Department of Administration*

### **Ensure prudent and fair spending practices in procuring quality goods and services.**

- Oversee the procurement of goods and services in excess of \$25,000 and monitor delegated purchasing procedures for acquisitions of \$25,000 or less.

### **Provide affordable health care benefits.**

- Administer affordable insurance programs and services that protect, promote, and benefit the health and well-being of its 220,000 members.

### **Prepare valid financial information to allow sound financial decision-making for citizens and decision-makers.**

- Maintain financial records supporting the comprehensive annual financial report, prepared in accordance with generally accepted accounting principles (GAAP).
- Prepare the Single Audit and Statewide Cost Allocation Plans to ensure compliance with federal regulations.

### **Administer retirement benefits.**

- Ensure annuity payments, refunds, and other related transactions are processed in a timely and accurate manner for the nine retirement plans under the purview of the Consolidated Public Retirement Board.

### **Manage state-owned assets both on the Capitol campus and throughout West Virginia.**

- Continue the implementation of a five-year Capitol Maintenance Plan to ensure proper preservation of government facilities.
- Provide oversight of policies and procedures to ensure that capital projects are completed on time, on budget, and at customers' expectation levels.
- Secure reasonable broad protection against loss, damage, or liability to state property, activities, and responsibilities with proper, adequate, and affordable insurance coverage.
- Provide oversight of the purchase, retention, and sale of vehicles and to reduce associated operational and managerial costs.
- Maintain an effective and centralized statewide resource for proactive space management.

### **Foster integrated business and information technology through a comprehensive technological architectural plan.**

- Develop information technology protocols while consolidating and integrating systems to achieve seamless delivery and knowledge exchange.
- Publish, through the Office of Technology, a new statewide strategic plan that outlines its approach to achieving the goals and objectives set to optimize information technology services for the State of West Virginia. This strategic plan will establish and maintain a clear alignment of the state's information technology resources to its business needs.

### **Continue implementation of a statewide records management system.**

- Ensure divisions and agencies of the Department of Administration have a revised records retention policy and schedule that meet all legal and operational requirements for the various types of information stored.

# Board of Risk and Insurance Management

## Department of Administration

### Mission

The mission of the Board of Risk and Insurance Management division (BRIM) is to provide a comprehensive risk management program to qualifying participants, ensuring customer satisfaction by the ethical and cost-conscious expenditure of public funds.

### Operations

BRIM provides insurance for various programs:

- \* State entity program—Property, casualty, and cyber insurance to state agencies
- \* Mine subsidence program—Administers a coal mine subsidence reinsurance program for damage caused by the collapse of underground coal mines
- \* Senate Bill 3 program (SB 3)—Property, casualty, and cyber insurance to boards of education, and property and casualty insurance to other governmental entities and nonprofit organizations

#### *Administrative/Finance*

- Oversees the annual completion of the audit of BRIM's financial statements.
- Coordinates budgetary and financial plans and premium projections with the independent actuary.
- Oversees all actuarial, treasury, investment, financial, and accounting processes for the agency.

#### *Claims*

- Directly handles first-party property and mine subsidence claims, utilizing the services of independent adjusters and engineers.
- Oversees the handling of the state entity and SB 3 programs liability claims processing which is performed by a third-party claims administrator.

#### *Loss Control*

- Advises customers in developing strategies and policies, identifying exposures, and preventing losses and claims.
- Provides a system of credits and surcharges to individual premiums by evaluating actual loss control policies and procedures.

#### *Underwriting*

- Reviews and finalizes the premiums for the state and SB 3 programs that are calculated by an independent actuary.
- Collects information by mailing a renewal questionnaire.
- Maintains the customer database for BRIM's programs.

#### *Privacy Office*

- Leads the State Privacy Program for Executive Branch agencies, including the West Virginia Privacy Management Team which protects the privacy of Personally Identifiable Information, including protected health information collected and maintained through governance, risk management, and compliance.

### Goals/Objectives/Performance Measures

Maintain solvency in each individual line of business (state, SB 3, and mine subsidence).

- Maintain a positive net position in each line of business at the end of each fiscal year.

Commission on Uniform State Laws

**Mission**

The mission of the Commission on Uniform State Laws is to develop, promulgate, and encourage passage of statutes in West Virginia that are uniform and compatible with those of other states so as to avoid conflicts of law and to preempt federal legislation in as many areas as possible.

**Operations**

The Commission on Uniform State Laws consists of three bipartisan members appointed by the Governor. The members serve without compensation.

- Counsels and confers with the West Virginia Legislature and represents West Virginia at the annual meeting of the National Conference of Commissioners on Uniform State Laws, participating in its deliberations and debate, and casting West Virginia’s vote on proposed uniform acts.
- Works with similar commissions that serve each of the other 49 states and the territorial possessions of the United States.
- Serves on drafting committees of the national conference, including special and select committees of that body, and annually meets to promulgate uniform laws that are made available to state legislative bodies.

**Goals/Objectives/Performance Measures**

The commissioners, in relation to the national conference, shall do all in their power to promote uniformity in state laws upon all subjects where uniformity may be considered desirable and practicable.

- Attend all of the appropriate meetings of standing committees, drafting committees, and study committees of the national conference.
- Work with the West Virginia Joint Commission on Interstate Cooperation and other committees to promote the uniform acts by introducing them to the West Virginia Legislature and encouraging enactment.

# Consolidated Public Retirement Board

## Department of Administration

### Mission

The West Virginia Consolidated Public Retirement Board (CPRB) administers nine governmental pension plans to ensure members receive accurate and timely benefits earned for their public service.

### Operations

- Collects and credits employee and employer contributions for nine public retirement systems, credits employee service information for participants of each retirement plan, and distributes monthly retirement payments to plan retirees and beneficiaries. The nine public retirement systems are:
  - \* Public Employees Retirement System (PERS)
  - \* Teachers' Retirement System (TRS)
  - \* Teachers' Defined Contribution Retirement System (TDC)
  - \* Judges' Retirement System (JRS)
  - \* Deputy Sheriffs' Retirement System (DSRS)
  - \* Public Safety Death, Disability, and Retirement Fund (Plan A)
  - \* State Police Retirement System (Plan B)
  - \* Emergency Medical Services Retirement System (EMSRS)
  - \* Municipal Police Officers and Firefighters Retirement System (MPFRS)
- Reviews applications for disability retirement and makes determinations regarding member eligibility.
- Monitors retirement fund investment options for participants of the TDC Plan.
- Provides educational services and resource materials to retirement plan participants and participating public employers regarding plan benefits and regulations governing each plan.
- Provides actuarial data and recommendations to the Governor and the Legislature regarding retirement plan funding.
- Reports to the Joint Legislative Committee on Pensions and Retirement.

### Goals/Objectives/Performance Measures

Implement a web-based pension administration system to enhance the efficiency of agency communications, transactions, and customer service (Consolidated Multi Plan Administration Solution System - COMPASS).

- Increase efficiency of processing retirement and refund applications and disbursing funds to retirees and inactive members through FY 2021.
- Add new retirees to the retirement payroll within 10 business days of receipt of necessary and accurate information.
- Provide retirement benefit estimates to active members within 30 days of receipt of necessary and accurate information.
- Issue refunds to members within 60 days from receipt of necessary and accurate information.

- Implement COMPASS Disability Retirement Medical Self-Service portal to provide web-based access to medical retirement records for disability retirement applicants and authorized third-party medical professionals.
  - ✓ Provided COMPASS Employer Self-Service (ESS) training through FY 2018 which included webinars, as well as a dedicated help phone line and email address, recorded training videos, PowerPoint presentations, and reference materials via agency website.

### Prepare and submit the FY 2019 Comprehensive Annual Financial Report (CAFR).

- Earn the Government Finance Officers Association (GFOA) Certificate of Achievement for Excellence in Financial Reporting for FY 2019.
  - ✓ Awarded the GFOA Certificate of Achievement for Excellence in Financial Reporting for production of the CAFR from FY 2012 through FY 2018.

### Provide retirees a secure way to receive monthly annuity payments and prevent fraud by the end of FY 2020.

- Eliminate paper checks to retirees by enrolling them into direct deposit or issuing a state pay card.

### Provide outreach, education, and training to retirement plan members and participating employers.

- Promote, prepare materials, and educate members of CPRB's two largest systems (PERS and TRS) regarding retirement benefits and annuity options in FY 2021.<sup>1</sup>
- Continue statewide training for more than 780 PERS and 56 TRS employers on Tier II Retirement Benefits in FY 2021.<sup>2</sup>
- Partner with wvOASIS to hold at least two joint training sessions for employing agencies during FY 2021.
- Hold multiple seminars throughout the state to train employing agency payroll clerks.
- Provide webinars to employing agencies in FY 2021.
- Offer at least two seminars exclusively for county boards of education in conjunction with the West Virginia Association of School Business Officials in FY 2021.
- Continue to offer one-on-one or small group training for employing agencies in FY 2021.

# Office of Technology

## Department of Administration

### Mission

The West Virginia Office of Technology is responsible for developing the statewide information technology strategic direction, providing unifications and integration of technology solutions, infrastructure, and services that are protected, reliable, and cost-effective.

### Operations

- Empowers state agencies to provide modern government services leveraging innovative technology and data driven strategies.
- Conducts financial analysis, contract management, education, and training to ensure high return of the state’s technology investments.
- Enables a cybersecurity posture based upon a mature cyber risk service, ensuring protections are woven into the fabric of government operations.

### Goals/Objectives/Performance Measures

Develop information technology key plans, policies, and strategies for West Virginia state government agencies while continuing technology upgrades for reliable, protected, and efficient communication.

- Develop and implement a plan to modernize the state’s data center and data center infrastructure, through a 4 Phase approach, to be fully implemented by FY 2025.
- Develop the Cyber Risk as a Service Program by the end of FY 2022.<sup>1</sup>
- By the end of FY 2023 have a 50% completion rate of the implementation of the Cyber Risk as a Service Program in accordance with the strategic action plan and a 95% completion rate of agencies performing a cyber risk assessment.

**Develop and implement the strategic initiatives Digital Government and Technology Optimization to modernize government services and improve financial return on technology investments.**

- Implement the WVOT Billing Application Modernization Program in accordance with the Technology Business Management (TBM) Standard by the end of FY 2021.
- Implement modernized Technology Position Classification Specifications by the end of FY 2021.

## Department of Administration

### Mission

The mission of Public Defender Services is to fulfill the State of West Virginia's constitutional obligation to provide quality legal assistance to persons who otherwise could not afford legal counsel in proceedings in which the person's liberty interests are at stake.

### Operations

#### *Administrative Division/Office of Finance/Appointed Counsel Services*

- Maintains an online system for the preparation of vouchers by attorneys seeking payment for legal services rendered or reimbursement of expenses incurred in the representation of indigent clients in eligible proceedings.
- Assists attorneys in the preparation of vouchers using the online system.
- Reviews vouchers for compliance with the agency's guidelines, legislative rule, and governing statute.
- Rejects, reduces or approves vouchers and, if approved, submits the vouchers to the Office of Auditor for payment.
- Advocates the agency's position in the circuit court when a dispute arises with an attorney seeking payment of compensation for items rejected or reduced in the processing of the voucher.

#### *Administrative Division/Office of Legal Representation*

- Operates an appellate division to represent eligible clients in appeals to the Supreme Court of Appeals of West Virginia from their convictions in the lower courts.
- Operates a habeas corpus division to represent eligible clients in post-conviction proceedings after appeals have been exhausted.
- Enhances the representation of eligible clients by panel attorneys (private counsel taking court appointments) and by public defender corporations (PDCs) through identification and discussion of issues arising on appeals or in habeas corpus proceedings.
- Supports the Criminal Law Research Center through participation in projects that are designed to educate panel attorneys and PDCs about legal issues affecting the defense of indigent clients.

#### *Policy Division/Online Voucher System*

- Reviews, revises and provides advice regarding the provisions of the agency's governing statute, guidelines, and legislative rule that affect the compensation of panel attorneys for representation of indigent defendants.
- Audits the processing of vouchers by the Appointed Counsel Services Division and prepares the vouchers in OASIS for submission to the Office of Auditor.
- Investigates attorneys whose submissions to the agency do not seemingly reflect actual or necessary time in the representation of an indigent defendant.
- Educates the staff in the appointed counsel services division on issues that have been identified relating to the time submitted by attorneys for payment.

#### *Policy Division/Criminal Law Research Center*

- Provides competitively priced continuing legal education opportunities for panel attorneys and PDCs, including an annual conference.
- Provides for the training of attorneys who are inexperienced in criminal defense matters but who are taking court-appointments or are being employed by PDCs.
- Maintains a motions bank for attorneys engaged in criminal defense.
- Maintains jury instructions for use by attorneys engaged in criminal defense.
- Operates a website providing information relevant to criminal defense and operates a blog discussing current issues in criminal defense.

## Public Defender Services

### Policy Division/Public Defender Corporation Resource Center

- Provides support to public defender corporations by training attorneys and staff to prepare sentencing memoranda focusing on mitigation of sentencing factors.
- Provides support to public defender corporations by training staff and boards of directors on administrative processes.
- Provides support to public defender corporations through research of legal issues and general counsel on legal processes.
- Maintains a timekeeping system to record the time of the public defenders in compliance with the governing statute.

### Goals/Objectives/Performance Measures

Process vouchers for the payment of services by appointed counsel in a timely manner while ensuring that the requests for payment are proper.

- Process all vouchers within 90 days to avoid interest payments.

Fiscal Year	Interest paid	Claims paid
Actual 2017	\$11,854.09	37,521
Actual 2018	\$679.04	34,301

Estimated 2020	\$500.00	37,000
Estimated 2021	\$1,000.00	37,000

- Maintain the processing cycle at fewer than 45 days.
- Reduce the number of private attorneys accepting court appointments who sell their vouchers to third-party financing entities due to the period of time that passes before payment of the vouchers by the state.

Fiscal Year	Number of attorneys selling vouchers
Actual 2017	260
Actual 2018	226
Estimated 2019	230
Actual 2019	229
Estimated 2020	175
Estimated 2021	150

- Reduce costs by rejecting inaccurate or inappropriate billings from attorneys and service providers.<sup>1</sup>

Fiscal Year	Billing reductions from vouchers (thousands)
Actual 2017	\$261
Actual 2018	\$114
Estimated 2019	\$300
Actual 2019	\$91

Estimated 2021	\$100

<sup>1</sup> In FY 2017, savings were calculated differently in that discarding of duplicate voucher submissions were not considered to be “true” savings, which accounts, in part, for the lower amount.

## Public Defender Services

Activate public defender corporations in the six remaining judicial circuits that were identified by the Indigent Defense Commission.

- Create or expand PDCs in a judicial circuit within which currently only private attorneys are taking court appointments, resulting in lower expenses for each case.

Fiscal Year	Cost avoidance by PDC operations (millions)
Actual 2017	\$11.5

# Public Employees Insurance Agency

## Department of Administration

### Mission

The Public Employees Insurance Agency (PEIA) administers affordable insurance-oriented programs and quality services that protect, promote, and benefit the health and well-being of the members.

### Operations

- Provides health and life insurance to more than 180,000 state and nonstate agency employees and their dependents across West Virginia and the United States.
- Administers the eligibility and benefit plan design.
- Contracts with multiple third-party administrators to perform functions such as the claim adjudication process.
- Improves benefit plans and choices for members.
- Provides education and awareness related to insurance and health care.
- Advocates for members in matters that enhance being a PEIA member.
- Assists members regarding insurance and health care benefits.
- Collaborates with others to improve PEIA lifestyle programs and wellness services.
- Ensures that claims and other requests are processed promptly and accurately.
- Works with providers to ensure ample access to medical services at reasonable cost.

### Goals/Objectives/Performance Measures

**Provide the best possible benefit packages to members and increase health awareness while maintaining the inherent fiduciary responsibilities of public funds administration.**

- Double the current enrollment of Preferred Provider Benefit (PPB)<sup>1</sup> Plan C<sup>2</sup> and D<sup>3</sup> by FY 2021.
  - ✓ Increased the enrollment of Plan D from 818 policyholders to 883 policyholders in FY 2019.
  - ✓ Increased the enrollment of Plan C from 979 policyholders to 1,026 policyholders in FY 2019.
- Improve the quality of care while improving cost controls by increasing enrollment in PEIA's Comprehensive Care Program from 30,000 to 31,500 during FY 2021.

**Increase healthy lifestyles and overall health awareness through PEIA's Healthy Tomorrows Program promoting utilization of primary care physicians and disease management and wellness programs.**

- Improve member health by continuing to review the Healthy Tomorrows Program for improvements by addition of various disease management and wellness programs, with plans to avail membership to six programs in FY 2021.

**Improve customer service, member communications, and operations efficiency.**

- Reach 90% of all open enrollment transactions completed online for the FY 2021 open enrollment period.
  - ✓ Reached 8,883 open enrollment transactions completed online during the FY 2020 open enrollment period, representing approximately 85% of actual open enrollment transactions.

<sup>1</sup> PPB is PEIA's self-funded preferred provider benefit plans.

<sup>2</sup> Plan C is a high deductible health plan that can be paired with a health savings account or a health reimbursement account.

<sup>3</sup> Plan D is a health plan that consists of West Virginia residents using only West Virginia health care providers (with very limited exceptions).

# Real Estate Division

## Department of Administration

### Mission

The Real Estate Division’s mission is to maintain an effective and centralized statewide resource for proactive space management and planning, helping client agencies to operate optimally in the best office and workspace possible.

### Operations

- Provides a centralized office for leasing, appraisal, and other real estate services to the Secretary of the Department of Administration and executive branch agencies.
- Ensures that all lease and purchasing contracts are based on established real estate standards and fair market prices.
- Maintains a statewide real estate property management database that consists of all real property building and lease information for most departments, agencies, and institutions of state government.
- Manages parking at the capitol complex by enforcing the parking rules for state employees and visitors.

### Goals/Objectives/Performance Measures

Comply with statutory data collection mandates.

Streamline all efforts in order to eliminate confusion, improve negotiations, provide better space planning, and afford a more consistent application of policies and procedures.

- Continue progress on standardizing real property management policies, procedures, and forms through FY 2021.

**Mission**

The mission of the West Virginia Retiree Health Benefits Trust Fund is to provide and administer retiree postemployment health care benefits and the respective revenues and expenses of the cost-sharing multiple employer trust fund.

**Operations**

- Plans dedication of revenues to be preserved in trust for the purpose of funding other postemployment benefits and related expenses. PEIA is responsible for the day-to-day operation of the fund.
- Credits irrevocably all contributions, appropriations, earnings, and reserves to the fund to be available without fiscal year limitations for covered health care expenses and administration costs.
- Retains in the fund (as a special reserve for adverse fluctuations) any amount remaining after covered health care expenses and administration costs have been paid in full.
- Uses all assets of the fund solely for the payment of fund obligations and for no other purpose.
- Enhances benefits through wellness and preventative programs.
- Educates benefit coordinators and program directors concerning the reporting requirements of Governmental Accounting Standards Board (GASB) Statement 74 and 75.

**Goals/Objectives/Performance Measures**

Provide the best possible benefit packages to its retirees and increase health awareness while maintaining the inherent fiduciary responsibilities of the West Virginia Retiree Health Benefits Trust Fund.

## Mission

The Department of Commerce promotes and preserves the well-being of the citizens of West Virginia by providing a cooperative, interagency system that stimulates diverse economic growth, encourages the appropriate use of our state's abundant natural resources, improves the safety and productivity of our workforce, and promotes the beauty and desirability of our state as a world-class tourism destination.

## Goals/Objectives

### Stimulate economic growth in West Virginia.

- Encourage new investment (both foreign and domestic) in West Virginia.
- Enhance levels of hospitality and service at resort-style state parks that are continually upgraded through capital improvements.
- Maintain an innovative website with a common template structure that hosts the marketing content of the department's 10 divisions in multiple languages.
- Promote and foster small business development and emerging entrepreneurs in the state.
- Develop a marketable, skilled workforce through training, data collection, and close alignment with higher education.

### Improve planning and coordination of infrastructure projects to address community water and sewer needs and enhance opportunities for business and commercial development.

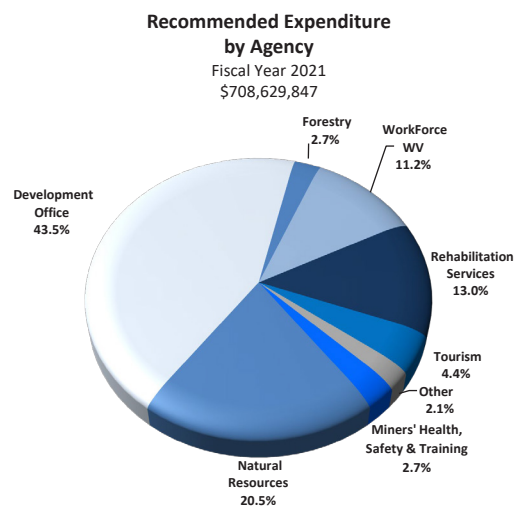

- Cooperate with the West Virginia Infrastructure and Jobs Development Council for infrastructure projects.
- Work with communities to enhance development and foster growth.

### Assess natural resources and promote and invest in energy technologies.

- Integrate data from the Division of Forestry, West Virginia Tourism Office, Division of Natural Resources, Geological and Economic Survey, West Virginia Development Office, and other sources to improve quality and quantity of planning.

\*Beginning balance plus revenue

## *Department of Commerce*

- Foster planning methods and protocols that are compatible from agency to agency, making possible the coordination and integration of plans.
- Conduct focused, mission-oriented research on West Virginia's fossil energy resources, develop inventories of all water resources in the state, and develop a long-range conservation and use plan.

### **Conserve, protect, and manage the state's natural resources.**

- Increase economic growth through outdoor recreation opportunities.
- Improve the quality and effectiveness of the fire protection program.
- Improve the quality and effectiveness of logging industry practices.

### **Improve worker/workplace protection programs in all industries, including logging and mining.**

- Implement programs for workplace safety and for wage and hour compliance.
- Investigate and address undocumented workers in West Virginia.
- Protect the health and safety of persons employed in the mining industry through training and inspection.

# Board of Coal Mine Health and Safety

## Department of Commerce

### Mission

The Board of Coal Mine Health and Safety promulgates rules to protect coal industry workers. The board reviews federal and state reports, rules on coal mine accidents and fatalities, and determines whether additional rules are necessary to prevent accident reoccurrence.

### Operations

- Reviews and evaluates all coal mine fatalities and determines if any new regulations are needed to prevent a reoccurrence of such fatalities.
- Reviews and evaluates new technologies in coal mining and determines if the technology promotes safety.
- Continually examines mining laws to ensure such laws are keeping pace with technology.
- Works closely with regulatory agencies (U.S. Mine Safety and Health Administration and West Virginia's Office of Miners' Health, Safety, and Training) to promote a safe working environment for coal miners.
- Provides administrative support for the West Virginia Diesel Commission, Coal Mine Safety and Technical Review Committee, Board of Miner Training and Certification, and the Mine Safety Technology Task Force in the research and development of new rules and regulations for coal mining.

### Goals/Objectives/Performance Measures

#### *Board of Coal Mine Health and Safety*

- Annually review, no later than the first day of July, the major causes of coal mining injuries during the previous calendar year, reviewing the causes in detail and promulgating such rules as necessary to prevent the reoccurrence of such injuries.
- Review all mining fatalities within 60 days after the initial accident report.
- Meet at least once per month as mandated by West Virginia Code.
- Submit a report on or before January 10th each year to the Governor, President of the Senate, and Speaker of the House that includes:
  - \* The number of fatalities during the previous calendar year, the apparent reason for each fatality (as determined by the Office of Miners' Health, Safety and Training) and any action taken by the board
  - \* Any rules promulgated by the board during the last year
  - \* The rules the board intends to promulgate during the current calendar year
  - \* Any problem the board is having in its effort to promulgate rules to enhance health and safety in the mining industry
  - \* Recommendations (if any) for the enactment, repeal, or amendment of any statute that would cause the enhancement of health and safety in the mining industry

#### *Coal Mine Safety and Technical Review Committee*

- Review within 45 days of receipt the site-specific mine variance requests and individual miner requests for variances when West Virginia Code does not address the specific mining situation.

# Division of Forestry

## Department of Commerce

### Mission

The Division of Forestry's (WVDOF) mission is to protect, nurture, and promote the wise utilization and multiple-use of the state's forest resources to ensure they are a major contributor to the state's economy on a sustainable basis in the most practical, cost-efficient manner.

### Operations

- Protects the state's forest resources from wildfires, insects, and disease.
- Provides emergency disaster response immediately upon request by local, state, or federal agencies.
- Administers the Logging Sediment Control Act to prevent soil erosion and protects West Virginia's waters from sedimentation.
- Provides technical assistance to forest landowners to ensure a sustainable forest resource and all the benefits derived from that resource.
- Manages West Virginia's state-owned forests to provide multiple public benefits that include aesthetics, harvesting forest products, recreation, wildlife habitat diversity, and demonstration of appropriate forestry practices.
- Provides export certification for ginseng harvested in West Virginia between September 1 and March 30 annually.
- Implements the Forest Stewardship Program for the benefit of the landowner to profitably maintain and enhance the health and ecological integrity of their forestland.
- Collects wildfire data for reporting to cooperating agencies for state, regional, and national wildfire risk assessments and planning for semiannual submission.
- Conducts expert criminal investigations into forestland arson fires and timber and log theft.
- Provides wildfire suppression assistance to other states in accordance with the Mid-Atlantic Forest Fire Protection Compact and the Southeastern Forest Fire Protection Compact.

### Goals/Objectives/Performance Measures

#### Sustain the forest resources of the state.

- Promote wildfire prevention by communicating the harmful effects of wildfires to the media and civic groups and at elementary schools, camps, fairs, and festivals.
- Prepare for wildfire suppression by providing training classes to volunteer fire departments, the National Guard, and prison inmates with the goal of suppressing wildfires quickly, effectively, and safely to minimize damage to forest resources and personal property.
- Solicit financial applications from volunteer fire departments and evaluate funding priorities to assist the VFDs in purchasing wildfire suppression equipment.
- Acquire equipment requested by volunteer fire departments to enhance fire suppression capacity through the Federal Excess Personal Property and Fire Fighter Property programs.
- Prepare and provide wildfire hazard assessments, mitigation plans, and community wildfire protection plans with the intent of reducing risks.
- Perform wildfire risk reduction projects designed to minimize hazards posing a threat to the health and safety of citizens.
- Control and extinguish all wildfires to minimize loss of forest resources and property.
- Issue burning permits as prescribed by West Virginia Code.
- Collect and report wildfire data to cooperating agencies regarding national wildfire risk assessments, planning, and semiannual submissions.
- Conduct expert criminal investigations into forestland arson fires.
- Provide investigation training for employees.
- Assist other law-enforcement agencies by utilizing WVDOF Bloodhound K-9 units to track suspects, missing children, special need adults, and elderly persons.

#### Prevent soil erosion and sedimentation of the state's waters by administering the Logging Sediment Control Act.

- Annually conduct training workshops for professional loggers on best management practices, safety, and chainsaw operations.

## *Division of Forestry*

- Issue Timbering License and Certified Logger Certificates.
- Provide the Logging Operation Notification Inspection and Enforcement (LONIE) system access data to employees at the West Virginia Department of Highways, the West Virginia Department of Environmental Protection, and the U.S. Occupational Safety and Health Inspectors Office.
- Provide LONIE system training to members of the logging industry to enter and monitor notifications.

### **Sustain the state's forest resources by promoting proper forest management, providing technical assistance, retaining and recruiting forest product industries, and administering the federal cost share program.**

- Utilize Forest Stewardship Program funding provided annually by the U.S. Department of Agriculture, U.S. Forest Service, and Natural Resources Conservation Service to provide technical forest management assistance and conservation education to landowners through a partnership with West Virginia University Extension Service.
- Continue working with the U.S. Forest Service through various Good Neighbor Agreements to complete authorized forest, rangeland, and watershed restoration services on National Forest System lands in West Virginia.
- Promote the long-term care of trees and planting in cities and communities through the Urban and Community Forestry Program.
- Prepare planting plans to prevent bank erosion and reduce sediment in West Virginia streams as part of the Conservation Reserve Program and Conservation Reserve Enhancement Program.
- Restructure Clements State Tree Nursery to grow an optimal mix of products necessary to maximize its revenue potential.

Division of Labor

**Mission**

The Division of Labor ensures the prosperity, economic growth, and safety of all West Virginians by safeguarding the rights of and ensuring equity in the marketplace for workers, consumers, and businesses. This is achieved through licensing, inspections, and education of employers and employees seeking compliance with labor laws and workplace safety regulations in West Virginia.

**Operations**

*Inspections*

- Conducts inspections at business locations throughout the state to ensure employers are paying the correct wages and hiring legally documented workers.
- Conducts accuracy inspections of all commercial weighing and measuring devices, registers service agencies for placing devices into service, ensures correct product prices are posted on shelves and in advertisements, and bedding and upholstered furniture meet safety and health standards.
- Conducts inspections at construction sites to ensure all contractors, plumbers, crane operators, and Heating, Ventilating, and Cooling (HVAC) technicians are properly licensed.
- Conducts inspections at manufactured home dealers and owner sites to ensure proper and safe installations.
- Conducts inspections of high pressure boilers, elevators, amusement rides and attractions, zip lines, and rock walls to ensure the public’s safety.
- Conducts inspections for the West Virginia Occupational Safety and Health Administration (WVOSHA) and U.S. OSHA Consultation Program.

*Licensing*

- Licenses contractors, crane operators, HVAC technicians, and plumbers.
- Licenses manufactured housing contractors, dealers, and manufacturers.
- Registers and certifies amusement rides and attractions, boilers, boiler inspectors, elevators, private elevator mechanics and inspectors, and zip lines.
- Licenses service agencies that install or repair commercial scales and meters.
- Licenses businesses that conduct going-out-of-business sales.
- Registers companies that manufacture articles of bedding and furniture.
- Licenses polygraph examiners.

*Program Administration*

- Responds to Requests for Investigation (RFI) regarding a variety of issues including child labor, undocumented workers, unlicensed contractors, and safety hazards in the workplace.
- Responds to Requests for Assistance (RFA) involving inaccurate weight or measuring devices, skimmers at fueling stations, and employee unpaid wage claims.

**Goals/Objectives/Performance Measures**

**Complete wage and hour investigations in a more efficient manner.**

- Complete 90% of the wage and hour investigations within 90 days of receiving the complaint during the fiscal year.

# Division of Natural Resources

## Department of Commerce

### Mission

The mission of the Division of Natural Resources (DNR) is to provide a comprehensive program for the exploration, conservation, development, protection, enjoyment, and use of the state’s renewable natural resources; preserve and protect natural areas of unique or exceptional scenic, scientific, cultural, archaeological, or historic significance; and provide outdoor recreational opportunities.

### Operations

- Conducts fish and wildlife management activities on nearly 500,000 acres of public wildlife management areas and state forests, 1,041,473 acres of national forest land, 22,000 acres of public impoundments, 20,000 miles of fishable streams and rivers, nine state fish hatcheries, one state wildlife center, and one state natural area.
- Provides biological information to the Natural Resources Commission to set hunting, fishing, and trapping regulations.
- Monitors and protects the state’s natural resources in accordance with federal and state laws and regulations by coordinating with public agencies and private entities whose activities affect fish and wildlife populations and habitats.
- Manages endangered species and nongame wildlife in accordance with federal and state laws and regulations to conserve the diversity of the state’s fish and wildlife resources.
- Enforces laws and regulations pertaining to the state’s fish and wildlife resources.
- Administers the DNR state lands, including the beds of the state’s rivers and streams.
- Preserves, maintains, and operates 35 state parks, two rail trails, and recreation facilities on nine state forests managed by the Parks and Recreation Section.
- Publishes *Wonderful West Virginia* magazine.

### Goals/Objectives/Performance Measures

- Continue to follow the Wildlife Resources Section’s 10-year capital improvements plan to acquire/develop additional public hunting lands, acid stream neutralization sites, stream and lake access sites, access sites for the physically challenged, and shooting ranges, as well as to repair dams in priority areas of the state.
- Increase the contribution of hunting, fishing, and other wildlife recreation to the state’s economy from \$1.5 billion in 2011 to \$1.7 billion by the end of 2020.
- Sell a minimum of 700,000 resident hunting and fishing licenses and privileges each year.<sup>1</sup>

# Division of Rehabilitation Services

## Department of Commerce

### Mission

West Virginia Division of Rehabilitation Services enables and empowers individuals with disabilities to work and live independently by providing individualized services to consumers and employers.

### Operations

#### Vocational Rehabilitation

- Operates the state and federal vocational rehabilitation program. The program provides a team of vocational rehabilitation counselors who work with eligible individuals with disabilities on a one-on-one basis to develop a comprehensive individualized plan for employment that includes the specific services needed to prepare each person for employment. Services may include:
  - \* Individualized assessment
  - \* Assistive technology
  - \* Counseling
  - \* Environmental modification
  - \* Vocational guidance
  - \* Supported employment
  - \* Vocational and technical training and education
  - \* Job placement
  - \* Pre-employment transition services
- Provides business owners and employers with critical services and support. Services may include:
  - \* assistance in staffing
  - \* employee retention strategies
  - \* education on disability-related issues
  - \* job accommodations
  - \* information about financial incentives for employers who hire individuals with disabilities
- Provides services through 26 field office locations within West Virginia.

#### Disability Determination

- Provides (under contract with the Social Security Administration) for the adjudication of West Virginians’ applications for Social Security disability benefits.
- Performs case services through two area offices in Charleston and Clarksburg.
- Operates the Disability Determination Section Administrative Services office in Charleston.

### Goals/Objectives/Performance Measures

Meet or exceed the performance indicators and evaluation standards previously required each year by the federal Rehabilitation Services Administration.<sup>1</sup>

- Meet four of the six employment outcome indicators.

Federal Fiscal Year	Employment outcome indicators met
Actual 2017	4
Estimated 2018	5
Actual 2018	4
Estimated 2019	4
Estimated 2020	4
Estimated 2021	4

<sup>1</sup> DRS chose to continue measuring performance based on prior standards and indicators. The goal is to meet four of the six employment outcome indicators (Indicators 1.1-1.6), two of the three primary indicators (Indicators 1.3-1.5), and the equal access indicator (Indicator 2.1.) The six employment outcome indicators are 1.1 Change in Employment Outcomes, 1.2 Percent of Employment Outcomes, 1.3 Competitive Employment outcomes, 1.4 Significance of Disability, 1.5 Earnings Ratio, 1.6 Self Support, and 2.1 Minority Background Service Rate.

## Division of Rehabilitation Services

# Geological and Economic Survey

## Department of Commerce

### Mission

The mission of the West Virginia Geological and Economic Survey is to make available timely, responsive, and credible geoscience information to promote public policy, create prosperity, and maintain a high level of environmental quality, economic opportunity, and quality of life for all West Virginians.

### Operations

- Conducts applied and original research on the coal, oil, and natural gas resources of West Virginia.
- Maps economic coal beds, oil and gas fields, geologic hazards, subsurface geologic units, bedrock, and surficial deposits in the state.
- Tracks oil and gas drilling, coal mining, and other geologic resource extraction activities.
- Collects and analyzes coal and rock samples and maintains a repository of samples and cores.
- Disseminates results of geoscience investigations to the public through publications, website, outreach, and responses to direct inquiries from the public, industry, government agencies, and academia.

### Goals/Objectives/Performance Measures

Conduct geoscience research and mapping, and facilitate dissemination of research results for optimal economic development decision-making.

- Construct new geologic maps for 20 quadrangles in high-priority areas by the end of 2026; including field mapping, drafting, internal review, and final production for print-on-demand.

- Define specifications, identify stakeholders, and coordinate funding for acquisition of LIDAR and imagery of the state by June 30, 2020.

<sup>2</sup> LIDAR is a remote sensing method that uses light in the form of a pulsed laser to measure ranges (variable distances) to the Earth. These light pulses—combined with other data recorded by the airborne system—generate precise, three-dimensional information about the shape of the Earth and its surface characteristics.

# Office of Energy

## Department of Commerce

### Mission

The West Virginia Office of Energy (WVOE) is responsible for the formulation and implementation of fossil and renewable projects and energy efficiency initiatives designed to advance energy resource development opportunities and to provide energy services to businesses, communities, and homeowners in West Virginia.

### Operations

- Advances the development of West Virginia's fossil and renewable energy resources.
- Promotes energy efficiency and alternative fuels and vehicles.
- Uses student engineering teams to help West Virginia industries modernize their processes.
- Assists mining operators in determining the community impact of mining.
- Promotes collaboration between the state's universities and colleges, private industry, and nonprofit organizations to encourage energy research and leverage available federal energy resources.
- Capitalizes on university expertise to advance energy use reduction.

### Goals/Objectives/Performance Measures

Promote new energy production and uses in West Virginia, including fossil and renewable projects.

- Recruit energy projects to West Virginia each year.
- Develop by the first day of December of each year an energy development plan relating to the division's implementation of the energy policy and the activities of the division during the previous 12 months.
- Present at least four annual energy conferences with relevant stakeholders, focused on topics including biomass energy, wind energy, solar energy, alternative fuels, and fossil energy.
  - ✓ More than 200 attended the 12th annual Governor's Energy Summit.
  - ✓ Thirty-one attended the 2019 Construction and Design Expo alternative fuels workshop.
  - ✓ One hundred participated in the Connecting Communities Through Energy conference.
- Increase the number of alternative fuel vehicles in use in West Virginia by 10% annually.<sup>1</sup>
  - ✓ In 2018, there were 23,358 newly registered alternative fuel vehicles in the state. As of July 2019, there are 15,951 additionally registered alternative fuel vehicles.

Reduce energy consumption in residential, industrial, and educational sectors.

- Provide annual training to regional affiliates of the Home Builders Association of West Virginia on the state's residential building energy code (2009 International Energy Conservation Code).
  - ✓ Provided 16 training sessions in 2019.
- Provide energy audits to West Virginia's commercial and industrial energy sectors.

<sup>1</sup> Alternative fuels include compressed natural gas, propane, electric, ethanol, hydrogen, and liquefied natural gas.

## Office of Energy

Advance additional technical assistance and fostering an energy management climate in the state’s commercial and industrial sectors as part of a two-year project.<sup>2</sup>

- Deliver six hands-on training opportunities, create an interactive digital quarterly newsletter, and develop an energy network for the West Virginia Commercial and Industrial markets to be completed in FY 2019.
- Conduct 20 studies on manufacturing energy use/processes per year; and conduct energy use analysis of at least three West Virginia public schools and community-based facilities each year.

# Office of Miners' Health, Safety, and Training

## Department of Commerce

### Mission

The Office of Miners' Health, Safety, and Training impartially executes and enforces the state's mine safety laws and rules in a cooperative spirit for the protection of the health and safety of all persons employed within or at West Virginia mines.

### Operations

- Conducts required inspections at all types of mines and mine facilities.
- Conducts inspections on all underground mines to check compliance on coal/rock dust.
- Investigates serious accidents and fatalities.
- Conducts a comprehensive investigation for each fatality or serious accident and writes a formal report to the director of the Office of Miners' Health, Safety, and Training—placing special emphasis on preventing reoccurrence.
- Conducts specific investigations as a result of complaints regarding dangerous conditions or noncompliance from miners or one of their authorized representatives.
- Reviews annually and approves or modifies site-specific comprehensive safety programs required of each entity in the mining industry.
- Establishes and implements programs to reduce accidents and fatalities in the mining industry.
- Supervises and directs the implementation, execution, and enforcement of state mining laws and rules.
- Maintains the safety information computer system to track mine production, employment, accidents, permits, ownership, assessments, inspections, safety programs, and grant activities.
- Monitors private sector training classes to ensure quantity and quality of training.
- Operates four mine rescue teams for the four regional offices, each consisting of six members and a trainer to conduct rescue missions in emergency situations.
- Provides training to other mine emergency rescue teams throughout West Virginia.
- Conducts, sponsors, and/or judges mine rescue, first-aid, bench man, and preshift contests throughout the summer at the local, state, and national levels to ensure the adequacy of emergency preparedness.<sup>1</sup>
- Administers certification examinations in 29 specific areas to coal miners and independent contractors.
- Maintains a website for the distribution of data, industry notifications, reports, forms, online services, and agency products and fees available through e-commerce.

For purposes of administrative support and liaison, the Governor's Office and the Board of Appeals are included in the Office of Miners' Health, Safety, and Training.

### Goals/Objectives/Performance Measures

- Inspect all coal mines and mining facilities as set forth in the West Virginia Code.<sup>2</sup>

Estimated 2020	100%
Estimated 2021	100%

<sup>1</sup> The national competition is once every two years. The next national contest is September 2021.

<sup>2</sup> By code, all underground mines have to be inspected a minimum of four times per year and all surface mines are inspected twice a year.

## *Office of Miners' Health, Safety, and Training*

- Inspect all independent contractors performing services or construction at each mine site during each regular inspection.
- Reduce the miners' accident incident rate each year.

Calendar Year	Accident incident rate <sup>3</sup>
Actual 2017	4.40
Estimated 2018	3.32
Actual 2018	3.07
Estimated 2019	3.00
Estimated 2020	3.00
Estimated 2021	3.00

- Respond immediately upon notification to serious or fatal accidents.
- Respond within 48 hours of notification to complaints from any miner, at any mine, relative to dangerous conditions or noncompliance with pertinent laws or rules.
- Review within 72 hours the applications for new mining permits and certificates of approval.
- Provide to the Governor and the West Virginia Legislature the "Annual Report and Directory of Mines" detailing all operations of the office by December 31st each year as required by statute.

---

<sup>3</sup> The accident incident rate is based upon incidents per 200,000 employee hours.

# West Virginia Development Office

## Mission

The West Virginia Development Office (WVDO) enhances economic growth and development through the implementation of a comprehensive economic development strategy plan designed to continue, diversify, and/or expand the economic base of the state; create jobs; develop a highly-skilled workforce; facilitate business access to capital, including venture capital; advertise and market state resources with respect to business and industry needs; facilitate cooperation among local, regional, and private economic development enterprises; improve infrastructure on a state, regional, and community level; improve the general business climate; and leverage funding from sources other than the state, including federal and private sources.

## Operations

- Supports existing businesses and industries in the expansion and retention of their operations.
- Encourages new investment (both international and domestic) in West Virginia.
- Assists West Virginia companies in selling their products or services in other countries.
- Provides assistance to existing small businesses and the emerging entrepreneur.
- Administers programs designed to encourage local involvement in strengthening communities.
- Funds federal and state infrastructure projects, applying the funding criteria established by the West Virginia Infrastructure and Jobs Development Council.
- Protects the integrity of the federal and/or state investments by preventing and detecting fraud, waste, and mismanagement through on-site audits, monitoring visits, and desk reviews.
- Provides increased financial and technical assistance to develop local leadership capacity in support of economic growth and community development.
- Promotes the export of West Virginia products and markets the state as a location for foreign investment.
- Assists small and medium-sized West Virginia companies in pursuing export markets through trade shows and missions organized in key markets throughout the world, workshops, one-to-one counseling, and other services.
- Markets the state as a location for international investment in the aerospace, automotive, chemical, polymer, metalworking, energy, and other sectors via staff and offices in Japan and Europe.
- Administers revitalization and infrastructure programs which include:
  - \* Appalachian Regional Commission
  - \* Certified Development Community Program
  - \* Economic Infrastructure Bond Fund
  - \* Flex-E-Grant Program
  - \* Governor's Community Partnership Grant Program
  - \* Land and Water Conservation Fund
  - \* Local Economic Development Grant Program
  - \* Main Street West Virginia
  - \* Neighborhood Investment Program
  - \* Small Cities Block Grant Fund<sup>1</sup>
  - \* RISE Administration with HUD

## Goals/Objectives/Performance Measures

**Support existing businesses in expanding their operations and attract new enterprises to locate in the state.**

- Attend 20-25 targeted industry trade shows each year in cooperation with various local development and other state agencies to continue the efforts to diversify West Virginia's economy.
- Support select USA Track missions.

<sup>1</sup> Investments total more than \$12 million in small cities.

## West Virginia Development Office

Focus on small businesses and long-term innovative clients that have higher success rates and greater impact on West Virginia's economy.

- Contact and counsel 900 clients and create 100 new businesses through the Small Business Development Center in FY 2021.

Fiscal Year	Clients contacted and counseled	New businesses created
Actual 2017	1,295	105
Actual 2018	1,948	127
Estimated 2019	900	100
Actual 2019	1,443	77
Estimated 2020	900	100
Estimated 2021	900	100

- Maintain capital infusion into existing and new small businesses by annually approving \$21 million in loan packages including federal Small Business Administration (SBA) loans, non-SBA loans, and equity investment.<sup>2</sup>

Fiscal Year	Dollar amount of capital infusion (in millions)	Number of businesses receiving loans

Estimated 2019	\$21	N/A
Actual 2019	\$32	195
Estimated 2020	\$21	N/A
Estimated 2021	\$21	N/A

- Facilitate through marketing and retention efforts the creation of more than 1,700 new jobs, 2,500 jobs retained, and \$3 billion in business investments in West Virginia's economy by FY 2021.

Fiscal Year	Business investments	Jobs created	Jobs retained
Actual 2017	\$1,135,020,000	1,761	1,821
Actual 2018	\$2,828,608,000	837	2,462

# West Virginia Tourism Office

## Department of Commerce

### Mission

The West Virginia Tourism Office works with private tourism industry partners to build and promote a world-class destination that provides jobs, stimulates investment, grows existing businesses, and promotes a positive image of the state as a place to visit, go to college, live, work, and retire.

### Operations

- Increases awareness of West Virginia as a world-class tourism destination through paid advertising, coordinated editorial coverage, and strategic social media campaigns.
- Promotes regional cooperation among tourism industry partners to create destinations with multiple attractions through industry outreach and structured cooperative advertising opportunities.
- Conducts research and coordinates and analyzes research data for dissemination to the tourism industry and use in strategic planning.
- Supports tourism industry partners through educational workshops and consulting services.
- Offers a cooperative buy-in advertising program for tourism industry partners that offers advertising opportunities with greater reach, lower cost, and more digital sophistication than available when purchased individually while at the same time coordinating a unified message for the state and its regions.
- Works in collaboration with the West Virginia Development Office to encourage recruitment, expansion, and development of tourism attractions and ancillary businesses.
- Promotes West Virginia locations to the film industry to promote positive images of West Virginia in films and television shows as well as promote film industry employment in the state.

Perry Bennett/Office of Reference and Information

## Mission

The West Virginia Board of Education (WVBE) and State Superintendent of Schools work in concert to establish policies and procedures to assure implementation of West Virginia's Public Education goals and to ensure the general supervision, oversight, and monitoring of a thorough, efficient, and effective system of free public schools.

## Operations

The WVBE consists of 11 members, including nine citizen members, appointed by the Governor to serve a nine-year term. The remaining non-voting, ex-officio members include the State Superintendent of Schools, the Chancellor of the West Virginia Higher Education Policy Commission, and Chancellor of Community and Technical College Education. Through the adoption of policy, the WVBE implements state law regarding education.

The following list provides a brief summary of the WVBE's various responsibilities:

- Provides, along with the State Superintendent of Schools, general supervision of 55 school districts, operating approximately 680 schools.
- Oversees the operation of seven, multi-county career technical education centers.
- General control, supervision, and management of the business and educational affairs of the West Virginia Schools for the Deaf and the Blind.
- Administers programs for the education of all institutionalized school-age juveniles and adults within facilities operated by the West Virginia Division of Corrections and Rehabilitation.
- Authorizes intervention in the daily operations of a county school system that has been determined to be low-performing.
- Promulgates rules related to standards of student performance and measures of accountability, the education of all children of school age, the physical welfare of students, school attendance, the certification of teachers and other support personnel, classification of schools, and other matters pertaining to public schools that the state board considers necessary.

## Department of Education/WVBE and Office of the State Superintendent

- Authorizes proceedings and/or processes as necessary to enforce and give effect to any provision of state law pertaining to public education.
- Provides for the examination of students completing courses of study and issues diplomas to all students who satisfactorily complete such courses.

### Goals/Objectives/Performance Measures

The WVBE’s overarching goal for public education in the state is to provide a high-quality learning system that encourages a lifelong pursuit of knowledge and skills, promotes a culture of responsibility, personal well-being, and community engagement, and responds to workforce and economic demands. To achieve this goal, the WVBE has established the following focal points on priorities for college and career readiness in West Virginia:

#### School readiness and third grade literacy:

- \* All four-year-olds have access to a high-quality Universal Pre-K program.
- \* All Grade 3 students will be on target for grade-level expectations in literacy and numeracy.
- \* All Pre-K-Grade 3 students will attend school every day.
- \* All Pre-K-Grade 3 students will develop the skills to become responsible students and exhibit positive behaviors.

#### Content knowledge and career exploration:

- \* All Grade 4-Grade 8 students will be on target for grade-level expectations in literacy and numeracy.
- \* All Grade 4-Grade 8 students will learn about potential career options and opportunities.
- \* All Grade 4-Grade 8 students will attend school every day.
- \* All Grade 4-Grade 8 students will demonstrate responsibility and positive behaviors.

#### Career and college preparation:

- \* All Grade 9-Grade 12 students will have opportunities to engage in rigorous college-level coursework.
- \* All Grade 9-Grade 12 students will have opportunities to earn industry-recognized credentials.
- \* All Grade 9-Grade 12 students will graduate high school prepared for college and/or careers.
- \* All Grade 9-Grade 12 students will attend school every day.
- \* All Grade 9-Grade 12 students will demonstrate responsibility and positive behaviors as they prepare for postsecondary education and the workforce.

# West Virginia Schools for the Deaf and the Blind

## Mission

The West Virginia Schools for the Deaf and the Blind shall set high expectations for learning, opportunity, and achievement in a positive climate, where it will be the center of excellence in the education of deaf, hard of hearing, blind, and low vision students so they will achieve success as productive, independent members of society. To that end, we provide students a specialized education environment where their unique skills are recognized and valued, they are given opportunities to experience success, and they feel part of a community in which they are encouraged to be lifelong learners.

## Operations

- Provides academic and career-technical educational programming for day/residential students, ages three to 21, who are deaf, hard of hearing, blind, partially sighted, or deaf-blind.
- Provides technical assistance and outreach programs to West Virginia children (ages birth to five) who are deaf, hard of hearing, blind, partially sighted, or deaf-blind, and to their families.
- Provides large print and Braille books for students who are blind or partially sighted and attend the state's public schools.
- Operates a subregional library for the blind and physically handicapped for the eight-county Eastern Panhandle region with talking and/or Braille leisure reading books.<sup>1</sup>
- Provides clinics for eligible West Virginia children—hearing clinic; eye clinic; low vision clinic; and orthopedic and nutrition clinics.

## Goals/Objectives/Performance Measures

Provide all West Virginia students—ages birth to 21—who are deaf, hard of hearing, blind, visually impaired, or deaf-blind with high-quality educational and residential programming.

- Earn full five-year accreditation through AdvancED in June 2024.
  - ✓ Received full five-year accreditation on June 23, 2019. The schools have been fully accredited by AdvancED or the North Central Association of Colleges and Schools for 40 consecutive years (since 1979). The North Central Association of Colleges and Schools became part of AdvancED in 2009.
- Ensure a rigorous, high-quality curriculum, engaging instructional strategies, experiential learning programs, support programs, personnel, instructional resources, supplies, technology integration, and facilities.
- Promote professional growth and development that advances student learning and defines high standards for professional personnel.
- Strengthen business practices and fiscal resources, and cultivate and manage personnel to ensure an effective and financially sound organization.

Promote understanding of concerns and educational trends affecting children who are deaf, hard of hearing, blind, and low vision.

- Develop and communicate high-quality knowledge and pursue strategic relationships with local educational agencies, Division of Rehabilitative Services, and the WVDOE.
- Increase the number of support visits to county schools by 10% each school year from the established baseline.<sup>2</sup>

<sup>1</sup> This library is a division of the West Virginia Library Commission Services for the Blind and Physically Impaired, which operates under the aegis of the National Library Service for the Blind and Physically Handicapped, Library of Congress.

<sup>2</sup> The baseline will be the number of visits made during School Year 2020.

## West Virginia Schools for the Deaf and the Blind

Library Commission

**Mission**

The West Virginia Library Commission provides West Virginians access to information needed to be informed, productive citizens; enhances the service capacity of public, academic, and school libraries; and meets the needs of West Virginians with disabilities.

**Operations**

- Works with federal programs to provide discounts to libraries for internet access and connectivity.
- Monitors eligibility of public libraries to receive funding from state grant programs.
- Develops and coordinates continuing education opportunities for library personnel.
- Develops and supports library programs and services for all citizens.
- Collects, analyzes, and distributes statewide library statistics.
- Develops promotional materials in partnership with the professional librarian staff to promote four statewide and/or national library program campaigns.
- Provides library reference services to the Legislature, state government, public libraries, and individuals.
- Develops the best methods of providing for the technology needs of libraries.
- Oversees operations and maintenance of statewide library automation.
- Provides regional technical support to all public libraries.
- Provides a range of library services to sight-impaired citizens and to those whose physical limitations prevent them from holding a book.

**Goals/Objectives/Performance Measures**

**Assist libraries in providing free public internet services to the communities they serve.**

- Provide robust, high-speed, and affordable broadband internet connections by increasing speed to libraries on the Statewide Library Network.

## Department of Arts, Culture and History

### Mission

The mission of the West Virginia Educational Broadcasting Authority (WVEBA) is to educate our people by telling West Virginia's story. The WVEBA is a resource for education, news and public affairs, emergency communications, and promoting West Virginia.

### Operations

- Produces educational programs for television, radio, and the web that improve children's school readiness and academic performance, inform citizens about their state government, and educate West Virginians of all ages about our rich history and culture.
- Engages and educates communities on issues of statewide importance such as workforce growth, early literacy, and Appalachian arts and culture.
- Collaborates with libraries and other educational organizations to engage parents and children with PBS educational programming through its early learning initiatives, West Virginia LearningMedia online service, and its emerging Inquire Within program.
- Operates a network of 16 radio and eight television towers reaching all corners of West Virginia to provide free, high-quality educational programming on three TV channels and radio. This network also supplies programming online and to cable and satellite systems.
- Produces "Mountain Stage," a live-performance show airing on more than 240 public radio stations, promoting West Virginia culture to a national and international audience.
- Broadcasts on TV and livestreams over the Internet events from the West Virginia Legislature, Governor's Office, Supreme Court, colleges and universities, Department of Arts, Culture and History, and other entities to promote our shared educational mission.
- Broadcasts critical information in disaster situations in coordination with the West Virginia Division of Homeland Security and Emergency Management and other agencies.

### Goals/Objectives/Performance Measures

Educate West Virginia students about their history and culture by producing multimedia projects for West Virginia teachers distributed by the Department of Education and [West Virginia LearningMedia](#).

- Produce at least 30 online multimedia lessons and teacher guides aligned with state content standards and designed to educate and inspire West Virginia students about several key aspects of West Virginia's history and culture in FY 2021.
  - ✓ Produced 26 multimedia lessons in FY 2019.
- Distribute workforce and culture and arts content through traditional broadcast and expanding through multifaceted digital platforms, increasing followers and users by 5% in FY 2021.
  - ✓ In FY 2019, the WVPB website had 1.2 million web users and 64,959 followers and subscribers on social media.

**Educate and engage middle and high school students in Appalachian arts and culture.**

- Engage with the community to identify issues and produce at least 10 stories with accompanying lesson plans concerning arts and culture in our region in FY 2021.
  - ✓ Worked with 12 partners to develop content for 19 pieces and a web page geared toward 16 to 26 year olds on issues surrounding workforce opportunities.

**Improve literacy and math skills in pre-K-12 students by working with teachers, parents, students, and caregivers on how to use educational programming.**

- Expand the Inquire Within program to 10 additional libraries through the state in FY 2021.
  - ✓ Launched the program in 11 counties in FY 2020 and developed a website to inform the broader community.

## West Virginia Educational Broadcasting Authority

- Engage at least 4,000 parents and children in Inquire Within activities by FY 2021.
- Provide at least 60 opportunities for families to engage in early literacy topics such as reading, math skills, and coding.

### Provide coverage of the West Virginia Legislature to a statewide audience.

- Provide 550 hours of live coverage of floor sessions and a daily recap show called “The Legislature Today” via the West Virginia Channel, West Virginia Public Broadcasting’s main TV channel, and the radio network.

Fiscal Year	Hours of Legislative coverage

Perry Bennett/Office of Reference and Information

## Mission

The mission of the West Virginia Department of Environmental Protection (DEP) is to carry out the state’s environmental laws and regulations that are designed to provide and maintain a healthful environment consistent with the economic benefits derived from strong agricultural, manufacturing, tourism, and energy-producing industries.

## Goals/Objectives

**Maintain primacy of environmental programs (air, mining, water).**

- Issue and inspect permits in a fair and timely manner and ensure enforcement of environmental laws.

**Reclamation and Restoration of Land, Water, Air.**

- Promote and encourage alternative land use for previously contaminated/mined/remediated sites in support of economic development and tourism activities in West Virginia.

**Carry out West Virginia’s regulatory program.**

- Maintain a highly-qualified workforce to serve the public, staffed with employees who support the need for economic development while enforcing environmental regulations, and who anticipate issues and act accordingly.
- Maintain agency core values of professionalism, integrity, education, knowledge, expertise, creditability, and public service.

**Education and outreach programs.**

- Create and foster a culture within West Virginia that causes citizens to think and act in sustainable ways through education, outreach, and involvement of the public in environmental cleanup.

# Division of Air Quality

## Department of Environmental Protection

### Mission

The Division of Air Quality's mission is to protect and improve today's air quality and preserve it for future generations.

### Operations

- Operates a laboratory to analyze air samples, including an inductively coupled plasma mass spectrometer for particulate metals analysis and a clean room/weigh room for fine particulate gravimetric analysis.
- Processes and issues permits to qualified entities in which operations result in the release of air emissions.
- Develops and revises state implementation plans (SIPs), enabling West Virginia to maintain federal funding and remain free of federal EPA sanctions.
- Conducts inspections of permitted facilities to ensure compliance with the federal Clean Air Act and the state's Air Pollution Control Act.
- Monitors air quality to protect human life, health, and safety and to reasonably prevent injury to plant, animal, or property due to air quality.
- Investigates and addresses citizens' complaints related to air quality.
- Collects and compiles air quality data.
- Provides air quality information to the U.S. EPA and to citizens.
- Provides educational outreach programs to increase public awareness of air quality concerns.
- Assists small businesses in understanding and implementing controls to comply with regulations.

### Goals/Objectives/Performance Measures

- Collect criteria pollutant data at operating air monitoring sites and capture at least 75% of the data as required by the EPA.

Fiscal Year	Data recovery rate

# Division of Land Restoration

## Department of Environmental Protection

### Mission

The Division of Land Restoration’s mission is to reclaim and remediate contaminated and disturbed land to a condition protective of public health and safety and suitable for productive reuse and economic development.

### Operations

#### Reclamation Programs Section

- Administers the Abandoned Mine Lands and Reclamation Program, Landfill Closure Assistance Program, and Special Reclamation Program.
- Protects the public’s health, safety, and general welfare from adverse effects of historic mining activities and certain landfills.
- Reclaims bond forfeited coal mine sites in accordance with the site’s approved reclamation plan and established post-mining land use.
- Facilitates water quality improvement through treatment of water affected by acid mine drainage.
- Subsidizes waterline extensions for communities which do not have potable water due to pre-law mining impacts of groundwater sources.
- Manages landfill closure, leachate, and natural gas for landfills that cannot be operated in an environmentally sound manner and without the financial resources for timely closure.

#### Remediation Programs Section

- Administers the Brownfields Assistance Program, Federal Facilities Restoration Program, Superfund Program, UECA-LUST Program, and Voluntary Remediation Program.
- Protects the public’s health, safety, and general welfare from adverse effects of industrial contamination.
- Assesses potentially contaminated industrial sites.
- Conducts and oversees the cleanup of contaminated industrial sites to restore properties to beneficial use.
- Promotes voluntary cleanup and redevelopment of abandoned or underutilized properties for community enrichment and economic development.

### Goals/Objectives/Performance Measures

- Install synthetic caps on two eligible landfills.<sup>1,2</sup>

1 Final closure of a landfill is defined as when the last invoice has been approved and paid (rather than when the work was actually completed).

2 There are 33 landfills in the Landfill Closure Assistance Program (LCAP), however, only 32 landfills have applied. Synthetic caps have been installed on 20 landfills. Six landfills meet the requirements of a Sub Title D cap (RCRA-earthen cap). Closure activities began on the Clarksburg Landfill in FY 2018 with final closure expected in FY 2021. Closure activities for Kingwood began in FY 2020. Closure design work continues for three landfills (Webster, Elkins-Randolph County, and Wheeling).

## Division of Land Restoration

- Reclaim 100% of the land and water capital special reclamation sites in bond forfeiture status by FY 2026.

# Division of Mining and Reclamation

## Department of Environmental Protection

### Mission

The Division of Mining and Reclamation’s mission is to ensure compliance with the West Virginia Surface Mining and Reclamation Act and other applicable state laws and rules by means of effective and high-quality reclamation of mining sites, an efficient permitting program, and constructive communications between the public and regulated industry.

### Operations

- Reviews and approves applications for surface coal mine permits, quarry permits, National Pollutant Discharge Elimination System (Clean Water Act) permits for mining operations, and Section 401 water quality certifications for mining operations.
- Inspects mine sites for compliance with environmental laws and takes enforcement action when necessary.
- Conducts investigations of citizens’ complaints related to mining operations and takes enforcement action where appropriate.
- Provides training for staff, regulated industry, and the public.

### Goals/Objectives/Performance Measures

- Maintain a minimum inspection frequency as measured by the West Virginia Surface Coal Mining and Reclamation Act/Rules and Regulations at 100%.

# Division of Water and Waste Management

## Department of Environmental Protection

### Mission

The Division of Water and Waste Management’s mission is to preserve, protect, and enhance the state’s watersheds for the benefit and safety of all its citizens through implementation of programs controlling hazardous waste, solid waste, and surface and groundwater pollution from any source.

### Operations

- Provides low-interest loans to municipalities, public service districts, and nonprofit organizations for construction of domestic sewage systems.
- Reviews and approves construction plans and specifications to ensure proper operations of publicly owned sewage systems.
- Issues permits for treatment and discharge of wastewater from industrial and municipal facilities into the state’s waters.
- Issues permits for construction and operation of hazardous waste treatment/storage/disposal facilities.
- Inspects permitted wastewater and land disposal facilities for compliance with discharge limitations and operational requirements.
- Performs biannual compliance sampling inspections on all permitted major facilities.
- Assesses watersheds for chemical, bacteriological, and biological impacts.<sup>1</sup>
- Recommends water quality standards for the state’s streams, lakes, and wetlands.
- Inspects and ensures the integrity and operational safety of non-coal dams.
- Completes in-lieu fee mitigation projects to replace, protect, and restore streams and wetlands.
- Provides grants to partner agencies, nonprofit organizations, and volunteer watershed associations to develop and implement plans to reduce polluted runoff.
- Investigates all waste and water related citizen complaints received.
- Ensures environmental laboratories produce and submit quality assured data.
- Ensures underground storage tanks are properly installed and operated.
- Assists local citizens and watershed organizations in protecting and restoring streams affected by polluted runoff.
- Ensures the proper design, construction, operation, and closure requirements of all landfills and related facilities (e.g., solid waste transfer stations).
- Coordinates water pollution control activities with numerous local, regional, state, interstate, federal, and nonprofit entities.
- Performs inspections of aboveground storage tanks within the Zones of Concern.

### Goals/Objectives/Performance Measures

- Ensure wastewater and solid waste permits are issued within 180 days of receipt of a complete application and hazardous waste permits are issued within one year of receipt of a complete application.

# Executive

## Department of Environmental Protection

### Mission

The Executive Offices provide leadership for effective and efficient use of resources, provide administrative and technical assistance to operations divisions, provide citizens with current and transparent information, and educate citizens on environmental issues and ways to obtain a more sustainable West Virginia.

### Operations

#### *Executive Office*

- Provides direction and leadership to facilitate the accomplishment of the agency's goals and objectives.
- Develops agencywide policies to ensure efficient administration of the agency's goals and objectives.
- Creates, revises, and drafts rules for legislative approval, as directed by the cabinet secretary.
- Oversees the administration of the state's regulatory and volunteer cleanup programs.

#### *Environmental Advocate Office*

- Serves as the communications portal between the public and the agency.
- Coordinates within the agency on the response to and resolution of complaints from the public.
- Provides assistance to the public on environmental concerns (e.g., participates in public hearings and coordinates the public comment process, provides advice on how to file FOIA requests, and directs public inquiries for specific concerns to the appropriate DEP office).
- Oversees the Youth Environmental Program.
  - \* Organizes the annual Junior Conservation Camp and the Youth Environmental Program activities.
  - \* Provides Youth Environmental Program enrollment information to public schools, Scouts, 4-H, and other community service initiatives interested in participating.
- Oversees the Rehabilitation Environmental Action Plan (REAP) program.
  - \* Coordinates litter, open dump, waste tire, and recycling cleanup programs.
  - \* Encourages public participation in cleaning roadside litter, streams, and open dumps.
  - \* Provides grants to various entities for general recycling, litter control, and electronic recycling.

#### *Internal Audit*

- Provides independent evaluation of financial and operational procedures and, when needed, provides recommendations for suitable controls and safeguarding of resources.

#### *Office of Legal Services*

- Meets the legal needs of the agency and its representatives.

#### *Public Information*

- Responds to media inquiries, logs and responds to FOIA requests, facilitates contact between DEP divisions and constituents, and facilitates public hearings.

#### *Small Business Ombudsman*

- Functions as the liaison between the small business community, DEP program offices, and other government entities.
- Assists small businesses throughout the state in understanding and complying with existing and pending state and federal environmental rules, enhancing the environment, and prospering in West Virginia.
- Encourages the business community to participate in recommending and preparing legislation applicable to environmental concerns consistent with the DEP mission.

## Executive

### Support Offices

- Facilitates high quality, enterprise approach to planning, financial and asset management, and financial reporting for internal and external customers.
- Human Resources assists in the recruitment and development of a highly trained workforce to serve citizens and communities.
- Provides process and data analysis, design, programming, data translation, end user training, and maintenance for legacy and/or customized computer applications.
- Supports e-permitting for external users.

### Goals/Objectives/Performance Measures

#### Develop and utilize technology to accommodate internal and external users

- Seek automated solutions for federal EPA’s Cross-Media Electronic Reporting Rule requirements and wvOASIS requirements.
- Utilize information quality and reporting software to build a data warehouse to house all regulatory data to provide higher quality information for decision-making by the agency and transparency to the public.
- Enhance security to reduce the risk of breaches and down time.
- Provide electronic application submission and other automated functions to improve permitting efficiency.

#### Recruit and retain a highly-educated workforce to serve the citizens of West Virginia.

- Recruit a highly-educated workforce.
- Encourage employee development by specialized training.

#### Encourage public involvement in environmental initiatives.

- Provide financial assistance by awarding grants to at least 75% of qualifying applicants submitting complete grant applications for the three different grant programs: recycling, litter control, and the e-cycling program that began in 2009. (Grant awards are based on eligibility of applicants and available funding.)
- Maintain and/or recruit 10,000 West Virginians to participate in the REAP volunteer cleanup programs of Adopt-A-Highway and Make It Shine and improve at least 2,000 miles of highways and streams.
- Resolve open dump complaints reported by citizens and project managers and take actions to prevent reoccurrence of dumping in these locations and repeat offenders by referring to appropriate authorities.

Fiscal Year	Total grand funding awarded	Percent of grant applications awarded	Total number of volunteers	Total miles of roadway and stream cleaned	Percent of open dump complaints resolved

Estimated 2021	\$1,200,000.00	76%	10,000	2,000	90%

#### Encourage the Youth of West Virginia to become environmentally involved within their communities.

- Achieve a minimum of 1,000 youths enrolled each year in the Youth Environmental Program.

## Executive

- Encourage an increase in the number of volunteer hours, which results in saving taxpayer dollars for the citizens of West Virginia.<sup>1</sup>

Fiscal Year	Youth Environmental Program Enrollment	Total number of volunteer hours	Total dollar amount contributed
Actual 2017	102,437	23,191	\$559,831

Estimated 2020	132,000	35,000	\$864,150
Estimated 2021	134,500	36,000	\$888,840

- Interact with various entities to assist businesses in need of financial or technical assistance so they can comply with environmental regulation.

### Programs

#### ABANDONED MINE LANDS AND RECLAMATION

This program restores and reclaims West Virginia's land and water resources disturbed by surface mining operation prior to the passage of the federal Surface Mine Control and Reclamation Act of 1977.

# Homeland Security and Emergency Response

## Mission

The mission of the Homeland Security and Emergency Response Unit is to protect public health and the environment by responding to hazardous substance emergencies, responding to releases of hazardous substances into the environment, as well as providing hazardous substance emergency response expertise and coordinating activities with other local, state, and federal entities.

## Operations

- Responds safely and effectively to hazardous materials incidents and performs or oversees any necessary remediation.
- Trains relevant DEP staff to ensure safety and proficiency in hazardous materials or homeland security incidents.
- Reviews maintenance, expiration, calibration, and use records for all Homeland Security and Emergency Response equipment on weekly intervals to ensure operational readiness.
- Ensures that generated hazardous wastes and materials are managed and disposed of properly.

## Goals/Objectives/Performance Measures

**Protect human health, safety, and the environment during emergency situations involving hazardous waste and hazardous substances.**

- Conduct prompt assessment of situation and take immediate action to obtain adequate information to develop a site action plan.
- Coordinate response efforts with other emergency response units (police, firefighters, etc.)
- Provide technical, personnel, supplies and if necessary, contractual support.
- Restrict access to site and contaminants to reduce injury.
- Monitor incident to ensure only trained and authorized personnel engage in site recovery activities.

**Respond to hazardous materials emergencies quickly, safely, and efficiently on a statewide, 24-hour basis.**

- Ensure each team member is qualified to respond to a wide variety of emergencies and capable of using all of the equipment that might be needed to address each scenario.

Required training for Unit:

Emergency responder(s):

- \*OSHA Hazardous Waste Site Operations: Upon initial employment or verification  
Annual eight-hour refresher/certification per 29 CFR 1910.120 (e)(9)
- \*OSHA Hazard Communications: Upon initial employment
- \*Fork Lift Operation: Upon initial employment with refresher training every three years
- \*EPA Hazardous Waste Management: Upon initial employment and annual refresher training
- \*USDOT Hazardous Materials Training: Upon initial employment with refresher every three years
- \*NIMS levels: 100, 200, 300, 400, 700: Upon initial employment and/or verification

Office Staff:

- \*OSHA Hazard Communication Training: Upon initial employment

- Research equipment and training to continue to develop the team.
- Verify unit personnel availability to ensure adequate coverage.

*Executive  
Homeland Security and Emergency Response*

**Maintain a state of preparedness to respond to hazardous waste emergencies and releases of hazardous substances.**

- Maintain and enhance unit knowledge through required training.
- Document periodic training and certifications for all team personnel.
- Ensure operational readiness by conducting weekly verification for all instruments and vehicles, and calibration of equipment at the intervals recommended by the manufacturer or on a monthly basis in the absence of such a recommendation.
- Retain documents detailing operational readiness.

**Maintain a RCRA-permitted hazardous waste storage pad to provide safe and economical hazardous waste management.**

- Ensure that the permitted hazardous waste storage pad maintains compliance with all applicable statutes and rules.
- Inspect and monitor DEP-HSER hazardous waste management practices and ensure the proper disposal of materials and all required reporting is completed and submitted within required time frames.
- Conduct and document weekly storage pad inspections, noting all required observations.
- Complete and submit Biennial Hazardous Waste Activity Reports. Complete and submit Annual Tier 2 reports.

**Provide a support mechanism to local, state, and federal partners to ensure hazardous situations are handled when there are no clear lines of responsibility and when emergencies exceed the capabilities of local jurisdictions.**

- Determine responsibility and whether any action is being taken and if necessary, initiate the necessary action.

**As required per West Virginia Code, seek reimbursement for actual cost of response action performed by DEP-HSER from entities responsible for the impact to reduce the financial burden on the state and citizens.**

**Responses by Homeland Security and Emergency Response Unit**

# Office of Oil and Gas

## Department of Environmental Protection

### Mission

The Office of Oil and Gas' mission is to protect public health, the environment, and other natural resources through the regulation of oil and gas resource development, and the protection and restoration of abandoned oil and gas sites, while understanding the need for the development of additional oil and gas resources.

### Operations

- Monitors and regulates all actions related to the exploration, drilling, storage, and production of oil and natural gas via both traditional and horizontal drilling technologies, and the protection and restoration of abandoned oil and gas sites.
- Tracks more than 61,000 active and 14,000 inactive oil and gas wells.
- Reviews and processes oil and gas well work and underground injection control permit applications.
- Plugs and reclaims abandoned wells and well sites.
- Administers the federal EPA Class II and Class III underground injection control program.
- Responds to citizens' concerns, emergencies, and spills.

### Goals/Objectives/Performance Measures

Review and process oil and gas well work permit applications in a timely manner.

- Process administratively complete permit applications required by the Horizontal Well Act in an average of 90 days from receipt and all administratively complete conventional well permit applications in an average of 25 days from receipt.

- Participate in community outreach events:
  - \* DEP Day at the Legislature
  - \* Wirt County Wetland Days
  - \* Career Day at Stonewall Jackson Middle School
  - \* Career Day at Poca Middle School

**Maintain transparency.**

- Make available to the public all well related documents through the electronic document warehouse.
- Make mapping and database search tools available to the public.

# Surface Mine Board

## Department of Environmental Protection

### Mission

The mission of the Surface Mine Board is to provide fair, efficient, and equitable treatment of appeals of environmental enforcement and permit actions as set forth in the West Virginia Code.

### Operations

The West Virginia DEP has been authorized by the federal Department of Interior to administer West Virginia's mining permitting and enforcement program. Pursuant to that authorization, the Surface Mine Board is essential in providing the opportunity and forum for appeals of administrative decisions on permitting and enforcement in West Virginia's program. (Without an administrative hearing body, the Department of Interior's Office of Surface Mining Regulation and Enforcement could not delegate primacy to West Virginia to administer the mining program.)

- Ensures that the board activities comply with the Administrative Procedures Act, West Virginia Open Meetings Act, Surface Mine Board's procedural rules, and FOIA.
- Keeps current hearing notices and final orders on the board's website.

### Goals/Objectives/Performance Measures

- Issue a ruling within 30 days after the case is submitted for decision, as required by the West Virginia Surface Mine Regulations.

# Air Quality Board

## Department of Environmental Protection

### Mission

The Air Quality Board adjudicates air quality appeals in a fair, efficient, and equitable manner for the people of West Virginia.

### Operations

The West Virginia DEP has been authorized by the federal EPA to administer West Virginia’s air quality permitting and enforcement program. Pursuant to that authorization, the Air Quality Board is essential in providing the opportunity and forum for appeals of administrative decisions on permitting and enforcement in West Virginia’s program. (Without an administrative hearing body, the federal EPA could not delegate primacy to West Virginia to administer the air programs.)

- Provides an administrative remedy for disputes arising from permitting and enforcement activities of the DEP, Division of Air Quality.
- Provides the public with a step-by-step guide of the appeal process, docket of appeals pending, keyword search of digitized final orders, meeting dates, agendas, and minutes.
- Promulgates procedural rules governing the Air Quality Board.
- Ensures that board activities comply with the Administrative Procedures Act, West Virginia Open Meetings Act, the Air Quality Board’s procedural rule, and FOIA.

### Goals/Objectives/Performance Measures

- Comply 100% with the Administrative Procedures Act, West Virginia Open Meetings Act, and procedural rules governing appeals before the Air Quality Board.<sup>1</sup>
- Resolve 75% of all appeals filed and in process.

# Oil and Gas Conservation Commission

## Department of Environmental Protection

### Mission

The mission of the West Virginia Oil and Gas Conservation Commission is to foster, encourage, and promote the exploration for and the production and conservation of oil and gas resources, while protecting and enforcing the correlative rights of operators and royalty owners.

### Operations

- Approves oil and gas deep well drilling permits.
- Conducts hearings on matters relating to the exploration for or the production of oil and gas from deep wells relating to the determination of the optimum spacing of wells, and the pooling of the interests of royalty owners and operators of a drilling unit.
- Fosters, encourages, and promotes exploration for the development, production, utilization, and conservation of oil and gas resources.
- Prohibits waste of oil and gas resources and unnecessary surface loss of oil and gas.
- Encourages the maximum recovery of oil and gas.
- Safeguards, protects, and enforces the correlative rights of operators and royalty owners in an oil or gas pool to ensure each operator and royalty owner may obtain a just and equitable share of production from such a pool.
- Provides the public with a step-by-step guide of administrative hearings, orders issued and pending, meeting dates, agendas, and minutes.
- Promulgates procedural rules governing the Oil and Gas Conservation Commission.
- Ensures the commission’s activities comply with the Administrative Procedures Act, the West Virginia Open Meetings Act, the Oil and Gas Conservation Commission’s procedural rule, and FOIA.

# Solid Waste Management Board

## Department of Environmental Protection

### Mission

The Solid Waste Management Board (SWMB) promotes the efficient and economical collection and proper recycling, reuse, and disposal of solid waste by providing assistance to government agencies, private industries, and the general public to ensure proper and integrated solid waste management practices.

### Operations

- Provides business training and technical assistance to 50 local solid waste authorities and other governmental entities.
- Conducts biennial performance reviews of public solid waste facilities and reviews all solid waste authorities' financial audits.
- Provides grants and loans for solid waste disposal projects and routine funding to local solid waste authorities.
- Provides technical support in the development and updating of comprehensive litter and solid waste control plans.
- Provides technical support in the development and updating of commercial solid waste facility siting plans.
- Publishes the statewide *Solid Waste Management Plan* with biennial updates.
- Finances public solid waste facilities' projects through loans and bonds.

### Goals/Objectives/Performance Measures

### Programs

#### BUSINESS AND FINANCIAL ASSISTANCE PROGRAM

This program will continue to provide solid waste authorities and local government entities with training to improve their business and technical knowledge; helping them run their operations in a more effective way, thereby increasing revenue and ensuring their long-term viability. This will assist in the Board’s legislative mandate to conduct performance reviews of solid waste authorities that operate a commercial solid waste facility, and help foster accountable, effective, and efficient facility operations. This level of funding includes \$100,000 that will be available for loans to local solid waste authorities that have a public solid waste facility for solid waste projects.

### BBHBF - PROGRAMS (CONSUMER AFFAIRS AND COMM. OUTREACH OFFICES)

Staff in the programs area are charged with the development, implementation, and oversight of the statewide community-based behavioral health continuum of care including services for individuals with intellectual and/or developmental disabilities. Programs staff must ensure that individuals with mental health, substance abuse, and/or intellectual/developmental challenges have accessible meaningful treatment, rehabilitation, and support services in the least restrictive environment suitable to their needs. Funding is provided to the state's thirteen community based comprehensive behavioral health centers and other non-comprehensive behavioral health providers to support the availability of a range of treatment, rehabilitative, and support services options. Funding supports the implementation of prevention services, promotion activities, early intervention strategies and recovery and wellness supports including targeted supports focusing on suicide prevention, addiction services, and services supporting the unique needs of special population groups (e.g. substance involved pregnant women, Veterans, individuals with a traumatic brain injury).

# Children's Health Insurance Program

## Mission

The mission of the Children's Health Insurance Program (CHIP) is to provide quality health insurance to eligible children in a cost-effective manner and to strive for a health care system in which all West Virginia children have access to health care coverage.

## Operations

- Provides health care coverage to enrolled children by utilizing existing processes for determining eligibility through DHHR.
- Utilizes PEIA contracts for Pharmacy Benefit Management.
- Monitors the quality of health care utilized by members through a core set of pediatric measures annually.<sup>1</sup>

## Goals/Objectives/Performance Measures

### Enhance children's access to health care coverage.

- Increase the percentage of insured children from 97.9% in 2016 to 99.5% by 2020 based on Annual Community Survey estimates.

### Enhance the utilization of preventive care services.

- Increase the percentage of adolescents receiving well-child visits by 2.5% per year through FY 2021.<sup>2</sup>

Fiscal Year	Percentage of adolescents receiving a well-child visit
Actual 2017	42.3%
Actual 2018	45.2%
Estimated 2019	46.3%
Actual 2019	36.0%
Estimated 2020	38.5%
Estimated 2021	41.0%

### Ensure necessary medical, dental, and pharmaceutical coverage is provided to all enrolled children while containing program costs and maintaining program integrity.

- Enroll all eligible uninsured children willing to participate in the West Virginia CHIP.<sup>3</sup>

Fiscal Year	Children enrolled in program (monthly average)
Actual 2017	20,970
Actual 2018	21,468
Estimated 2019	22,000
Actual 2019	22,175
Estimated 2020	22,500
Estimated 2021	23,000

<sup>1</sup> These measures are reviewed and reported in CHIP's Annual Report provided each year on January 1.

<sup>2</sup> CHIP publishes this measure through CMS and our Annual Legislative report, and the measure will continue to be refined.

<sup>3</sup> CHIP has three enrollment groups: CHIP Gold, CHIP Blue, and CHIP Premium. The first two groups are for children in families with incomes at 150% of the Federal Poverty Level (FPL) and below and with incomes more than 150% and up to 211% FPL, respectively. CHIP Premium is the enrollment group for children in families with incomes more than 211% of the FPL; this group requires monthly premium payments to continue enrollment.

## Children's Health Insurance Program

- Limit the change in the annualized cost per child to 10% or less each year.

Fiscal Year	Change in annualized cost per child	Annualized cost per child
Actual 2017	16.2%	\$2,200
Actual 2018	3.7%	\$2,282
Estimated 2019	10.0%	\$2,662
Actual 2019	1.8%	\$2,322
Estimated 2020	10.0%	\$2,554
Estimated 2021	10.0%	\$2,809

- Manage drug cost trends by maintaining a generic drug utilization rate of 80% or greater.<sup>4</sup>

Fiscal Year	Generic prescription drug utilization
Actual 2017	89.0%
Actual 2018	89.8%
Estimated 2019	89.0%
Actual 2019	90.5%
Estimated 2020	90.0%
Estimated 2021	90.0%

#### CHILDREN'S HEALTH INSURANCE PROGRAM

The mission of the West Virginia Children's Health Insurance Agency is to provide quality health insurance (WV CHIP) to eligible children in a cost-effective manner and to strive for a health care system in which all West Virginia children have access to health care coverage

<sup>4</sup> Since not all prescription drugs are available in generic form, the previous industry benchmark was 80% and CHIP outperformed this in FY 2018 and FY 2019. Because CHIP exceeded this benchmark, the FY 2020 and FY 2021 goals are set at 90% to maintain this high generic utilization rate that equates to savings for the plan.

# Human Rights Commission

## Department of Health and Human Resources

### Mission

The mission of the West Virginia Human Rights Commission is to implement the provisions of the West Virginia Human Rights Act, Fair Housing Act, and Pregnant Workers Fairness Act which address three distinct areas of possible discrimination: employment, public accommodations, and the sale, purchase, lease, rental, or financing of housing accommodations or real property.

### Operations

- Receives complaints from the public of unlawful discrimination in the areas of employment, public accommodations, or housing.
- Notifies the U.S. Department of Housing and Urban Development (HUD) via memo in the event of a housing claim/case. (This is now termed “dual filed” since it is recorded with the Human Rights Commission and with HUD.)
- Notifies the U.S. Equal Employment Opportunity Commission (EEOC) via computer in the event of an employment claim/case. (This is also termed “dual filed” since it is recorded with the Human Rights Commission and EEOC.)
- Investigates cases of alleged unlawful discrimination through contact with clients and/or research of documents that are vital to the decision of the case.
- Closes each case either by: (1) making a determination of “no probable cause,” meaning not enough evidence was found to forward the case to the Human Rights Commission’s Administrative Law Judge(s) for adjudication, or (2) by making a determination of “probable cause” and forwarding the case to the Administrative Law Judge(s) for adjudication and issuance of a final decision on the merits.
- Promotes relationships with business, labor, secondary and higher education systems, and the public at-large to create opportunities discouraging discrimination in employment, public accommodation, and housing.
- Implements educational outreach programs that create a climate of mutual understanding and respect among all persons who, because of race, religion, color, national origin, ancestry, sex, age, blindness, handicap (disability), or familial status, may be subject to discrimination in employment, public accommodation, or housing.

### Goals/Objectives/Performance Measures

Recruit, hire, and retain a well-trained staff who provide efficient and effective services to properly qualified persons who receive services under the West Virginia Human Rights Act, Fair Housing Act, and Pregnant Workers Fairness Act.

- Provide monthly skill-building training for all staff.
- Have all new housing investigators complete HUD training within 12 months of being hired.

# Adjutant General

## Department of Military Affairs and Public Safety

### Mission

The Adjutant General is responsible for providing Army and Air National Guard units with personnel who can successfully mobilize and deploy soldiers to meet federal and state missions and add value to the communities in which we live, work, and serve. The federal role is to support national security objectives while being prepared to meet the state mission requirements of protecting life and property and preserving peace, order, and public safety.

### Operations

- Serves as command headquarters for the operations of all Army and Air National Guard units within West Virginia.
- Administers force protection (protection of facilities and infrastructure of West Virginia) for the Army National Guard.
- Provides and maintains armories in communities throughout the state to house National Guard units and provide community emergency centers.<sup>1</sup>
- Continues the armory construction program for the 21st-century.
- Offers voluntary educational improvement to National Guard members to further their education and meet the needs of the Guard and its employees.
- Participates in community support by providing training for engineer units with equipment for minor construction projects.
- Provides an educational program for at-risk youth through the Mountaineer ChalleNGe Academy to assist them in getting a high school equivalency certificate or their high school diploma, and to provide educational instruction in the areas of life coping skills, employability skills, health and hygiene, citizenship, community service, physical training, and leadership/followership skills.
- Offers classroom instruction in science, technology, engineering, and math (STEM) through the Starbase Academies to fifth grade students and afterschool mentoring programs for middle school students.

### Goals/Objectives/Performance Measures

- Maintain the personnel strength of all National Guard units at or greater than the maximum readiness levels authorized by the National Guard Bureau each year.

Fiscal Year	Army Guard authorized strength	Army Guard actual strength	Air Guard authorized strength	Air Guard actual strength
Actual 2017	4,177	4,208	1,993	2,170

#### CIVIL AIR PATROL

The West Virginia Wing (WVWG) consists of 600+ volunteers of Civil Air Patrol who provided thousands of hours to the state supporting three main mission areas: Emergency Services, Aerospace Education and Cadet Programs. Disaster relief mission tasking included aerial imagery to identify damage assessment, debris fields obstructing waterways, and standing water that may cause mosquito infestation. WVWG provides geotagged high resolution photos to state entities and the Federal Emergency Management Agency (FEMA) to prioritize aid and relief efforts. Counterdrug operations is another vital mission for WVWG due to the rampant epidemic of drug usage within the state.

WVWG has a strong history of success with its youth cadet program, which is open to children from age 12-20 years old. Growing the next generation of leaders in Aerospace and better citizens for the State of West Virginia and America is a mission which is embraced throughout WVWG. From flying in powered aircraft and gliders to learning lifesaving skills as part of ground team search and rescue, these cadets are learning community service and critical leadership skills.

## Department of Military Affairs and Public Safety

### Mission

The mission of the West Virginia Division of Corrections and Rehabilitation (DCR) is to enhance public safety, promote offender accountability, and successfully reintegrate offenders into society.

### Operations

#### *Bureau of Training and Staff Development*

- Provides quality training programs to ensure professional staff development and compliance of each correctional program, with annual in-service standards for training as provided by the American Correctional Association (ACA).
- Provides a required six-week basic training program for correctional employees upon hire and specialized training programs as necessary.
- Administers promotion tests for Correctional Officer IV through Correctional Officer VII.

#### *Bureau of Prisons and Jails*

- Provides total operational support including food services, laundry services, religious services, diagnostic and classifications services, work program services, counseling services, educational services, inmate medical/mental health services, and commissary services to approximately 11,000 inmates.
- Provides diagnostic and evaluation services for individuals committed for such testing by the judicial system.
- Ensures all inmates are afforded the avenue for rehabilitation through programs offered prior to release.
- Provides a statewide inmate medical/mental health program in compliance with the ACA and the National Commission on Correctional Health Care Standards.
- Provides the magisterial operations for inmate disciplinary hearings at all adult facilities, work release centers, and the Anthony Correctional Center for young adult offenders.
- Implements reentry program plans for adult felons, providing progressive and comprehensive treatment plans from the initial date of incarceration to community placement.
- Provides quality products at competitive pricing using inmate workforce and civilian supervision through West Virginia Correctional Industries.
- Provides employment for the current inmate workforce in the areas of printing, license plates, furniture reupholstering, new furniture, graphics, mattresses, and linens; and expands new industries to employ as many additional inmates as possible under the market-driven concept of industries.
- Teaches work skills and work ethics beneficial to inmates for gainful employment upon release from state custody.

#### *Bureau of Community Corrections*

- Provides supervision to 3,400 parolees/interstate probationers to ensure these individuals are meeting their terms of parole for eventual successful discharge.
- Prepares post sentence investigations on all sentenced inmates to determine potential parole release.
- Provides interstate compact services in compliance with applicable rules and regulations.
- Provides housing located in Charleston, Parkersburg, and Beckley for 461 adult male and female convicted felons as they progress from institutionalized status to reentry status.
- Provides basic life skills, outside community employment, educational opportunities, and counseling transitional programs.
- Provides inmate work crews to the Division of Highways and other community agencies.
- Provides an intense, comprehensive, quality, educational, and treatment-oriented correctional program for first time male and female offenders between the ages of 18-23 adjudicated under the Youthful Offender Act.
- Implements standardized admission and assessment processes, and stimulates the continued improvement of the unit management concept, including the utilization of new and specialized treatment programs based on residents' needs.

## *Division of Corrections and Rehabilitation*

### ***Bureau of Juvenile Services***

- Initiates programs, measures, and systems to ensure compliance with the national standards.
- Manages 18 day and evening reporting centers as community-based alternatives to detention for a target group of minor respondents who may otherwise be detained as a result of their actions. Juveniles between the ages of 10 and 18 participate for up to six months (depending on need) in lieu of placement outside of the home.
- Administers 10 West Virginia facilities that serve as a temporary and/or long-term residential placement where juvenile offenders serve the sentence as handed down by circuit court judges.

### ***Bureau of Intergovernmental Affairs***

- Provides direct services to victims of crime by ensuring they are properly notified of changes in an offender's custody status.
- Ensures victims of crime have the opportunity to be heard as part of an offender's post sentence investigation and at parole hearings.
- Provides constituent services by addressing issues reported by offender families, local stakeholders, and community leaders.
- Ensures proper responses to complaints and community feedback.
- Administers the requirements of the Public Employee's Grievance procedure on behalf of the Commissioner.

### ***Bureau of the Inspector General***

- Provides professional investigative services to properly respond to serious incidents involving staff or inmates. Reports on findings are provided to agency leadership, law enforcement, and compliance bodies to ensure policy and procedure expectations are being met.
- Establishes a statewide comprehensive safety plan for staff and offenders and monitors conditions at facilities to ensure workplace safety and environmental health standards are being maintained.
- Operates the Prison Rape Elimination Act compliance office, which establishes standards for the reporting, investigation, and response to allegations of sexual harassment or abuse of offenders in custody.
- Provides audits to determine compliance with internal controls, fiscal, purchasing, procurement, and contract process.

## **Goals/Objectives/Performance Measures**

### ***Facility Evaluation***

**Complete an evaluation of all facilities for the most appropriate place to house each type of offender.**

- Examine feasibility of establishing units for prison status offenders that would offer a full range of offender rehabilitation programs under the unit management staffing model.
- Conduct comprehensive evaluation of all prison, jail, community corrections and juvenile facilities including an assessment of the physical plant of each institution, the inmate population size and type, and classification of inmates.
- Conduct pilot of a new inmate classification system for implementation in the 10 regional jails.
- Design comprehensive inmate work program for the jails based on the revised classification system.
- Conduct staffing analyses at all WVDCR facilities to determine the optimal use of staff positions and make adjustments.

### ***Recruiting and Retention***

**Continue to develop innovative ways to attract and retain new employees.**

- Establish advertising strategy that leverages social media use and other successful forms of outreach and recruitment.
- Revise exit interview process to obtain better data related to staff retention.
- Develop a retention plan focused on specific goals to enhance and promote employee retention.

### ***Recidivism Reduction***

**Evaluate the application of evidence-based practices and the implementation and operation of procedures proven to reduce recidivism.**

- Develop a comprehensive agency strategy to address the lack of safe and appropriate transitional housing options for releasing offenders in FY 2020.

## Division of Corrections and Rehabilitation

- Perform a comprehensive analysis of practices in the area of transition from prison to the community and make recommendations for improvement to review and implement.
- Develop a comprehensive system of measurement so that leadership has a better understanding of the agency's ability to meet programming goals.
- Investigate the current state of research and availability of validated assessment tools to measure offender substance abuse severity.

Three-Year Cohort Rate	Prison recidivism rates
Actual 2011-14	26.7%

# Division of Homeland Security and Emergency Management

## Department of Military Affairs and Public Safety

### Mission

The mission of the West Virginia Division of Homeland Security and Emergency Management (WVDHSEM) is to coordinate with other agencies and organizations for the protection of life and property through prevention, preparedness, response, recovery, and mitigation actions related to natural and man-made events.

### Operations

#### *Recovery Programs Coordination*

- Provides disaster recovery planning assistance to citizens, businesses, and nongovernmental and governmental agencies in order to reduce long-term disaster impacts.
- Provides technical assistance and implements certain state and/or federal programs to assist citizens, businesses, and nongovernmental and governmental agencies in recovering from a disaster.

#### *Hazard Mitigation Assistance*

- The Hazard Mitigation Grant Program assists in implementing long-term hazard mitigation planning and projects following a Presidential major disaster declaration.
- The Pre-Disaster Mitigation Program provides funds for hazard mitigation planning and projects on an annual basis.
- The Flood Mitigation Assistance Program provides funds for planning and projects to reduce or eliminate risk of flood damage to buildings that are insured under the National Flood Insurance Program on an annual basis.
- Coordinates the development and implementation of the “State All-Hazards Mitigation Plan.”
- Administers grant funding intended to reduce the loss of lives and property from future disasters.
- Assists local governments with the development and implementation of their all-hazards mitigation plans.
- Takes action to reduce or eliminate long-term risk to people and property from natural hazards.

#### *Public Assistance*

- Provides federal assistance to government organizations and certain non-profit organizations following Presidential disaster declarations.
- Provides grants to state and local governments and certain types of private non-profit (PNP) organizations so that communities can quickly respond to and recover from major disasters or emergencies.
- Encourages protection of these damaged facilities from future incidents.

#### *Area Liaisons*

- Provides support to local emergency management agencies, first responders, and other stakeholders in each of the six Homeland Security regions across West Virginia.
- Serves as the primary point of contact in the implementation of WVDHSEM preparedness programs for local stakeholders.
- Responds to county emergency operations centers as needed during response activities.

#### *Training*

- Maintains WVDHSEM training database (CourseMill).
- Reviews and recommends qualified training for course offerings.
- Provides services to both hardware and software used within the agency.
- Maintains training records of WVDHSEM employees.
- Develops recommendations for required training and plans for meeting National Qualification System (NQS) standards.

## *Division of Homeland Security and Emergency Management*

### ***Exercises***

- Provides technical support in the development exercises to support agency.
- Arranges and coordinates training related to the Homeland Security Exercise and Evaluation Program (HSEEP) standards.
- Supports local agencies in the development of HSEEP exercises.
- Reviews and evaluate HSEEP exercises.

### ***Geographic Information Systems***

- Provides support to agency programs through the development of specialized mapping products.
- Coordinates activities associated with the State Address Matching Board.

### ***Interoperable Communications***

- Provides administrative oversight and technical assistance to support the West Virginia statewide interoperability coordinator and the West Virginia State Interoperable Radio Network to promote and provide interoperable communications for the state.
- Assists with the deployment of standby interoperable communications resources (staff and equipment) in cooperation with other state agencies and the statewide interoperability coordinator.
- Coordinates and has a lead role working with the Statewide Interoperable Executive Committee for coordination and implementation of the First Responder Network Authority (FirstNet) in the state.

### ***Watch Center***

- Provides around-the-clock initial contact for all emergency management operations within West Virginia, monitoring for situational awareness in an all-hazards environment and monitoring of the state's SOS radio channel for first responders.
- Provides around-the-clock operation of the Mine and Industrial Accident Rapid Response Call Center according to West Virginia Code, including the support of mine rescue operations.
- Records and logs all calls received on the Mine and Industrial Accident Rapid Response lines, DEP's Emergency Spill Reporting line, the Oil and Gas Reporting line, the State Fire Marshal's Arson hotline, and the Safe Schools Help Line, forwarding calls to the appropriate state or local entity for processing.
- Provides after-hours contact for the Department of Agriculture and the state Aviation Division, staff members, and the public.
- Provides a contact for search and rescue resource requests.

### ***State Emergency Operations Center***

- Activates during state emergencies to respond to and coordinate resources and assistance needed by local emergency management and other emergency response agencies to protect lives and property, and to provide direct assistance to citizens.
- Provides emergency response assistance to local jurisdictions during major events that exceed local capability or are incidents that fall within the responsibility of state agencies to respond. This includes enhanced communications, transportation, incident command assets, hazardous materials detection, and other resources.
- Coordinates search and rescue assets within the state, including governmental and nongovernmental resources.
- Maintains internal continuity of operations plans and procedures to ensure resilience of the State Emergency Operations Center and other critical agency functions.

### ***Integrated Flood Operations and Warning Flood System***

- Maintains and operates the Integrated Flood Observation and Warning System (IFLOWS) equipment, more than 1,000 weather sensors comprised of 116 full-spectrum meteorological stations.
- Maintains a total of 340 automated, radio-reporting rain gauges, automated radio-reporting stream gauges, and repeaters in conjunction with the U.S. Army Corps of Engineers, the U.S. Geological Survey, and private sector partners.

### ***Preparedness Grants Management***

- Develops the state's application and manages the fiscal and programmatic activity of the Emergency Management Performance Grant, the State Homeland Security Grant, and the Nonprofit Security Grant.

## *Division of Homeland Security and Emergency Management*

- Provides support to state, county, and municipal agencies, as well as nonprofit partners in the develop of grant projects.
- Ensures the state is complying with federal requirements to be eligible to receive preparedness grants.

### ***State Emergency Response Commission***

- Maintains a program for the collection and dissemination of hazardous and toxic materials information to the public and first responders as required under federal and state laws.
- Collects hazardous materials fees from companies that store or use such materials.

# State Fire Commission

## Department of Military Affairs and Public Safety

### Mission

The mission of the State Fire Commission is to improve the quality of life of the citizens of West Virginia through leadership, development, and administration of fire safety programs that reduce loss of life and property through education, inspections, investigations, certification and licensure, building plan review, and enforcement of fire safety laws.

### Operations

#### *State Fire Commission*

- Establishes policy and provides overall direction to the agency.
- Acts as liaison between the agency, the Legislature, and the Governor.

#### *State Fire Marshal's Office*

- Implements and enforces policies established by the Legislature, the Governor, the department secretary, and the State Fire Commission.
- Enforces all laws and rules regarding fire, arson, and explosives.
- Enforces all fireworks laws, rules, and regulations.
- Enforces and administers the licensure requirements for electrical, explosives, pyrotechnician, and fire protection industries.
- Enforces and administers the certification programs for electrical inspectors, home inspectors, and building code officials.
- Inspects facilities and issues building occupancy permits for educational, detention, health care, and certain other occupancies.
- Provides oversight for fire departments to ensure compliance with West Virginia Code, statutes, and rules, and ensures compliance with other policies and requirements as established by the State Fire Commission.
- Reviews building plans and provides planning assistance for compliance with the State Fire Code and other national standards for new structures prior to construction and renovations to existing structures.
- Designs and implements fire prevention and life safety programs for the general public, workplaces, schools, and other occupancies.
- Coordinates and analyzes fire data from all West Virginia fire departments.
- Encourages in-service and specialized training to fire departments, emergency responders, and other specific groups in mission-related areas.
- Enforces testing certification of the fire-safe cigarette program for tobacco manufacturers selling their products in the state.
- Increases awareness within the architectural, engineering, and construction communities of the need to submit plans for review by continued attendance, interaction, and education with West Virginia Architects' Association, West Virginia Association of County Governments, West Virginia Municipal League, and West Virginia Building Code Officials Association.

### Goals/Objectives/Performance Measures

**Reduce the number of arson injuries, deaths, and property losses statewide by increasing attention to community risk reduction, public safety education, and arson awareness throughout West Virginia via state fire data reporting, increased public safety program offerings, the West Virginia Arson Hotline, and radio public service announcements.**

- Increase media messages referencing general fire safety practices, arson awareness, and other pertinent public safety information via television, public service announcements, radio interviews, billboards, social media, and the agency's website.<sup>1</sup>

<sup>1</sup> Restructuring of the agency has permitted the hiring of public educators, which will allow for network training of community service organizations to allow for more hands-on experience within all communities statewide.

## State Fire Commission

**Reduce the number of preventable unintentional fire-related injuries and deaths, as well as property loss, in the state.**

- Restrict the number of fire deaths statewide to 50 or less.

Fiscal Year	Fire deaths in West Virginia
Actual 2017	70
Actual 2018	56
Estimated 2019	50
Actual 2019	43
Estimated 2020	40

Actual 2018	65%
Estimated 2019	65%
Actual 2019	81%
Estimated 2020	80%
Estimated 2021	85%

- Respond to all valid complaints within 48 hours.

- ✓ Current completion rate estimated at 90%.

- Enhance public outreach and networking with fire departments and other stakeholders with fire safety education through classroom and online resource training and by providing fire safety and prevention messaging via Facebook and Twitter.

**Enhance efforts to assist outside agencies in promoting and sustaining smoke alarm programs for high-risk fire groups such as seniors and people with disabilities.**

- Provide training assistance on smoke alarm installation, fall prevention, distribution and tracking programs to agencies offering home-based services to high-risk consumers, and to community organizations providing services to seniors and others with disabilities.

**Promote and provide educational resources to the public pertaining to fire safety with an increased awareness in all areas, including water-based fire protection for residential and commercial use.**

- Ensure the public is provided messages pertaining to fire safety and the use of passive- and active-fire protection systems via billboard, radio, television, the web, and press releases.

**Improve the efforts of the State Fire Marshal's Office to support fire departments.**

- Continue to develop online reporting tutorials and data analysis for the agency website in FY 2021.
- Continue the implementation of the fire data analysis class delivery to all West Virginia fire departments in need of training through FY 2020.
- Continue the second five-year rotation for the evaluation of all fire departments to ensure compliance with the Fire Commission Legislative Rule in FY 2020.

# West Virginia Parole Board

## *Department of Military Affairs and Public Safety*

### **Mission**

The mission of the West Virginia Parole Board is to release those inmates eligible for parole who will not be a menace, danger, or threat to society and who have displayed suitability for early release based upon all available information.

### **Operations**

- Complies with court orders and statutes.
- Conducts careful analytical studies of court orders and files that lead to establishing proper parole eligibility dates.
- Issues monthly institutional parole interview lists.
- Provides notice of upcoming hearings to the sentencing judge, prosecuting attorney, victims, and arresting officers.
- Supplies documents to inmates prior to parole hearings.
- Interviews inmates who are eligible for parole.
- Conducts careful analytical reviews of information in filed statements made by inmates during parole hearings held by three Parole Board members.
- Considers all facts and testimony of the preliminary parole revocation hearings and determines if a final revocation hearing should be held or if reinstatement to parole status should be issued.
- Reviews all parolee cases eligible for discharge from parole.
- Reviews executive clemency applications (investigates and processes recommendations for the Governor).
- Educates victims of crime regarding the parole process and the inmates' development.
- Makes an effort to provide avenues for the parolees to secure an approved home plan and treatment plan as required by the WVDCR and the West Virginia Parole Board.<sup>1</sup>

### **Goals/Objectives/Performance Measures**

- Continue to use evidence-based hearing/decision-making practices in all parole hearings in FY 2021.
- Conduct parole interviews with all parole eligible inmates within the mandated time frames.

Fiscal Year	Average number of delayed parole hearings
Actual 2017	4%
Actual 2018	6%
Estimated 2019	1%
Actual 2019	7%
Estimated 2020	4%

# West Virginia State Police

## Department of Military Affairs and Public Safety

### Mission

The mission of the West Virginia State Police (WVSP) is the statewide enforcement of criminal and traffic laws with emphasis on providing basic enforcement and citizen protection from criminal depredation throughout the state and maintaining the safety of the state's public streets, roads, and highways.

### Operations

**Maintains a well-educated, professional law enforcement officers to ensure the protection of every citizen's rights and liberties.**

- Provides basic training and certification for all law enforcement agencies in the state at the West Virginia State Police Academy.
- Offers advanced training to all law enforcement at the Professional Development Center.

**Investigates allegations of misconduct made against troopers and civilian employees by the public.**

- Provides the Professional Standards Section (whose director reports directly to the superintendent) with an inspector assigned to investigate internal and external complaints and to provide the findings to the director.

**Maintains law enforcement support programs to provide assistance to the state's criminal justice agencies.**

- Maintains the state's only forensic laboratory (utilized by all law enforcement in West Virginia—approximately 75% of the cases tested are for law enforcement agencies other than the WVSP).
- Employs four sworn members as pilots that work under the Aviation Division/Department of Administration. These four troopers fly WVSP missions and other missions for law enforcement agencies and other divisions of state government.
- Maintains the state's repository for all criminal history, sex offender, child abuse, applicant background, and concealed weapon permit information.
- Administers the West Virginia Automated Police Network (WEAPONS) system that supports all law enforcement and 911 centers throughout the state.
- Maintains the state's motor vehicle inspection program and establishes inspection stations throughout the state.

**The West Virginia State Police investigates criminal offenses and enforces traffic laws on the state's highways.**

- Provides 57 detachments throughout the state that respond to calls for service, investigate crimes, and enforce traffic laws on the state's highways.
- Maintains a specialized Crimes Against Children Unit staffed with troopers who investigate a variety of crimes involving children in sexual and physical abuse, including a digital forensic team dedicated to investigating Internet crimes against children.
- Maintains a special operations division; Special operation members specialized as snipers, high-alert entry K-9 handlers and bomb technicians strategically assigned throughout the state are deployed from the detachments to which they are assigned, performing normal tasks of a field trooper.
- Maintains a dedicated troop assigned to the West Virginia Parkways Authority to enforce traffic laws on the 88-mile stretch of the West Virginia Turnpike.
- Provides sworn members working in a variety of specialized fields that include covert assignments, polygraphy, drug diversion (prescription abuse), intelligence analysis, gaming, lottery, executive protection for the Governor, insurance fraud, and other white collar crimes.

### Goals/Objectives/Performance Measures

**Concentrate on violent criminal investigations (murder, rape, robbery, assaults) that may result in additional state and federal felony arrests.**

## West Virginia State Police

- Maintain a state crime rate regarding violent crimes below the national average of 5.4 violent crimes per 1,000 population (age 12 or older) as reported by the FBI-Uniform Crime Reporting, April 2016, for data through June 2015.

Calendar Year	West Virginia violent crime incidents (per 1000 population)	Clearance rate for crimes investigated by WVSP <sup>1</sup>

Perry Bennett/Office of Reference and Information

## Mission

The mission of the Office of Cabinet Secretary for the Department of Revenue (DOR) is to lead, oversee, and coordinate each of the 10 agencies that comprise the DOR and assist with the following activities: implementation of agency goals, objectives, and policies; communication among the agencies and the Office of the Governor; deployment and alignment of resources to advance administration priorities; and development of fiscal policy and generation of accurate fiscal information for revenue forecasting and budgeting purposes.

## Goals/Objectives

- Develop fiscal policy and annually prepare the Governor’s Executive Budget through the State Budget Office.
- Assist DOR agencies in applying management tools and principles, including development and monitoring of measurable management objectives, adherence to standard operating procedures, and deployment of suitable technology.
- Foster improvements that increase accessibility and responsiveness to citizens of West Virginia, whom the agencies serve.
- Evaluate major agency programs and projects as to the current effectiveness and determine whether a program or project should be strengthened, reenergized, revamped, scaled back, privatized, combined with another agency’s program or project, or discontinued, all with a view toward furthering the agency’s core functions and the administration’s priorities.
- Identify relevant policy issues and undertake appropriate legislative and rule-making initiatives.
- Develop procedures for the Office of Cabinet Secretary’s oversight of DOR agency budgets, policy development, organization, contract management, procurement, litigation management, public information, technology deployment, fleet usage, travel, continuation of operations, and reporting.
- Encourage effective personnel development and strategic succession plans within each agency.

### UNINSURED EMPLOYER'S FUND

The Uninsured Employer's Fund was created to pay the claims of injured workers whose employers did not have insurance coverage in place on the date of injury. The Insurance Commissioner will assess (as necessary) private carriers of workers' compensation insurance to maintain solvency of the Uninsured Employer's Fund. The assessment may be in the form of a pass-through to insured employers. The commissioner may also assess, if necessary, self-insured employers in order to maintain fund solvency. An injured worker may receive compensation from the Uninsured Fund if he or she meets all jurisdictional and entitlement provisions.

# Racing Commission

## Department of Revenue

### Mission

The mission of the Racing Commission is to regulate the greyhound and thoroughbred racetracks in the state by enforcing the rules of racing and of pari-mutuel wagering rules.

### Operations

#### *Administration/Inspections*

- Provides personnel on site each race day at the racetracks to enforce the rules and laws of racing.
- Operates on-site testing areas to annually collect samples from more than 15,000 thoroughbreds and greyhounds to analyze for illegal drugs and substances.
- Issues occupational permits each day while collecting the appropriate fees and ensures all racing participants have been issued an occupational permit and are displaying the appropriate identification badges.
- Provides hearings through the Board of Stewards and Board of Judges to determine whether occupational permit holders have violated racing rules and collects any assessed fines at the conclusion of the hearings.
- Calculates and collects each race day the amounts due to recipients as set forth by statute.

#### *Medical Account*

- Identifies occupational permit holders potentially eligible for the Medical Account (approximately 3,000).
- Informs jockeys and other backside personnel who are injured on the job and have no insurance that this account is available to assist them and that certain criteria must be met before receiving any benefits.

#### *Supplemental Purse Awards*

- Provides a supplemental purse award to a winning thoroughbred's owner, breeder, and sire owner.

#### *West Virginia Greyhound Breeding Development Fund*

- Inspects breeding farms and sites in West Virginia to confirm whelping (birth) of greyhounds in West Virginia.
- Ensures all West Virginia residency requirements are met when acquiring or leasing a greyhound dam for breeding.
- Processes documentation of eligible West Virginia residents and eligible greyhounds in order to participate in the program.
- Administers the fund with regard to greyhound inspections and awards.

#### *West Virginia Thoroughbred Development Fund*

- Inspects thoroughbred farms and sites to confirm foaling (birth) of thoroughbreds in West Virginia.
- Inspects the accredited West Virginia sires to confirm year-round residency in West Virginia.
- Processes documentation of eligible West Virginia residents and eligible thoroughbreds in order to participate in the program.
- Administers the fund with regard to thoroughbred inspections and awards.

### Goals/Objectives/Performance Measures

#### *Racing Commission*

- Maintain current digital history reports for hearings and appeals pertaining to occupational permit holders, showing their previous violations of rules.
  - ✓ Completed implementation of computer software to network occupational permit data among tracks.

## Racing Commission

### Medical Account

- Ensure all Medical Account claims for benefits are valid with complete documentation before releasing any funds.

### Supplemental Purse Awards

- Pay an accurate, quarterly supplemental purse award to a winning thoroughbred's owner, breeder, and sire owner.

### West Virginia Greyhound Breeding Development Fund

- Inspect the whelping of all potentially participating greyhounds in West Virginia within 24 hours.
- Confirm by inspections that all of the participating greyhounds whelped in West Virginia remain in the state continuously for the first 12 months of their lives.

**Improve the fraud management system to curtail fraudulent tax returns.**

- Enhance fraud detection and curtailment efforts through partnerships and cooperative agreements with other states and industry providers, adding tools and techniques as varied threats evolve, and address threats to the integrity of the tax refund process.
  - ✓ Implemented a third-party solution in this area used by several other states with positive impacts. The 2019 tax year (2020 filing season) will be the first to have a fully implemented fraud analytics software and team.

**Maintain and upgrade technologies that will enhance revenue processing and data capture.**

- Finalize the third phase of scanning and check processing system upgrades used to image and process all tax return data and correspondence by end of calendar year 2019.
- Upgrade and replace the Integrated Assessment System utilized by the Property Tax Division and all West Virginia Counties. Tax anticipates contract award in last calendar quarter of 2019 and will begin implementation in calendar year 2020 with a three-year implementation timeline.

**Reduce the rate of unfiled returns in sales tax.**

- Decrease the rate of noncompliance and significantly reduce the number of unfiled tax returns, increasing the rate of compliance by 1% each year.
  - ✓ Implemented a registration and compliance effort following the Supreme Court decision in Wayfair v. South Dakota, along with marketplace facilitator legislation, resulting in registration of 2,802 out-of-state entities and total sales tax remittance in 2019 of more than \$13.2 million.

**Steadily increase collections from those who owe the state.**

- Increase collections from taxpayers in arrears by utilizing and advancing technological resources, continually enhancing outreach and customer service efforts, and streamlining the offer and compromise process to expedite payment plans for taxpayers who qualify.

## Mission

The Department of Transportation (DOT) provides the transportation-related services and infrastructure necessary to enhance the safe, efficient, and environmentally-sound movement of people and goods across a growing and economically progressive West Virginia.

The secretary of the DOT has direct managerial authority over the Division of Highways, Division of Motor Vehicles, Division of Public Transit, the Office of Administrative Hearings, the Aeronautics Commission, Public Port Authority, State Rail Authority, and West Virginia Parkways Authority. The authorities and commissions, which receive executive support from the Cabinet Secretary, are subject to further statutory control by independent boards appointed by the Governor.

## Goals/Objectives

### Create and maintain an outstanding intermodal transportation network.

- Maintain existing highways.
- Construct additional highway projects as funding will allow.
- Preserve the safety and structural integrity of the existing highway system.
- Provide better transit coverage to urban and rural West Virginia.
- Maintain a viable state-owned railroad system.
- Support river ports.
- Improve airline service to and from cities within the state and to airline hubs.

### Provide driver-related documents in an efficient and cost-effective manner.

- Continue improving the public's access to driver and vehicle licensing and driver safety programs.
- Continue improving operational efficiency through the automation of the Division of Motor Vehicles (DMV) and the Office of Administrative Hearings (OAH) systems.

# Aeronautics Commission

## Department of Transportation

### Mission

The mission of the Aeronautics Commission (WVAC) is to encourage, foster, and promote aviation as part of the transportation infrastructure for the state, region, and nation.

### Operations

- Administers state grant programs to match the Federal Aviation Administration’s (FAA) Airport Improvement Program funds awarded to public use airports.
- Coordinates activities to improve aerial navigation abilities.
- Identifies air transportation and infrastructure needs to meet immediate and future demands as part of the state’s transportation system.
- Coordinates the airport safety inspection program.
- Works with air carriers to preserve and expand air service to seven commercial airports in the state.
- Provides state grants (for projects not eligible for federal grants) to general aviation airports in the National Plan of Integrated Airports Systems (NPIAS).
- Aids airports in meeting safety and security requirements.
- Underwrites costs of conducting annual required firefighting and emergency training.

### Goals/Objectives/Performance Measures

#### Improve the aviation infrastructure in West Virginia.

- Provide ongoing funding assistance to airports to enable them to meet the local match requirements of FAA Airport Improvement Program (AIP) grants.
  - ✓ Provided matching funds to 13 eligible airports in FY 2019, matching \$26,246,341 in FAA funds for AIP projects.
- Provide \$300,000 in state grants to the state’s 24 NPIAS airports for projects ineligible for federal grants including commercial air service marketing and local share of match requirements for FAA AIP grants.
- Procure consultant to conduct Aviation Economic Impact Study (AEIS) of the 24 NPIAS airports; AEIS to be completed within 12 months of notice to proceed.
- Maintain the WVAC website to provide current information regarding the state’s airports, including a downloadable directory, commission meeting notices and minutes, and pertinent aeronautical events in the state.

#### Support air safety and security requirements.

- ✓ Provide grants for annual firefighter training and Mobile Aircraft Rescue and Firefighting Simulator annual maintenance contract.<sup>1</sup>

#### Increase the number of business and leisure traveler (commercial enplanements) by current industry trends.

Calendar Year	Change in statewide commercial enplanements
Actual 2017	3.0%
Estimated 2018	2.0%
Actual 2018	8.0%

## Department of Transportation

### Mission

The West Virginia Division of Highways is responsible for maintaining a safe and efficient highway system that will meet the needs of West Virginia citizens and all other individuals traveling through the state.

### Operations

#### Administration

- Enforces state laws governing outdoor advertising and salvage yards.
- Inventories and maps all bridges and roadways.
- Maintains fee-based permit systems for regulated use of the highway system and rights-of-way in matters involving encroachments, salvage yards, outdoor advertising, and the movement of overweight/over-dimensional vehicles.

#### Construction

- Determines urban and statewide transportation needs and develops strategies to fulfill them effectively.
- Programs, obligates, and authorizes highway funds.
- Purchases required rights-of-way for transportation projects.
- Designs and constructs highways, bridges, and industrial access roads.
- Administers enhancements, trails, and byways programs.

#### Maintenance

- Conducts renovation and repair work to extend the useful life of highway infrastructure.
- Performs core maintenance activities (i.e., mowing, shoulder and ditch work, and pavement repair).
- Performs effective snow removal and ice control activities to maintain the safety and convenience of the traveling public.
- Assists the Division of Homeland Security and Emergency Management by providing technical assistance, workers, and equipment during emergency/disaster situations.

### Goals/Objectives/Performance Measures

Improve the overall safety of West Virginia highways.

- Reduce the five-year average number of highway fatalities from 378 for 2005-2009 to 195 for 2026-2030.

Calendar Year	Five year average highway fatalities

Estimated 2020	9.2%	645	7,030
Estimated 2021	9.8%	688	7,020

- Renew focus on secondary road system.
- Administer the Roads to Prosperity bond program.
- Administer the annual federal funding program and apply matching state funds.
- Continue progress on Appalachian Corridor H, Coalfields Expressway, and King Coal Highway.
- Ensure all 10 General Obligation Bond #1 projects are under contract and under construction in FY 2021.
- Continue the agency's commitment to fund the county core maintenance program at tolerable levels by increasing funding at or above Consumer Price Index (CPI) growth rates annually.
- Meet or exceed the *Statewide Annual Plan* performance targets for patching pavement.

# Division of Motor Vehicles

## Department of Transportation

### Mission

The Division of Motor Vehicles (DMV) provides essential licensing, titling, and vehicle registration to the public; promotes highway safety; and collects revenue for transportation programs.

### Operations

- Issues legal documents of ownership to owners of motor vehicles and recreational vehicles.
- Conducts testing and issues licenses for operating a motor vehicle.
- Issues legal identification to persons who do not operate a motor vehicle.
- Tracks problem drivers and provides improvement programs for motorists who violate traffic laws.
- Collects revenue for distribution to various state and county governmental entities.
- Issues parking permits for disabled persons.
- Provides voter registration services.

### Goals/Objectives/Performance Measures

Implement by March 2020 a new driver's license/identification card system that will be compliant with the Real ID Act of 2015, which is mandatory for federal purposes as of October 2020.

Upgrade outdated systems with state of the art technology to improve operational efficiencies throughout the division.

- Modernize registration renewals completed at county Sheriff's Offices by January 2021.
- Implement an "E-Temp tag," print-on-demand system.

Expand the number of DMV business transactions available to customers via the Internet.

- Implement electronic lien transaction among DMV, dealers, and lien holders by the beginning of February 2021.
- Expand the availability of web-based business processes and increase the use of online self-service transactions by 5% each year for both driver service and vehicle service functions.

# Division of Public Transit

## Department of Transportation

### Mission

The Division of Public Transit encourages, promotes, and fosters public transportation services that are safe, dependable, environmentally responsible, and cost-effective, enhancing the quality of life of all citizens.

### Operations

- Distributes operating and capital assistance to small urban and rural transit systems to help cover the costs of essential public transportation services and equipment.
- Distributes contractual services funds and capital equipment to organizations that provide services to seniors and individuals with disabilities.
- Conducts comprehensive subrecipient monitoring and technical assistance to ensure compliance with federal and state requirements to promote safe, efficient, and effective operations.
- Serves as a central procurement source for vehicles, communication equipment, and other transit-related equipment for transit authorities and private nonprofit agencies.
- Provides for the renovation and/or construction of transit facilities.
- Provides training opportunities that include supervisory, driver, and mechanic training.
- Encourages the coordination of public transit and human service transportation programs including promoting regional transportation solutions.
- Ensures compliance with federal safety requirements and manages transit assets to ensure they are in a state of good repair.
- Conducts safety oversight including safety inspections and accident investigations of the Morgantown Personal Rapid Transit system.

# Office of Administrative Hearings

## Department of Transportation

### Mission

The mission of the Office of Administrative Hearings is to provide a neutral forum for the fair and impartial resolution of contested license revocations and suspensions initiated by the Division of Motor Vehicles.

### Operations

- Conducts administrative hearings in contested driver’s license revocation proceedings.
- Based on the determination of the facts of the case and applicable law, renders decisions affirming, reversing, or modifying the actions taken by the DMV.
- Statistically tracks cases to conclusion within the framework of each fiscal year.

### Goals/Objectives/Performance Measures

Continue to operate in a financially responsible manner.

- Continue collection of a \$50 filing fee with the filing of each written objection.<sup>1</sup>

Fiscal Year	Filing fees collected
Actual 2017	\$17,850
Actual 2018	\$31,950
Estimated 2019	\$30,000
Actual 2019	\$30,300
Estimated 2020	\$30,000
Estimated 2021	\$30,000

- Operate under budget by reducing the costs associated with the hearing process.
- Explore options associated with the electronic transmission of audio files to reduce both postage and supply costs.

#### Increase employee productivity.

- Continue to require the submission of all proposed Final Orders from regional hearing examiners within 30 days of the close of evidence.
- Create a new Final Order template, reducing the time associated with the drafting of Final Orders while maintaining the integrity of the decision-making process.
- Improve docket management and compliance with internal policies regarding the submission of proposed Final Orders through the purchase of case management software.

#### Continue to improve litigant services.

- Resolve all written objections within 60 days of the close of evidence.<sup>2</sup>
- Reduce the overall number of continuances granted to the parties.

**Mission**

The State Rail Authority is responsible for facilitating rail transportation within the state by providing its expertise and assistance in matters related to rail commerce to local and state officials, businesses, and private concerns.

**Operations**

*Rail Planning*

- Provides statewide rail transportation planning.
- Pursues and evaluates alternative operations for lines targeted for abandonment.
- Formally contests abandonments that may be detrimental to West Virginia’s economy.
- Provides assistance for rail tourism development.

*Railroad Operations and Properties*

- Owns and operates the 52.4-mile South Branch Valley Railroad (SBVR), providing freight service to industries in Grant, Hardy, and Hampshire counties.
- Participates in the Maryland Rail Commuter service to Washington, D.C. by maintaining stations and parking facilities at Duffields and Harpers Ferry.
- Facilitates passenger excursion services in Barbour, Grant, Hampshire, Hardy, Pocahontas, and Randolph counties.
- Owns and manages 273.06 miles of railroad presently rail-banked pending future development.
- Owns and oversees the operation of the 132.1-mile West Virginia Central Railroad (WVCR).<sup>1</sup>
- Oversees the operation of the 11-mile Cass Scenic Railroad.

**Goals/Objectives/Performance Measures**

Provide quality rail freight service to industries along the SBVR while controlling the costs associated with operating the railroad.

- Achieve an annual operating ratio of 62% or less on the SBVR by FY 2020.<sup>2,3</sup>

Fiscal Year	Operating ratio for SBVR
Actual 2017	68%
Actual 2018	77%
Estimated 2019	65%
Actual 2019	88%
Estimated 2020	62%
Estimated 2021	60%

Distribute the cost of capital improvements on the WVCR between the operator and the state.

- Gradually reduce the state’s portion of the cost of capital improvements on the WVCR to 40% by the end of FY 2020.

<sup>1</sup> The WVCR provides essential rail freight services to industries located in Randolph County and hosts three excursion trips that promote tourism in the region.

<sup>2</sup> The operating ratio is defined as the SBVR’s operating expenses as a percentage of revenue.

<sup>3</sup> In FY 2019, the operating ratio increased due to a decline in revenue as fewer unit trains were being handled for the feed mill after it experienced a fire and explosion at one of the silos. Repairs are now complete and revenue is expected to increase in FY 2020.

## State Rail Authority

# DEPARTMENT OF VETERANS ASSISTANCE

# Department of Veterans Assistance

# Department of Veterans Assistance

Perry Bennett/Office of Reference and Information

## Mission

The mission of the West Virginia Department of Veterans Assistance (WVDVA) is to aid and advise honorably discharged West Virginia veterans and their qualifying dependents and to ensure they are provided the care, assistance, and recognition they deserve. Numerous programs, 15 service offices, two claims offices, and three facilities fall under the purview of the WVDVA, enabling the department to meet this goal.

## Goals/Objectives

Ensure West Virginia veterans and their dependents have knowledge of and access to the care, programs, and services available to them.

- Maintain accurate, up-to-date information about existing and forthcoming veterans programs by networking with other state and federal entities and veterans nonprofit and private organizations through such means as conferences, job fairs, and electronic communications.
- Communicate information regarding veterans programs and benefits to West Virginia veterans and their qualifying dependents through emails, electronic correspondences, face-to-face encounters, and other potential mediums.
- Collaborate with the West Virginia Division of Rehabilitation Services in an effort to expand and diversify the services offered to veterans and their qualifying dependents.

## Department of Veterans Assistance

### Mission

The mission of the Office of the Secretary is to ensure that all facilities and programs within the department achieve success by providing support, guidance, and oversight. The office serves as a liaison between these facilities, veterans from throughout the state, the Governor's Office, and the U.S. Department of Veterans Affairs (VA).

### Operations

- Coordinates with all appropriate offices (state, local, federal, private, and nonprofit) to ensure that the needs of West Virginia veterans and their dependents are being met.<sup>1</sup>
- Provides policy leadership to West Virginia's state-run veterans' facilities and offices to ensure quality care and services for veterans and their families.
- Promotes awareness of veteran-related issues among the general public and state leaders.
- Participates in functions and activities throughout the state that focus on veteran-related policies and practices.

### Goals/Objectives/Performance Measures

**Increase awareness of the department's presence and various functions.**

- Update the department website and Facebook account daily to generate more than 2,000 Facebook followers by the end of FY 2021.
  - ✓ The Facebook page has approximately 1,811 followers as of December 2019.
- Provide a representative at all "welcome back" ceremonies for returning military units and other veteran-related functions as deemed appropriate by the cabinet secretary or the Governor.
- Provide a representative at all funerals of service members who are killed in action.
- Enhance the rural outreach program by providing a representative at the West Virginia State Fair each year.
- Increase the number of veterans served by service officer's itinerant visits by expanding visits to new locations throughout the state.

**Enhance the staff's ability to serve West Virginia veterans and their families.**

- Encourage continuing education by hosting (in conjunction with the VA and veterans' organizations) the annual West Virginia Veterans Service Officer Training Conference that consists of three days of classes and presentations related to veterans' issues.<sup>2</sup>
- Require all veterans service officers and outreach social workers to regularly attend annual training provided by the West Virginia Higher Education Policy Commission and West Virginia Community and Technical Colleges, as outlined in a memorandum of understanding signed by all three departments in August 2013.<sup>2</sup>
  - ✓ Ensured technology at all offices met federal guidelines requiring electronic submission of VA claims forms and electronic medical records in FY 2020.

**Ensure concerns of West Virginia veterans are being accurately conveyed to state leaders.**

- Coordinate quarterly meetings of the West Virginia Veterans Council and report concerns and findings back to the Governor and the Legislature.
- Attend annual conferences and other meetings hosted by various veteran service organizations and report findings back to the Governor and the Legislature.

**Honor, commemorate, and pay tribute to the sacrifices made by West Virginia veterans.**

- Participate in the Vietnam War Commemoration Partner Program which requires the department to engage in at least two events per year to recognize and honor Vietnam Veterans and their families.

<sup>1</sup> The VA reported in September 2017 that 142,694 veterans were living in West Virginia.

<sup>2</sup> The training conference was postponed in FY 2016, FY 2017, FY 2018, and FY 2019 due to budget cuts. The department anticipates holding the training conference in FY 2020.

*Department of Veterans Assistance  
Administration/Office of the Secretary*

- ✓ Participated in Vietnam Veterans Day activities at the State Capitol Complex in March 2019.
- ✓ Participated in “Run to the Wall,” an event that honors Vietnam Veterans, in June 2019.

# Donel C. Kinnard Memorial State Veterans Cemetery

## Department of Veterans Assistance

### Mission

The mission of the Donel C. Kinnard Memorial State Veterans Cemetery (DCKMSVC) is to provide West Virginia's qualifying military veterans and their dependents a final resting place that commemorates their service and sacrifice to our state and nation.

### Operations

- Oversees ongoing maintenance to the cemetery grounds, equipment, and memorials.
- Coordinates and oversees burials.<sup>1</sup>
- Oversees the Donel C. Kinnard Honor Guard Association.

### Goals/Objectives/Performance Measures

Comply with the standards as set forth by the National Cemetery Administration (NCA).

- Prepare the cemetery for the NCA inspection with the goal of becoming a recognized National Shrine by the end of FY 2020.<sup>2</sup>

Provide quality funeral services to veterans of the United States Armed Forces and their qualifying dependents.<sup>3</sup>

- Provide full military honors for all qualified veterans.
- Set grave markers within 60 days of interment.
- Perform indigent honors once a month as necessary.<sup>4</sup>

Honor those interred at the DCKMSVC on holidays related to veterans and other appropriate occasions.

- Adjust the United States flag to half-staff on the morning of Memorial Day and during all interment services.
- Decorate gravesites with United States flags before Memorial Day.
- Retire old, faded, torn, or otherwise unserviceable flags on Memorial Day.
- Decorate gravesites with wreaths on the 3rd Saturday in December for "Wreaths Across America."
- Display the Honor and Remember Flag for Gold Star Mothers on designated days at the Global War on Terrorism monument.

---

1 At no cost, veterans are provided with a gravesite or niche, the opening and closing, a concrete preset crypt, a headstone or niche cover, perpetual care, a presidential memorial certificate, Governor's memorial certificate, and honors.

2 National Shrine status is granted to the highest performing 10% of cemeteries in the country. Only recently have state-operated cemeteries been included in this designation.

3 There is no West Virginia resident requirement for admittance.

4 Indigent honors are military honor ceremonies performed for the unclaimed remains of veterans who are abandoned or have no known next of kin.

## Department of Veterans Assistance

# Claim and Service Offices

### Mission

The mission of the two veterans' claim offices and the 15 veterans' service offices is to assist qualifying veterans and their dependents in obtaining state and federal benefits related to their military service and to represent them in the appeals process.

### Operations

- Informs veterans and their dependents of the benefits for which they qualify based on their unique situation through face-to-face meetings, telephone, and electronic communications.
- Coordinates with various entities (private, nonprofit, state, federal, and local) to ensure veterans receive the services that specifically relate to their personal needs (including, but not limited to, monetary needs).
- Provides guidance and referrals to approximately 185,000 veterans and their family members on a variety of issues.

### Goals/Objectives/Performance Measures

Assist veterans in completing applications and compiling the documentation necessary to apply for state or federal veterans' benefits.

- Ensure every newly-hired veterans service officer's paperwork for accreditation with service organizations is properly filed within 90 days of hire.
- Conduct proper veterans service officer training within 90 days of hire.
- Respond to all webmail and Governor's Office inquiries within 24 hours of receipt.

## Department of Veterans Assistance

# Outreach Social Workers

### Mission

The mission of West Virginia's Outreach Social Workers is to connect qualifying veterans and their dependents in need of social services to a variety of resources that may assist them.

### Operations

- Travels daily to a variety of veteran-related events and organizations within a given territory to disseminate information about veterans' services and benefits and to collect feedback about issues faced by local veterans.
- Visits housebound veterans who are in need and determines the best means of assisting that individual.
- Coordinates with any state, local, federal, private, or nonprofit organization that can or will assist veterans in any way that might improve his or her quality of life.

### Goals/Objectives/Performance Measures

Connect to West Virginia's "hard to reach" veterans to ensure they have access to the same information and services as other veterans throughout the state and nation.

- Increase the number of veterans contacted by outreach social workers to 5,000 by the end of FY 2021.

West Virginia Veterans  
Nursing Facility

**Mission**

The mission of the West Virginia Veterans Nursing Facility is to provide qualifying West Virginia veterans the level of end-of-life care they deserve by maintaining a well-trained staff, a clean and honorable environment, and the highest levels of compassion for residents and their loved ones.

**Operations**

- Provides quality long-term medical care for up to 120 veterans requiring assistance.
- Coordinates a variety of activities for residents.
- Ensures the medical, social, and emotional needs of residents are met.

**Goals/Objectives/Performance Measures**

Provide quality care to all residents by ensuring the facility meets the highest standards and that staff members are well trained and highly qualified.

- Eliminate the dependency upon temporary nursing staff by hiring and training 30 full-time nurses.
- Pass all required annual inspections performed by the VA and by the West Virginia Office of Health Facility Licensure and Certification (DHHR).
- Obtain the maximum per diem paid every month to the Veterans Nursing Facility by the VA.<sup>1</sup>

# West Virginia Veterans Home

## Department of Veterans Assistance

### Mission

The mission of the West Virginia Veterans Home is to provide a clean, safe, comfortable residence for all eligible veterans and to recognize the worth and dignity earned by their service and sacrifice.

### Operations

- Maintains a clean, safe residential environment for up to 150 homeless or disadvantaged veterans.<sup>1</sup>
- Provides a contract dietitian to assist residents in setting up menu suggestions for various medical conditions and with weight loss if necessary/requested.<sup>2</sup>
- Provides a nursing department and a contract physician.<sup>3</sup>
- Provides transportation to medical appointments, counseling, and recreational activities.

### Goals/Objectives/Performance Measures

Provide a safe, clean, comfortable, and respectful living environment for any domiciliary veteran in need of a place to live.

- Increase the occupancy rate of the West Virginia Veterans Home to 100% by the end of FY 2020.

- Ensure residents have access to affordable oral care.

**Improve and/or maintain the overall health and well-being of Veterans Home residents.**

- Continue and fully implement partnership with Marshall University’s College of Health Professions to aid all residents in maintaining or improving their physical wellness to delay more costly admissions to assisted living and/or nursing home facilities.<sup>2</sup>

<sup>1</sup> A 10-bed transitional unit was created in January 2014 in which veterans can reside for up to 90 days while seeking permanent housing.

<sup>2</sup> This program engages professionals within the disciplines of Kinesiology, Physical Therapy, Social Work, Exercise Science, and Clinical Health Psychology.

# BUREAU OF SENIOR SERVICES

# Bureau of Senior Services

# Bureau of Senior Services

Perry Bennett/Office of Reference and Information

## Mission

The Bureau of Senior Services serves as the premier advocate for the provision of in-home and community-based services for the state's senior citizens and others served by these programs. The Bureau serves as a steward of the federal and state money entrusted to it for the provision of these services.

## Operations

- Administers the grants for the Administration for Community Living (Older Americans Act), awarded under a federally required formula basis outlined in the State Plan on Aging. This includes application review and approval, grant issuance, fund processing, and monitoring for the following programs:
  - \* Title III-B Supportive Services such as transportation, personal care, outreach, day care, client support, legal services, and senior center operations
  - \* Title III-C Meals Program for congregate (group setting) and home-delivered meals
  - \* Title III-D Evidence Based Disease Management and Wellness
  - \* Title III-E Alzheimer's Caregiver Support Services such as congregate, in-home respite, and support groups
  - \* Title V Employment Programs
  - \* Title VII Elder Abuse
  - \* Title III and VII Nursing Home Ombudsman Program (also supported with Medicaid funds)
- Provides administrative support for the Title XIX Medicaid Aged and Disabled Waiver and for Personal Care programs under a contractual arrangement with DHHR's Bureau for Medical Services for monitoring services and certification.
- Administers the grants for Legislative Initiatives for the Elderly (LIFE) funds distributed among the 55 counties.
- Administers senior center and program funds for projects throughout West Virginia each year based on submitted applications.
- Administers the Lighthouse Program grant funds which are allocated to all counties. (Lighthouse is an in-home personal care service program for senior citizens age 60 and older who are not Medicaid eligible.)
- Operates a State Health Insurance Assistance Program to assist seniors with Medicare issues and prescription drug plan enrollment, including grants to aging and disability resource centers and county providers for local assistance.

## Bureau of Senior Services

- Administers a Title V Employment Program federal grant for the U.S. Department of Labor that provides subsidized part-time training and employment in community service agencies for low income persons age 55 and older.
- Administers grants in all counties for Family Alzheimer’s In-Home Respite (FAIR).
- Administers grants for aging and disability resource centers in the state, which serve as one-stop clearinghouses for determination of long-term care needs and resource assistance.

### Goals/Objectives/Performance Measures

- Continue development on the in-home care provider registry to full functionality by January 1, 2019.
- Develop (according to the Older Americans Act) a two-year area plan submission guidelines and timetable (for regional area agencies) for issuance by May 15 of each year; complete the reviews and final corrections by September 25 each year; and issue 100% of the awards by October 1 each year.
- Strive to limit per meal cost increases by promoting meal cost analysis, efficiency in purchasing, economy in menus, and cost saving in delivery methods.

## Bureau of Senior Services

- Issue LIFE, Lighthouse, and FAIR awards prior to July 31 each year for 100% of provider agencies.
- Meet 100% of the placement goals of the Title V Employment Program.
- Perform on-site monitoring of Lighthouse and FAIR every 24 months.

# HIGHER EDUCATION

# Higher Education Policy Commission

# Higher Education Policy Commission

Perry Bennett/Office of Reference and Information

## Mission

The Higher Education Policy Commission (HEPC) is responsible for developing, establishing, and overseeing the implementation of the public agenda for higher education. It is charged with the oversight of higher education institutions to ensure they are accomplishing their missions and implementing the provisions set by state statute.

## Operations

### Academic Affairs

- Provides staff support for the commission and the West Virginia Council for Community and Technical College Education (CCTCE) council in academic program review, program approval, long-range academic planning, and a host of other policy initiatives.

### Chancellor's Office

- Monitors legislative developments during regular and special sessions, coordinates legislative information requests at both the state and federal levels, and communicates legislative developments to interested parties at the campus level.
- Coordinates commission office interface with agencies and departments of state government, the executive branch, and the legislative branch.

### Finance and Facilities

- Provides assistance to the commission, council, chancellors, and the governing boards at each of the public institutions on matters and policies related to finance, budgets, purchasing, campus planning, and capital projects.

### Financial Aid

- Oversees the management and delivery of state-level financial aid programs to eligible students at participating institutions and strives to ensure these programs facilitate college attendance so that all West Virginians have the opportunity to attend college.

## Higher Education Policy Commission

- Administers the Higher Education Grant Program, Providing Real Opportunities for Maximizing In-State Student Excellence (PROMISE) Scholarship Program, Higher Education Adult Part-Time Student (HEAPS) Grant Program, and other scholarship programs.
- Processes more than 400,000 federal student aid applications each year.
- Responds to thousands of inquiries each year on available student aid programs and related application procedures.

### Health Sciences

- Provides coordinating leadership for health sciences education delivered by the schools of the West Virginia University Health Sciences Center, the Marshall University Joan C. Edwards School of Medicine, and the West Virginia School of Osteopathic Medicine, plus provides oversight responsibility for the Center for Nursing and programs to educate health sciences students in rural communities of the state.

### Policy and Planning

- Maintains a comprehensive database on key dimensions of each college and university in the state, including cost, enrollment, and student success.
- Develops ongoing research and statistical reports such as the statutorily mandated “Higher Education Report Card.”

### Science and Research

- Provides strategic leadership for infrastructure advancement and development of competitive research in science, technology, engineering, and mathematics (STEM) disciplines.
- Serves as the coordinating office for scientific research grants to academic institutions from federal agencies, especially the National Science Foundation’s Experimental Program to Stimulate Competitive Research (EPSCoR) program.
- Administers state-based awards from the West Virginia Research Challenge Fund and the Research Trust Fund (including Research Challenge Grants, instrumentation grants, innovation grants, and minigrants).

### Student Success and P-20<sup>1</sup> Initiatives

- Administers the state’s federal Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP) grant and College Access Challenge grant.
- Oversees the College Foundation of West Virginia (CFWV), a partnership of several education agencies dedicated to increasing access to higher education. The centerpiece of this effort is a website ([www.cfwv.com](http://www.cfwv.com)) that is a centralized portal for learning about, preparing for, and applying to college.
- Conducts outreach to future students of all ages around the state regarding the benefits of attending college, the range of postsecondary opportunities available, and how to prepare for, apply to, and pay for college.

### West Virginia Network for Educational Telecomputing (WVNET)

- Provides support and hosting services for higher education administrative systems and academic computing systems.
- Manages the statewide Intranet and provides Internet access to higher education institutions, public schools, and state agencies.
- Hosts and provides support for the P-20<sup>1</sup> State Longitudinal Data System that houses and reports on student-level data from the Department of Education, the HEPC, and Workforce West Virginia.
- Supplies statewide security services such as management of distributed firewalls, assistance in the implementation and operation of content filters, automated off-site backups of critical data, and options for disaster recovery location.
- Conducts higher education technology purchasing and manages shared contracts for technology.
- Operates a 24/7 help desk to support computing and communications users.

## Goals/Objectives/Performance Measures

*The goals of the HEPC are set based on current enrollment and student success trends. Senate Bill 673 passed during the 2019 regular session of West Virginia Legislature repealed the requirement for the development of system master plan. Given the declining statewide population and a reduced numbers of students matriculating through the K-12 system, the current goals reflect the need to stabilize student enrollment and focus on improving student success metrics.*

---

<sup>1</sup> P-20 is an integrated education system that extends from preschool through higher education.

Actual 2014	10.8%
Actual 2015	10.5%
Estimated 2016	9.9%
Actual 2016	10.2%
Estimated 2017	9.8%
Estimated 2018	9.5%

**Increase research and development activities that contribute to West Virginia’s economic growth.**

- Increase annual external research and development funds to \$200 million for 2023-24.

Fiscal Year	Research grants and contracts (in millions)
Actual 2017	\$158.3
Actual 2018	\$156.3
Estimated 2019	\$186.0
Actual 2019	\$190.0
Estimated 2020	\$193.0
Estimated 2021	\$195.0

<sup>1</sup> In accordance with the Higher Education Act of 2009, cohort default rates are calculated as the percentage of borrowers who default before the end of the second fiscal year following the fiscal year in which the cohort entered repayment.

<sup>2</sup> Because the data for the federal student loan cohort default rate isn’t reported for nearly three years after the measured time period has ended, the time periods/column titles shown here have been customized to reflect the most available statistics.

# West Virginia Council for Community and Technical College Education

# West Virginia Council for Community and Technical College Education

## Mission

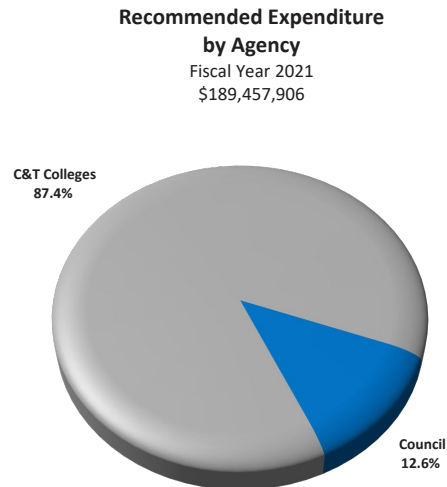

The mission of the West Virginia Council for Community and Technical College Education (WVCCTCE) is to deliver affordable, accessible, high-quality education and training that dynamically advances the economic and social development of West Virginia through a comprehensive community and technical college system.

## Operations

- Maintains responsibility for the administration of community and technical college education in the state.
- Establishes and implements policies and procedures relating to the delivery of community and technical college education.
- Coordinates and promotes the delivery of career-technical education programs through the federal Carl D. Perkins Career and Technical Education Act of 2006.

## Goals/Objectives/Performance Measures

The WVCCTCE is responsible for establishing a statewide vision for community and technical college education. The Council charges community and technical colleges with enhancing state efforts to diversify and expand the economy by focusing available resources on programs which best serve students, provide the greatest opportunity for job creation and retention, and are supportive of emerging high-technology and knowledge-based businesses and industries. To meet the continuing challenge of producing more graduates, the West Virginia Community and Technical College System and its member institutions pledge to fulfill this charge.

## Miscellaneous Boards and Commissions

### Mission

The West Virginia Board of Barbers and Cosmetologists protects the health and welfare of all West Virginia citizens who seek professional services in barbering, cosmetology, manicuring, and aesthetics while ensuring professional health standards and practices are maintained by frequent inspections of licensed facilities and by overseeing competency examinations of licensees.

### Operations

- Processes applications and documents for licenses and permits, administers examinations, and issues licenses to qualified applicants.
- Establishes and regulates licensing standards for individuals, shops, salons, and schools.
- Maintains a database of all licensees, shops, salons, and schools.
- Inspects, investigates, and processes complaints against licensed shops, salons, and schools within the jurisdiction of the board.
- Conducts hearings on licensing issues and any other matter within the jurisdiction of the board.
- Provides support services for inspectors.
- Establishes procedures and guidelines for the suspension or revocation of a license and suspends, revokes, and reinstates those licenses.
- Responds to requests related to verification of licensees and certification, discipline cases, complaints, functions of the board, and upcoming events.
- Implements rules and regulations relative to the practice of beauty culture and to the curriculum in all licensed schools.
- Reviews and evaluates multistate regulations.
- Provides collection and accounting for license, permit, examination, and other applicable fees.
- Maintains a record of all proceedings of the board.

## Miscellaneous Boards and Commissions

### Mission

The mission of the West Virginia State Board of Examiners for Licensed Practical Nurses (LPN) is to promote and protect public health, safety, and welfare through licensure of practical nurses.

### Operations

- Reviews and evaluates licensure examination scores for each licensed practical nurse educational program in relation to the national passage rate.
- Issues multistate and single state licenses where applicable and temporary permits to qualified applicants.
- Provides educational outreach activities to LPNs and nursing employers regarding scope of practice, grounds for disciplinary action, and other licensure issues.
- Investigates and processes complaints against LPNs.
- Maintains standards for function at the highest level in providing safe and effective nursing care.
- Responds to requests for information relating to licensees and the functions of the board.
- Provides licensure data to the West Virginia Center for Nursing and any other interested parties.
- Participates and conducts presentations at state and national nursing meetings on a variety of regulatory topics.
- Participates in activities sponsored by the National Council of State Boards of Nursing.

### Goals/Objectives/Performance Measures

- Revise the board’s website in FY 2021, adding features to allow applicants and employers to obtain information about their application status, new graduate permits, and temporary licenses, and provide an improved tracking mechanism for discipline cases.
- Partner with the National Council of State Boards of Nursing to implement Phase 3.0 of the electronic regulatory management system during FY 2021.
- Protect the public by continuing to resolve at least 85% of new disciplinary cases each fiscal year.

# Enterprise Resource Planning Board

## Miscellaneous Boards and Commissions

### Mission

The State of West Virginia is continuing to leverage the wvOASIS project (Our Advance Solution Integrated System) enterprise resource planning (ERP) technology to gain operational efficiencies and integration across administrative business functions by transforming how the state manages its financial, treasury, human resources, payroll, procurement, and other administrative business processes.

### Operations

- Implements the statewide ERP financial system (wvOASIS).
  - \* Implements budget, financial, and HRM/Payroll applications to help improve service levels to internal staff, vendors, and the public by transitioning to one application.
  - \* Improves consistency and responsiveness to information requests.
  - \* Increases transparency internally and externally by transferring the knowledge gained from one agency to other agencies.
  - \* Provides ongoing operational support for live systems.
  - \* Works to eliminate redundant supporting computer systems.
  - \* Develops and/or implements enhancement opportunities and provides training to all state personnel as necessary.

### Goals/Objectives/Performance Measures

- Provide post-implementation assistance in order for state agencies to perform their business and HR/Payroll processes. Additionally, the wvOASIS staff continues to refine business processes, such as year-end, and holds meetings with agencies to help in streamlining these processes.
- Streamline and introduce additional processes for the Financial application to improve the vendor experience.
- Identify, evaluate, and implement enhancement opportunities to improve efficiency and/or reduce cost.
- Facilitate consolidation of Human Resources and Payroll functions including the Kronos time and leave application. Kronos was upgraded to the Cloud version 8.1.3 on April 24, 2019 and expects to release the Mobile Manager version of Kronos in FY 2020.
- Coordinate and implement needed software and system upgrades, which includes installing and maintaining new hardware infrastructure to support the state's information management system.
- Use webinars and in-person meetings to assist agencies in becoming more knowledgeable about the wvOASIS business processes.<sup>1</sup>
- Continue to use Federal Reciprocity and agency deployment of Grants, Accounts Receivables, and Travel modules which will help state agencies by standardizing the processes to perform these business functions.
- Continue partnership with the West Virginia Department of Transportation to implement Phase E (remaining DOT, Facilities, and Real Estate) which is expected to include Federal Highways Administration billing during FY 2020.

<sup>1</sup> Through analysis of Help Desk data, the wvOASIS staff have examined the methodology and effectiveness of wvOASIS and will be assisting with onboarding changes to business processes throughout state agencies.

  - ✓ Represented residential utility customers in more than 40 cases before state and federal commissions involving more than \$700 million of requested costs.

# Gas Pipeline Safety

## Public Service Commission

### Mission

Gas Pipeline Safety oversees gas pipeline operators and enforces federal and state pipeline regulations to ensure the safe operations of intrastate natural gas and hazardous liquid pipeline facilities.

### Operations

- Conducts periodic inspections of intrastate natural gas and hazardous liquid transmission, and regulated gathering and natural gas distribution pipeline companies pursuant to program certification by the USDOT Pipeline and Hazardous Material Safety Administration (PHMSA).
- Reviews operating, maintenance, integrity management, operator qualification, drug and alcohol, and emergency procedures of regulated pipeline companies.
- Monitors design, construction, and testing of regulated intrastate pipeline construction.
- Promotes damage prevention awareness to prevent injuries to the public and damages to pipeline facilities by excavators.
- Promotes pipeline safety awareness for stakeholders such as the public, excavators, emergency responders, and pipeline operators.

### Goals/Objectives/Performance Measures

Perform safety inspections of intrastate natural gas and hazardous liquid transmission and regulated gathering and gas distribution pipeline companies.

- Meet or exceed the minimum of 85 inspection days per FTE inspector as required by the PHMSA.<sup>1</sup>

Calendar Year	Inspection days per FTE inspector	FTE inspectors	Total inspection man-days

Motor Carrier

**Mission**

The mission of the Motor Carrier Division is to enforce federal and state statutes and regulations relating to the transportation of commodities and persons by commercial vehicles, including coal and hazardous materials, in West Virginia.

**Operations**

- Enforces regulations and performs inspections on commercial vehicles in the state (i.e., weight, safety, insurance).
- Administers statutes and rules relating to domiciled interstate carriers consistent with the Unified Carrier Registration Plan.
- Assists coal operators and carriers while ensuring compliance with applicable state and federal regulations.
- Administers the multistate project for identification, registration, and permitting of commercial vehicles carrying hazardous materials in West Virginia.

**Goals/Objectives/Performance Measures**

Increase compliance with Coal Resource Transportation System (CRTS) statutes to prevent and resolve issues concerning electronic reporting of truck weights (CRTS notices of violations are based on these reports.)<sup>1</sup>

- Maintain inspector visits/contacts to shipping or receiving sites to 775 in FY 2021.

Utilities

**Mission**

The Utilities Fund supports advocacy, regulatory, and adjudicatory functions necessary to enable and facilitate quality utility service throughout the state. The fund also supports West Virginia’s railway safety and productivity, enhances the level of safety of the traveling public, and enforces West Virginia laws governing overweight/over-dimensional vehicles to reduce highway maintenance.

**Operations**

- Provides assessment and recommendations regarding utility requests for rate changes and terms and conditions for service, construction certificates, property transfers, certain transactions involving securities, changes in accounting practices, siting certificates, and other requests requiring commission approval.
- Reviews and evaluates proposed utility projects seeking funding from the West Virginia Infrastructure and Jobs Development Council.
- Provides thorough and prompt assistance to political subdivisions of the state that operate a water and/or sewer utility, in the areas of technical support, operations, engineering, design, financial analysis, accounting, ratemaking, commission rules and policies, and other regulatory matters.
- Provides expert testimony in contested cases (those that proceed to hearing because the parties are not in agreement).
- Hears and/or decides all cases filed before the commission (ALJ Division and Commission).
- Develops joint staff memoranda and other required pleadings in commission cases.
- Presents the staff’s positions in commission cases and administrative law judge proceedings, and represents the commission in cases and appeals before the West Virginia Supreme Court, circuit courts, federal courts, and various state and federal agencies.
- Provides financial and engineering regulatory review, advice, and investigation of consumer complaints.
- Administers the application and enforcement of current laws and regulations relating to railroad safety regarding track, locomotive power and equipment, signal and train control, hazardous materials, and operating practices.
- Investigates highway/railroad collisions, trespasser injuries and fatalities, derailments, release of hazardous materials carried by rail, and complaints.
- Regulates overweight/over-dimensional vehicles on West Virginia highways.

**Goals/Objectives/Performance Measures**

Resolve effectively and efficiently any disputes that arise between regulated utilities and their customers.

- Resolve 97% of informal disputes each year, thus reducing the number of formal complaint case filings.

## Miscellaneous Boards and Commissions

### Mission

The Water Development Authority (WDA) provides financial assistance to West Virginia communities for development and continued maintenance of water, wastewater, and economic infrastructure that will protect the streams of the state, improve drinking water quality, protect public health, and encourage economic growth.

### Operations

- Issues water revenue bonds to provide financing for the design, construction, improvement, and acquisition of water and wastewater facilities to local governmental agencies (LGAs) including municipalities, public service districts, and other political subdivisions.
- Coordinates the financing and closings for all infrastructure and economic development loans.
- Serves as the fiduciary agent of the West Virginia Infrastructure Fund which includes servicing all loans made by the West Virginia Infrastructure and Jobs Development Council (WVIJDC), as well as managing the fund’s bond debt service.
- Manages the WDA’s five loan programs designed to pay the WDA’s bond debt service and provides additional funding for projects.
- Administers the Clean Water State Revolving Fund (CWSRF).
- Manages the Drinking Water Treatment Revolving Fund (DWTRF).
- Performs subrecipient desk audits on local governmental agencies to which funds from the DWTRF are disbursed.
- Works with LGAs on project development and funding solutions.
- Invests money within the statutory limits to provide for additional project funding.

### Goals/Objectives/Performance Measures

#### Water Development Authority

- Remit debt service annual principal payments and semiannual interest payments as required by bond documents, and maintain appropriate collateral and reserve balances.
  - ✓ Maintained positive cash control that ensured properly funded collateral and reserve balances and remitted timely debt service payments from FY 1978 through FY 2019.

# West Virginia Board of Examiners for Speech-Language Pathology and Audiology

## Miscellaneous Boards and Commissions

### Mission

The West Virginia Board of Examiners for Speech-Language Pathology and Audiology's mission is to safeguard public health by ensuring the professional qualifications of speech-language pathologists, audiologists, speech-language pathology assistants, and audiology assistants practicing in West Virginia.

### Operations

- Administers, coordinates, and enforces all provisions of the West Virginia Code relevant to speech-language pathology and audiology.
- Promulgates reasonable rules that delineate qualifications for licensure, specifies requirements for the renewal of licensures and procedures for registering assistants, and establishes standards of professional conduct.
- Evaluates applications and credentials for licensure, issues licenses, and renews licenses biennially.
- Maintains an accurate and current register of speech-language pathologists, audiologists, and assistants.
- Investigates licensees for alleged violations of the law and rules established by the board and imposes penalties and fines if violations occur.
- Responds to requests relating to licensees, certification, complaints, disciplinary actions, and functions of the board.
- Communicates disciplinary actions to relevant state and federal authorities as well as other state speech-language pathology and audiology licensing authorities.

### Goals/Objectives/Performance Measures

Increase efficiency by utilizing new technologies.

- Educate licensees on new web-based licensing software system to be implemented in FY 2021.
- Complete a random audit of continuing education after completion of each renewal period in FY 2021.
- Provide at least one continuing education opportunity each year for speech-language pathologists and/or audiologists with topics specific to clinical skills, professional development, and ethics.
- Improve the transparency of the board's website (per the Legislative Auditor's recommendation) by including frequently asked questions, a search tool, meeting minutes, annual reports, the annual board budget, and the online verification of licensees by the end of FY 2020.
- Submit a report to the Governor and the Legislature by January 1 each year to include the previous two years' activities (i.e., itemized statement of receipts and disbursements, list of all persons licensed or registered, statistical reports by county or specialty, list of filed complaints and actions taken).

## Miscellaneous Boards and Commissions

### Mission

The mission of the West Virginia Economic Development Authority is to provide financial assistance and credit enhancement, enabling a favorable environment for job creation and retention for business in West Virginia.

### Operations

- Provides direct loans to business entities to assist in the establishment, revitalization, and expansion of industry in the state.
- Administers the state’s allocation of industrial development revenue bonds (private activity, tax exempt).
- Issues revenue bonds on behalf of the West Virginia Department of Administration for various public projects.
- Provides the loan insurance program that insures a portion of commercial loans issued to businesses.
- Provides approval of sites for eligibility to become U.S. Foreign Trade Zones.

### Goals/Objectives/Performance Measures

- Approve at least 20 loans/leases to new and/or existing businesses in West Virginia, thus creating and/or retaining 600 jobs annually.

# CAPITAL PROJECTS

# Capital Projects

West Virginia does not have a capital budget that is separate from its annual operating budget. Capital expenditures may be financed through regular annual revenues and appropriations. In addition, onetime appropriations or other major funding sources such as bond issues and loan funds may provide large amounts of capital funding and may be dedicated to financing capital expenditures. For a discussion of the different types of revenue sources, refer to the Revenue Sources section of Volume I.

Financing sources may be spread over a period of several years; therefore, the total funding from these sources is not reflected in the individual capital projects listed for FY 2021 in the following pages. The Listing of Individual Capital Projects does not include water, sewer, and infrastructure projects, school construction or renovation, etc. that may be partially funded with state revenues. These projects are not considered to add to the state's capital assets as they will become the property of local entities.

A capital expenditure project is defined as any major construction, land acquisition, or renovation activity that adds value to a state government's physical assets or significantly increases the useful life. Projects must be listed if they have either a minimum cost of \$100,000 or if they are equipment purchases of over \$50,000.

## **Special Funding Sources for Capital Expenditures**

The following is a brief summary of some of the major sources of capital funds and their intended uses.

### ***State Building Commission—Lottery Revenue Bonds***

#### **Education, Arts, Sciences, and Tourism (EAST) Fund**

House Bill 113 (passed in 2009) authorized the Economic Development Authority to issue new revenue bonds secured by lottery profits in the amount of \$155,620,000, since the 1997 EAST Fund bonds matured on July 1, 2010. Proceeds from the new revenue bonds will be used as follows: approximately \$100 million of capital improvement projects at state institutions of higher education and approximately \$55 million for capital improvement projects at state parks or other tourism sites. The new 30-year revenue bonds, issued in August 2010, are supported by the net profits of the West Virginia Lottery, not to exceed \$10 million annually, and will mature by FY 2040.

### ***1994 Infrastructure Improvements Amendment***

The Infrastructure Improvement Amendment to the West Virginia Constitution was ratified at the general election held on November 8, 1994. This amendment authorized the issuance of general obligation bonds in an amount not to exceed \$300 million for the purpose of construction, extension, expansion, rehabilitation, repair, and improvement of water supply and sewage treatment systems and for the acquisition, preparation, construction, and improvement of economic development sites. While the bonds are direct and general obligations of the state and the full faith and credit of the state is pledged to secure repayment of the bonds, the amendment irrevocably dedicates an annual amount of Severance Taxes for their repayment. The projects funded by these bonds are typically small, local projects and are too numerous to list.

### ***School Building Authority***

The School Building Authority (SBA) of West Virginia was created in 1989 to provide state funds for the construction and maintenance of primary and secondary school facilities. Since the inception of the SBA, more than \$1.9 billion in state dollars and \$1.5 billion in local dollars have been dedicated to West Virginia school facilities. This equates to 35 new high schools, 32 new middle schools, 87 new elementary schools, 100 major school addition/renovation projects, and more than 1,246 minor renovation projects. These projects are not considered to add to the state's capital assets as they will become the property of local entities.

### ***West Virginia Conservation Agency***

The West Virginia Conservation Agency (WVCA) coordinates statewide conservation efforts. The West Virginia Code charges the WVCA to conserve natural resources; control floods; prevent impairment of dams and reservoirs; assist in maintaining the navigability of rivers and harbors; conserve wildlife; protect the tax base; protect public lands; and protect and promote the health, safety, and general welfare of the people. The agency receives a regular annual appropriation for soil conservation projects.

## *Capital Projects*

On the following pages is a list of recommended capital expenditures for FY 2021 from all funding sources. This list is not intended to include all capital expenditures of the state, but instead outline major projects (defined as construction, renovation, and acquisition projects) that exceed a total cost of \$100,000 or equipment purchases more than \$50,000.

The information in this report is based on data extrapolated from information submitted by state agencies. The projects are listed in alphabetical order by cabinet and department—then by project name—with the total cost of the project, impact on operating budget, and a brief description. Projects are submitted by state agencies and are contingent on funding availability from current sources or from improvement requests. Projects listed do not necessarily have guaranteed funding.

## ELECTED OFFICIALS

### DEPARTMENT OF AGRICULTURE

#### AGRICULTURE LABORATORY

The agency has identified a need for a modern laboratory environment to carry out various safety programs. In addition to being better able to address public and agricultural health concerns, a modern laboratory provides a safer work environment for employees, more modern testing equipment, and the ability to receive national accreditations and participate in national safety programs.

**Total Project Cost:** \$38,000,000

**Revenue Source(s):** General

**Operating Impact:** The impact of this project on the operating budget of the agency cannot be estimated at this time, due to the early stage of this project. Operating budget impact will be dependent upon final laboratory configuration, new construction versus building-wide renovations, size, location, and other variables.

Estimate by Category and Fiscal Year	FY 2020	FY 2021	FY 2022	FY 2023	FY 2024	FY 2025

### DEPARTMENT OF AGRICULTURE

#### CEDAR LAKES RENOVATION

By taking steps to renovate and modernize the Cedar Lakes facilities, starting with an expansion of the Assembly Hall, new operational and educational opportunities can be considered to generate revenue. Adequate meeting facilities are essential to accommodate the various agriculture training and development programs that could be hosted at this location.

**Total Project Cost:** \$500,000

**Revenue Source(s):** General

**Operating Impact:** The impact of this project on the operating budget of the agency cannot be estimated at this time, due to the early stage of this project. Operating budget impact will be dependent upon the final building configuration. It is anticipated that the additional space and functionality offered by the expanded/renovated building will allow the facility to generate additional operating revenue, which will offset any increase in operating expenses.

#### WEST VIRGINIA SCHOOLS FOR THE DEAF AND THE BLIND

#### SCHOOL FOR THE DEAF BUILDING RENOVATION

Remove and replace aged and failing roof system at the School for the Deaf to secure the building envelope from water penetration to minimize or eliminate the associated risks of property damage and health concerns. In the physical education building, replace the failing 44 year old heating system and components of its 68 year old infrastructure by providing upgrades to its electrical system to support the HVAC replacement and to meet current code, replace 14 windows and front entrance of the PE building, and replace the gym and pool areas ceilings and lighting. These improvements are necessary to provide long-term stability of the facility, ensure a healthy and safe environment for students, staff, and guests campus-wide and provide a proper location for providing Prek - Grade 12 education. The WVSDDB presently provides services to 49 counties. 37 counties have at least one student enrolled in PreK-Grade 12 at the WVSDDB, an additional four counties have at least one student enrolled in its onsite short course program, and eight counties have at least one child enrolled in early intervention support only.

#### DIAMOND BUILDING/PARKING GARAGE

This project involves the complete restoration of the exterior masonry of the Diamond Building, located at 350 Capital Street in Charleston, WV. An extensive inspection of the building was done in 2013. Detailed drawings and notes were made in order to prepare budgetary estimates, scope of work, and bidding specifications. Severe weather in the early part of 2014 has increased the rate of damage to the exterior. Based on all of the areas that are in need of repair and the location of the work to be performed, this will take two construction seasons to complete. It will eliminate a huge risk factor of loose material and debris such as brick veneer and terra cotta from falling and further damaging the building and preserving safety to the pedestrians. Also, it will eliminate infiltration at the windows of the building and preserve the existing structure to the greatest extent possible. Deterioration continues to accelerate. Desman Design Management performed a structural assessment of the garage in 2017 and provided a detailed report and 5 year plan in early 2018. Several major structural issues like loose concrete at soffits, spalling concrete at floors and cracks in structural precast members needs to be repaired. Also, areas of concrete deterioration, aging sealant joints and poor drainage need to be addressed. Extensive waterproofing needs to be applied to prevent further deteriorations. This comprehensive repair program will address necessary structural integrity of the building and extend its useful life.

##### PARKERSBURG READINESS CENTER & FIELD MAINTENANCE SHOP

The federal portion of the Readiness Center will contain approximately 60,000 square feet. The Field Maintenance Shop is all federally funded and will contain approximately 23,500 square feet. The state enhancement to the Readiness Center will likely contain approximately 15,000 to 20,000 additional square feet. Both buildings need to be constructed to replace aging facilities that are not large enough to accommodate the assigned units and their equipment. This project will replace the current Armory located in Parkersburg that is old and outdated. The new facility will be modern and appropriately sized for the needs of the West Virginia National Guard. This project will serve as a partnership between the West Virginia National Guard and West Virginia University Parkersburg where both entities will construct and use space that will be beneficial to both organizations.

##### BUCKHANNON PHASE 2

Construct a 23,332 square foot National Guard Readiness Center addition that supports training, administrative, and logistical requirements for the West Virginia National Guard. This facility will be built on state land. The addition is required to house elements of the 601st Horizontal Engineer Company, 1935th Contingency Contracting Team and the 229th Design and Survey Team. This project is critical to the State of West Virginia due to the current situation of this addition being in phase II of the two phase plan to complete the Readiness Center. The previous facility was built in 1950 and is in poor condition and undersized. There are environmental concerns pertaining to the construction of the old facility and the use of asbestos as well as the sewer system not being large enough to accommodate expected capacity. The facility will provide an assembly hall, classrooms, administrative offices, heated/unheated storage, and supply areas needed to recruit, train, and mobilize Guard units.

#### DIVISION OF PUBLIC TRANSIT

##### SECTION 5311 CAPITAL PURCHASES

The Division will purchase ADA compliant transit vehicles, construct new administrative/maintenance facilities and make renovations to existing facilities at respective transit systems across the state. These purchases will allow the replacement of older vehicles with new vehicles that are more fuel efficient and have fewer negative impacts on the environment and improve mass transportation throughout the state.

**MOUNTWEST COMMUNITY AND TECHNICAL COLLEGE  
HQ RENOVATIONS-WELLNESS CENTER-STUDENT UNION**

Several air handlers on our campuses need to be replaced. Once replaced, the efficiency of the air system will be greatly improved, resulting in lower utility costs. In addition, we have two boilers for heating the building. One is new and the other needs replaced. Having an older boiler running in tandem with a new more efficient one is placing more stress on the system.

**Total Project Cost:** \$215,000

**Revenue Source(s):** Other

**Operating Impact:** The project will cost around \$215,000 in the year it is performed. For the years thereafter, we estimate \$2,500-5,000 less in utility and break/fix costs.

**MOUNTWEST COMMUNITY AND TECHNICAL COLLEGE  
VET TECH CENTER**

This project has significant benefits to the College and community. The property is currently not being used and has dilapidated. MCTC will put the property to productive use. The location is across the street from the Cabell Wayne Animal Shelter. MCTC will raze the current structure and build a new building to house our Veterinary Technician Program. This program will assist the Cabell Wayne Animal Shelter by providing veterinary services on the animals at no cost. Meanwhile, our students will gain valuable experience as they complete their clinical education.

In addition to housing the Veterinary Technician Program, the new building will be the new site of our Maritime Program. The Maritime teaches deckhand, steersman, tankerman, and other river industry careers. The College currently pays approximately \$30,000 per year to lease space for the Maritime Academy. The new building will allow us to save those costs by placing the Maritime classrooms and simulators in a more updated and suitable space for their needs. Also, this new location is near one of the biggest employers of our Maritime graduates, Marathon Oil, who transport many products along the Ohio River.

Finally, the facility will have open space for other workforce development needs. For example, our criminal justice department will use the space for its "use of force" simulator and other law enforcement training it provides for the community.

**Total Project Cost:** \$1,500,000

**Revenue Source(s):** Other

**Operating Impact:** There will be increased costs on the operating budget due to additional utilities and services. However, we anticipate the facility to generate more than enough revenue to cover the additional operating expenses. Projected annual operating costs are approximately \$80,000. Annual savings from moving Maritime to this property are expected to be \$30,000.

##### CABELL HALL RENOVATION

Cabell Hall is an academic building located on 20th Street and 7th Avenue in downtown Huntington. Before moving to our new campus in 2012, the building housed many of our allied health programs. The building has only been used for storage since that time. The renovations will allow the College to turn this into a revenue producing asset while providing valuable services to our community. To accommodate the requests of the CTC Council and the NewForce project, MCTC will need lease space in the short term. Should the Cabell Hall renovation be financially viable, we would be able to move the NewForce project to that location and expand the program. We plan to house our entire workforce development institute in this building in the future. This will begin with NewForce, expand into an IT Academy, and then other workforce projects as determined by the local employers.

**Total Project Cost:** \$1,500,000

**Revenue Source(s):** Other

**Operating Impact:** As we already own the building, the impact on the operating budget will be minimal once the renovations are complete. However, without additional funding from the State, the project will have significant impact on the budget while the renovations are being done. Once completed, we anticipate revenue generated from the workforce projects will exceed any additional annual operating costs. Projected annual operating costs are anticipated to be approximately \$40,000.

##### TECHNOLOGY INFRASTRUCTURE

This project will provide great benefit to our students, faculty, and staff. Technology infrastructure is needed to provide internet to students, and all employees need internet to access Banner and wvOasis. In addition, the infrastructure allows us to run computers across the campus and into the classrooms.

**Total Project Cost:** \$215,000

**Revenue Source(s):** Other

**Operating Impact:** There would be significant impact on the operating budget in the year the project is performed. If a leasing option was chosen, there would be 2 to 3 years of lease payments of around \$75,000 annually plus interest. Other than the purpose of the equipment, there would be minimal annual cost expense or savings on an annual basis.

The gas line from the meter to the college is in an area susceptible to erosion and obstruction. The gas line needs to be rerouted closer to the college's access road. Any damages caused to this gas line would cause interruption in services the college provides until the line could be repaired.

**Total Project Cost:** \$40,000

**Revenue Source(s):** Other

**Operating Impact:** The repairs will cost approximately \$40,000 in the year the repairs are performed. There are no additional costs.

**Total Project Cost:** \$175,000

##### HVAC EFFICIENCY STUDY

Since the completion of the Moorefield campus building in 2015, the college is operating a poorly designed and inefficient HVAC system. A \$70,000 settlement obtained in 2017 from the architect provided the college funding for emergency repairs. However, the HVAC system requires constant upgrades and repairs and the settlement will not support future expenses. The capital funds requested will assist in obtaining an engineering study to recommend improvements for operations and efficiency of the HVAC system. The study will provide cost estimates to implement the recommended improvements.

**MEMORIAL STUDENT CENTER RENOVATIONS**

The current building is over 50 years old and is in need of renovation and expansion. As the student population has grown over the years so has the need for social space, meeting space, space for new support venues, and retail space. This building currently houses one large meeting facility to support Orientation, Academic Sessions, large Institutional events, and student organization events. Phase one of the project was completed over the summer of 2019. The work consisted of relocation of the existing lobby stairs and opening access to the lower level, renovations to lobby floor, ceiling, lighting, main elevator modernization, and furniture. The next phases would be expansion and renovation of the lower and upper level of common space. These phases would aid in the recruitment of new students and provide additional space to support our student meetings, events, and support space. Renovations and Repairs are needed such as new HVAC, ADA upgrades and renovations, electrical switchgear, and emergency lighting installation in meeting rooms, corridors, and stairwells. Additionally, remaining elevators should be replaced due to age and safety factors.

##### FORENSIC SCIENCE CENTER ANNEX BUILDOUT

Construction of the 16,000 square foot Forensic Science Annex was completed in August 2009 utilizing local bonds funds, a federal grant through HADCO and institutional resources. Due to budget constraints three incubator research laboratories on the second floor and five research and service labs on the third floor were left unfinished. Funds requested herein will permit the completion of these labs and facilitate expanded federal, state, and private research and enhance DNA-based service activities to local, regional, and national law enforcement entities. The project will continue the development of Marshall's DNA-based Forensic Science Center technologies and their application to criminal justice agencies throughout the country. It will continue to establish Marshall as a national resource for training, research, and service in this rapidly growing field.

##### GULLICKSON GYMNASIUM HVAC

Currently there is no heating, ventilation, or air conditioning in the Gullickson Gymnasium. Space temperatures will drop into the 50 degree range during the winter months and in the 90 degree range during the summer. A climate controlled space would increase the utilization of the space. Safety concerns for physical activity in extreme high temperatures during the summer months and low temperatures in the winter months would be eliminated if the space had an HVAC system

**SUBSTANCE ABUSE TREATMENT CENTER**

This request is to develop a Center to engage in integrative and multidisciplinary treatment and research approaches in drug addiction, with an emphasis on outreach and treatment opioid use disorders including Neonatal Abstinence Syndrome. This facility will be the platform at Marshall University's Joan C. Edwards School of Medicine for community-centered treatment and research. The amount proposed is a fraction of the overall request or need for this project and is not comprehensive of all facility and equipment needs. Treatment directives will be focused on the coordinating current efforts, effective triage of patients to the proper level of care, improve the patient compliance of treatment and innovative strategies to identify gaps in community-wide treatment. Marshall will commit to train 30-50 more primary care physicians to treat patients with opioid use disorders and expand the Marshall University SBIRT program to include community treatment organizations. Research will be aimed at elucidating genetic, neurobiological, and environmental mechanisms that have consequence for risky behavior and relapse vulnerability. Population health and behavior data will be collected and linked with data across treatment facilities and Federally Qualified Health Centers throughout Appalachia and continuously analyzed for trends. Marshall hopes to complete its vision with the construction of a 40,000 sq. ft. facility with advanced training space, meeting rooms, as well as space for research coordinated treatment, clinical activities and coordination of local resources. This project will include development of dedicated staff focused on the life-long rehabilitation of our patients. Center activity and goals will be directed by a board of community stakeholders that includes recovering addicts to assure effect goals and approaches.

**OBESITY RESEARCH CENTER**

Obesity and metabolic syndrome have earned the name "the silent disease" because their adverse effects are insidious. In the absence of symptoms, an individual gains weight without apparent health problems but undergoes undetected damage to various organs including the liver, heart, kidney and brain. It is clear that the development of improved therapeutic approaches, founded on additional biomedical research, is necessary. This epidemic of obesity and metabolic syndrome in West Virginia is best addressed by an Institute for the Prevention & Treatment of Obesity & Metabolic Syndrome. To address these needs in the absence of funding, Marshall hired several world-class scientists in 2013 to begin building the school's reputation in this area of research. However, in order to establish an internationally recognized center of excellence that addresses the primary health care scourge affecting this region, the organic accumulation of translational scientists is too slow a process. Marshall envisions an approach that couples a new research facility with the addition of faculty researchers to spearhead the project. Renovated space in the current Robert C. Byrd Biotechnology Center would integrate basic, translational and clinical sciences (both medical and public health) to focus on the scourge of obesity and metabolic syndrome. Four leading scientists in the field of obesity research would be recruited as Obesity Institute Scholars to foster ground-breaking research at the Institute.

##### DOUGLASS CENTRE RENOVATION

This project includes the creation of a community meeting space open to organizations, support groups and the like and restoration of the 550-seat auditorium into an ADA-compliant large gathering space that would be the first of its kind in this minority-dominant community. The renovation of these spaces would complete prior grant-funded work on the property by previous owners and give function to currently unusable spaces. The 1985 designation request to the National Register cited that restoring Douglass to its former place of prominence would be of incalculable value to the entire area. Marshall Health continues to honor that commitment and goal by giving renewed purpose to a historical landmark that represents a prominent piece of black history in our community.

# STATE PROFILE

# West Virginia State Profile

## Brief History

### *State History*

People have lived in West Virginia for about 12,500 years, the earliest being the Paleo-Indians. Other native American cultures inhabited the area, but by the time the first European settlers arrived, all the Native American villages were gone, and the area was a hunting ground used by many tribes (including the Shawnee, Cherokee, Delaware, and Iroquois). The first white settlement of what is now West Virginia was probably at Mecklenburg (now Shepherdstown) in 1727. In 1731, Morgan Morgan established the first permanent white settlement on Mill Creek in present-day Berkeley County.

West Virginia shares its history with Virginia from 1607 until Virginia seceded from the Union in 1861. Delegates representing western counties formed their own government, which was granted statehood in 1863 by President Abraham Lincoln after conditions had been met requiring the gradual emancipation of slaves. West Virginia is the only state to be designated by presidential proclamation. In 1915, the U.S. Supreme Court ruled that in forming a separate state, West Virginia owed more than \$12 million for “a just proportion of the public debt of the Commonwealth of Virginia.” A check was delivered in 1919, and bonds paid off the remainder in 1939.

West Virginia was a battleground during the Civil War. Although Confederates were unable to control significant regions of western Virginia for considerable periods of time during the war, they were successful in conducting destructive raids. The Eastern Panhandle saw continual fighting. Although it was not originally a part of West Virginia, it was annexed in 1863 because it contained the strategically important Baltimore and Ohio Railroad. The divisions caused by the Civil War lasted long afterward. These were usually fought out in political arenas, but occasionally developed into violence.

The year 1882 saw the beginning of the now famous Hatfield-McCoy feud along the border region between West Virginia and Kentucky. The feud included many killings, involving the governors of both states in lengthy and heated controversy. The bloodshed of the West Virginia Hatfields and the Kentucky McCoys ended in 1896.

Although coal was discovered on the Coal River in 1742, an economical method of transporting it in quantity, as well as other West Virginia natural resources, was not available until the growth of the railroads in the latter half of the 1800s.

Rapid industrial expansion began after the Civil War, attracting thousands of European immigrants and African Americans into the area. However, it was accompanied by serious labor problems, particularly in coal mines where wages were low and working conditions were dangerous. Mine owners bitterly resisted unionization. Strikes were often associated with serious and extended violence during the late 19th Century and the early 20th Century. Miners' strikes between 1912 and 1921 required the intervention of state and federal troops to quell the violence. Unionization grew after the Great Depression as a result of reforms. The state's chemical industry was founded during World War I when German chemicals were no longer available and was expanded during World War II. Both wars also brought unprecedented boom periods to the mining and steel industries in West Virginia.

Economic conditions improved during the 1960s as federal aid poured into the state and massive efforts were made to attract new industry. In the 1970s, West Virginia's coal-based economy flourished as energy prices rose dramatically; but West Virginia suffered through one of the worst economic periods in its history in the 1980s when energy prices fell.

## State Profile Brief History

### Capital City

When West Virginia became a state in 1863, the capital was located in Wheeling.

The West Virginia Legislature designated Charleston as the capital city in 1870. Kanawha County citizens provided a boat to move all state records to their new home in Charleston.

In 1875, the Legislature voted to return the capital to Wheeling. Although state officials boarded steamers on May 21 to journey to Wheeling, state archives and records did not arrive until late September, causing state government to be at a standstill for four months.

In 1877, the Legislature decided that the citizens would choose between Charleston, Martinsburg, and Clarksburg for a permanent capital location. As a result of the election, it was proclaimed that eight years hence, Charleston would be the government's permanent seat, and state officials again boarded a boat to move from Wheeling to Charleston, towing a barge containing the state records, papers, and library.

### Capitol Building

The new capitol opened in May 1885 and served until its destruction by fire on January 3, 1921. For the next six years, West Virginia state government was run from a “pasteboard capitol,” a temporary structure built hastily in the wake of the fire. Although this structure was also destroyed by fire in 1927, the present capitol was already under construction on the north bank of the Kanawha River.

This new building, designed by Cass Gilbert, was completed in 1932 at a cost of \$10 million. In 1912, Gilbert had designed the world's first skyscraper, the

Woolworth Building in New York City. His other works include the state capitols of Arkansas and Minnesota, and the U.S. Treasury Building and the U.S. Supreme Court Building in Washington, D.C.

Two-thirds of the capitol interior is made of four different kinds of marble. The rotunda section and two wings provide 535,000 square feet of floor space and house 333 rooms. The exterior of the capitol, built in the classical style, is made of buff Indiana limestone. The 293 foot gold dome atop the structure is five feet higher than the dome of the U.S. Capitol and in 1988 was totally gilded in 14 karat gold leaf applied to the copper and lead roof in tiny 3 3/8 inch squares. After undergoing structural repairs, the dome was restored in the fall of 2005 to Gilbert's original two-tone concept of lead gray paint and gold leaf details.

# Health Care

There are 7,183 medical doctors who hold an active West Virginia medical license as well as approximately 33,153 active registered nurses and 7,806 active licensed practical nurses. The state has 71 hospitals and medical centers (includes ambulatory surgical centers) and 30 primary care centers with more than 392 service site locations (of which 182 are school-based health center sites).<sup>1</sup>

The School Immunization Coverage Public School Survey, which collects data from kindergarten, 7th, and 12th grade school entry, showed a 99% compliance rate was achieved (excluding students who received medical exemptions) among public school students in the 2018-2019 school year. A 99% compliance rate was achieved in 2018-2019 school year for kindergarten enterers.<sup>2</sup>

# Pre-K-12th Grade Education

West Virginia has 55 independent county school systems, each of which is under the supervision and control of a county board of education composed of five members elected by the voters of the respective county without reference to political party affiliation. The boundaries of the school systems are synonymous with the boundaries of the 55 counties in the state.

General supervision of the public schools is vested in the West Virginia Board of Education (WVBE), comprised of nine citizens appointed by the Governor and two ex-officio nonvoting members: the state superintendent of schools, the chancellor of the West Virginia Higher Education Policy Commission, and the chancellor of the Council for Community and Technical College Education.

## **Public Schools and systems**

The county boards are operating a total of 680 schools (exclusive of the multi-county vocational centers [MCVCs] for the current (2019-20) school year, consisting of 377 elementary schools, 152 middle schools, 114 high schools, 26 vocational schools, and 11 alternative schools. In addition, the WVBE, through administrative councils, operates seven MCVCs. The WVBE also operates the West Virginia Schools for the Deaf and the Blind located in Romney, West Virginia, which offer comprehensive educational programs for hearing and visually-impaired students. The WVBE is also responsible for operating the instructional programs at 51 juvenile and adult institutional facilities throughout the state.

## **Employment**

The various county boards currently employ a total of 23,845 professional personnel and 13,918 service personnel for the 2019-20 school year. In addition, 267 teachers, principals, and service personnel are employed by the Department of Education in the institutional programs and 183 teachers, administrators, and service personnel are employed by the West Virginia Schools for the Deaf and the Blind.

## **Enrollment**

There are 261,633 students enrolled in the public schools for the 2019-20 school year, including 14,887 four-year-olds enrolled in pre-kindergarten programs. Since the 2012-13 year, all county boards have been providing universally free, pre-kindergarten programs for all four-year-old students whose parents want their children enrolled, with the programs being offered either by the public schools or in collaboration with community-based programs. In addition, 103 students are enrolled at the West Virginia Schools for the Deaf and the Blind, with 74 of them being full-time residents of the schools and the remainder served as day students. The Schools for the Deaf and the Blind also provide services to 803 students statewide, from birth to 12th grade, through their outreach programs.

A total of 2,590 juveniles and 7,868 adult students were provided instructional services by the Department of Education through the institutional programs during the 2018-19 school year, the latest year for which the data is available. In addition, there were 11,352 students enrolled in private and parochial schools, and notices of intent to engage in homeschool were reported for 9,048 students of compulsory school age.

# Transportation

The West Virginia Division of Highways is responsible for planning, engineering, right-of-way acquisition, construction, reconstruction, traffic regulation, and maintenance of more than 34,000 miles of state roads. Additional duties include highway research, outdoor advertising contiguous to state roads, roadside development, safety, and dissemination of highway information.

West Virginia is one of only four states that has jurisdiction over both state and county roads. More than 36,000 miles (93%) of all public road miles are maintained by the division, which leads the United States in percentage of state-maintained highway miles. This ranks West Virginia as the sixth largest state-maintained highway network in the country.

### Road ownership:

- \* 34,691 miles of state-owned roads (includes 86 miles of the West Virginia Turnpike and 555 miles of Interstate highways)
- \* 835 miles of federally-owned roads
- \* 3,244 miles of municipally-owned roads

### Of these public roadways:

- \* 1,988 miles included in the National Highway System, 23 miles of which are connectors to other modes of transportation such as airports, trains, and buses
- \* One All American Road, five National Byways, 14 State Byways, and eight Backways

### General statistics:

- The number of individual driver’s licenses issued as a Class E-Regular, Class D, or CDL license is 1,277,566.
- West Virginia has 34 public-use airports, seven of which have commercial air service.
- West Virginia is home to more than 400 miles of navigable waterways; the Port of Huntington Tri-State, 199 miles in length, is the largest statistic inland port in America, as well as the 20th largest port for tonnage.
- There were 2,214 route miles of railroad and 2,515 miles operated within the state, which includes trackage rights, at the end of 2017.
- West Virginia has 19 public transit systems providing services in 35 of the state’s 55 counties. Public transit vehicles traveled 13,132,481 miles and provided 5,682,792 one-way trips (of which 1,094,851 were for seniors or individuals with disabilities).

# Recreation and Culture

State Profile

West Virginia, the third most forested state in the nation, abounds with scenic natural beauty and outdoor sports and activities. People from around the world come to enjoy skiing, whitewater rafting, camping, hiking, hunting, fishing, golfing, wildlife, photography, birding, all-terrain vehicle riding, and biking. Visitors also can tour numerous historic sites, journey into an underground coal mine, visit the world's largest movable radio telescope, spy bald eagles in their natural habitat, and purchase and enjoy West Virginia crafts, arts, and cuisine.

The state's park system features a multitude of full-service restaurants, developed campgrounds, vacation lodges, golf courses, cabins, and cottages ranging from pioneer to contemporary styles, conference centers, a tourist railroad, aerial tramways, rail trails, an island, and a major ski resort. The West Virginia State Parks system is recognized as a national leader. As a system with its beginnings in the Civilian Conservation Corps, it continues to serve residents of West Virginia and guests, and invites youth, friends, families, and groups to enjoy the outdoors for recreation and activity.

There are more than 200 cultural sites and museums in West Virginia, showcasing everything from prehistoric cultures to contemporary art and crafts. The National Register of Historic Places lists more than 1,038 places in the Mountain State, including residential and commercial structures; agricultural, industrial, and recreational properties; battlefields; archaeological sites, and other significant resources. More than 1,000 historic highway markers have been erected along roadsides throughout West Virginia since 1937.

The Culture Center on the state capitol complex is West Virginia's premier welcome center. It is home to the West Virginia State Museum, the West Virginia State Archives and Library, and the West Virginia Library Commission offices and Library. The State Museum Shop, also located in this building, features arts and crafts from Tamarack: The Best of West Virginia.

Guests to the Culture Center enjoy art and cultural exhibits, performances, lectures and events. The Division hosts The Vandalia Gathering, West Virginia Dance Festival, West Virginia Juried Quilt Exhibition, and WWI exhibit. Programs such

### Music and Arts

West Virginia has a rich heritage in music and arts, from traditional Appalachian dance and music to some of the country’s top performers and outstanding performance venues. The 240,000 square-foot Clay Center for the Arts and Sciences in downtown Charleston houses the performing arts, visual arts, and the sciences under one roof—one of the few centers of its kind in the country. The facility is home to the Avampato Discovery Museum and the West Virginia Symphony Orchestra. The West Virginia Symphony Orchestra offers symphonic and pops concerts and travels to venues throughout the state to present special performances. Huntington and Wheeling also host symphony orchestras.

Mountain Stage®, a production of West Virginia Public Broadcasting, began in 1983 and is the longest running live music performance show on public radio. Mountain Stage® is a two-hour show that presents acts ranging from traditional roots and country music to avant-garde rock and jazz. In addition to showcasing both established and emerging artists from the United States, the show has featured artists from all over the world and is recorded at the state Culture Center on Charleston’s capitol complex.

The annual Vandalia Gathering, scheduled on Memorial Day weekend, attracts hundreds of old-time musicians and music lovers inside and outside the state. Often referred to as a state “family reunion,” The Vandalia Gathering brings young performers and veteran musicians together to play for this annual festival. West Virginia hospitality is on display with food, crafts, traditional music and dance, and the popular liars contest.

For 70 years, the Marshall Artists Series has brought some of the nation’s finest performers to Huntington and the luxurious vaudeville-era Keith-Albee Theatre. It is the oldest continuous live arts presentation program in the country. The theater itself is a showpiece that was second only in size to New York’s Roxy Theatre when it was built in 1928. Today, it is restored to its original glory and operates as a performing arts center.

The Augusta Festival is an annual celebration of traditional music, dance, and craft that takes place the second weekend in August. The festival culminates the summer workshop that is part of the Davis & Elkins College Heritage Arts summer program.

The Appalachian String Band Music Festival takes place each year at Camp Washington-Carver. The five-day festival brings together musicians and their friends for events that range from contests and concerts to workshops and square dancing. Visitors from more than 20 foreign countries and 48 of the 50 states have taken part in the festival which is held late July to early August.

## Major Points of Interest

**Appalachian Power Park** – Charleston is home to the West Virginia Power, Class A affiliate of the Pittsburgh Pirates. The ballpark is located in Charleston’s historic East End and is a favorite destination of both locals and visitors because of its convenient downtown location and open-air feel.

**Berkeley Springs** – What is now known as Berkeley Springs has been for centuries a gathering spot for those seeking good health. Indigenous peoples from Canada to the Carolinas visited the area to soak in what they considered to be healing waters. Berkeley Springs was also frequented by European settlers, and even George Washington bathed there. Today, Berkeley Springs offers relaxing spas, unique shops, local arts, and an International Water Tasting Festival.

**Biking Trails** – West Virginia is hailed as a world-class destination for mountain biking enthusiasts due to abundant trails, beautiful scenery, and a variety of terrain. The Monongahela National Forest, West Virginia State Parks, and other public parks and rail trails offer a world of mountain biking excitement ranging from technical to easy.

Mountain biker at Big Run Overlook

**Casinos and Racetracks** – West Virginia’s five casinos promise an exciting night on the town with live entertainment, dining, table games, slot machines, and greyhound and thoroughbred racing.

**Civil War Trails and Signage Program** – A tourist signage program and an accompanying trails brochure mark the location of key Civil War sites and help interpret West Virginia’s unique history. The program includes interpretive signage at approved locations such as the Droop Mountain Battlefield and the boyhood home of Confederate General Thomas “Stonewall” Jackson, and points out the locations of important Civil War events in several states. The trail extends through North Carolina, Virginia, Maryland, and Tennessee and is cross-promoted through the marketing efforts of Civil Wars Trails Inc.

**Coal Heritage Trail** – Visitors and historians can experience life as it was in the coal camps of Appalachia on the Coal Heritage Trail in West Virginia. This scenic byway winds through southern West Virginia’s rugged mountains and valleys that contain remnants of the early 20th century coal boom, including the millionaire mansions in Bramwell and the Beckley Exhibition Coal Mine.

**Dinner and Variety Shows** – The Gandy Dancer Theatre and Conference Center in Elkins offers a “Branson Style” dinner theatre, comedy skits, dance numbers, and music from the ’50s to today. Patrons enjoy a homestyle dinner served right at their seat, followed by an energetic performance covering a variety of musical genres.

## State Profile

### Recreation and Culture

**Hatfield-McCoy Trails and Visitors Center** – The Hatfield-McCoy Trails system draws beginner to expert all-terrain vehicle enthusiasts and thrill seekers who can enjoy more than 600 miles of the East Coast’s biggest and best ATV trails. The professionally managed trails are easily accessible after a short drive from Charleston. The system courses through the mountains of southern West Virginia and all of the trail systems are open 365 days a year to ATVs, dirt bikes, and utility vehicles (UTVs). The new Hatfield-McCoy Visitors Center on U.S. 119 in Boone County is the first stop for trail riders coming to the area from the north, serving as the Hatfield-McCoy’s retail center and the trailhead for the Little Coal River trails.

**Hiking** – West Virginia’s varied terrain is laced with miles of trails for every ability, from easy walks to backcountry mountain trekking. The West Virginia Trail Inventory provides an online guide to hiking trails in the state, cataloguing length, terrain, and location. The popular Appalachian Trail becomes part of West Virginia in the Eastern Panhandle and the Allegheny Trail winds over 300 miles from the Mason-Dixon Line to West Virginia’s southern border. Easy grade rail trails such as the Greenbrier River Trail are also popular with bicyclists, and West Virginia’s state parks and forests have hundreds of miles of beautiful trails.

**Elk at West Virginia Wildlife Center**

**Hunting and Fishing** – More than 1.6 million acres of public land are open to hunting in West Virginia. Hunting opportunities range from big game like deer, bear, and wild turkey to small game like squirrels and rabbits. With its year-round fishing season, including an open season for trout, more than 20,000 miles of streams and more than 100 public fishing lakes, West Virginia provides anglers with a variety of fishing opportunities and experiences.

**Lost World Caverns and Organ Cave** – Lost World Caverns were once home to prehistoric cave bears, but today they play host to public tours. If the normal tour is too tame, thrill seekers can make arrangements to explore narrow passages off the beaten path. Organ Cave,

less than five miles from Lewisburg, is still largely uncharted territory with more than 200 known—yet unexplored—passageways.

**Green Bank Observatory** – Home of the Robert C. Byrd Green Bank Telescope, the world’s largest movable radio telescope, Green Bank is where researchers study the universe through natural radio emissions. The observatory offers daily telescope and science center tours to the general public.

**New River Gorge Bridge** – One of the longest steel single-span arch bridges in the world, the New River Gorge Bridge sits 876 feet over the scenic New River. Every year on the third Saturday in October, West Virginia hosts Bridge Day, the largest single-day extreme sporting event in the world, during which BASE jumpers travel from all over the world to parachute off the bridge. For those who would rather keep their feet on the ground, BridgeWalk tours offer sightseers the chance to tour the catwalk underneath the bridge.

**Oglebay Resort and the Winter Festival of Lights** – Oglebay is a 1,700-acre resort with abundant recreational activities, well-appointed accommodations, a zoo, gardens, four golf courses, downhill skiing and snowboarding, and shops nestled in the hills surrounding Wheeling. Home to America’s largest light shows, the Winter Festival of Lights covers more than 300 acres. The festival has been listed on the American Bus Association’s Top International Events and was recently listed as one of the top 200 events in the country by Discover America.

**Skiing** – West Virginia’s lofty elevation and rugged terrain make it one of the top destinations for winter sports in the Southeast and Mid-Atlantic regions. In addition to seven premier ski areas including five resorts, the Mountain State offers one of the longest seasons in the region for downhill and cross country skiers, snowboarders, and snow tubing

fans. The ski and snowboard season traditionally, weather permitting, continues from Thanksgiving through early April. The five-month long ski season in West Virginia has an estimated economic impact of over \$250 million and 5,000 jobs at the resorts and other related companies.

**State Parks** – West Virginia’s national and state parks appeal to travelers of all ages and are an important part of the state’s growing tourism industry. With almost 50 parks found in the state, it is easy to incorporate West Virginia’s natural beauty into your trip. Each facility promises a unique adventure for visitors seeking everything from outdoor recreation opportunities to state of the art conference services.

**Summit Bechtel Family National Scout Reserve** – The Summit is a training, Scouting, and adventure center for the millions of youth and adults involved in the Boy Scouts of America. It is also home to the National Scout Jamboree and the Paul R. Christen National High Adventure Base.

**Coopers Rock State Forest**

**Tamarack** – The “Best of West Virginia” can be found at this unique facility. Unusual specialty products share retail space with traditional art and crafts. Studio artisans demonstrate their talents from glass blowing to woodworking. The food court offers a varied menu from snacks to full meals. Hundred of thousands of guests visit Tamarack each year.

**Washington Heritage Trail** – This driving trail through the Eastern Panhandle counties traces significant sites and events in West Virginia from pre-Revolutionary War days to the Civil War and beyond. Places of interest include Harpers Ferry, site of John Brown’s raid; Berkeley Springs State Park, where a young George Washington bathed in the warm mineral springs; and the Belle Boyd House in Martinsburg, home of the famous Civil War spy.

**West Virginia Scenic Railroads** – Rail adventures abound in the Mountain State with a variety of tourist train excursions. Cass Scenic Railroad takes passengers on a trip into the state’s past with a tour of a turn-of-the-20th-century logging town. Rail enthusiasts also can book passage on trains with seasonal and themed rides like The Polar Express, dinner trains, and fall foliage leaf peeping tours.

**Whitewater Rivers** – West Virginia is world-renowned for its whitewater rafting, and even hosted the World Rafting Championships in 2001. Professional outfitters operate on the New, Gauley, Cheat, Tygart, Potomac, and Shenandoah rivers, offering rafters trips ranging from mild Class II and III rapids to wild Class IV and V.

*(This is by no means a complete list. There are numerous local, state, and national parks, as well as a plethora of fairs and festivals held every year across the state. Information on any of these activities is available by calling the West Virginia Division of Tourism at 800-225-5982 or online at [www.wvtourism.com](http://www.wvtourism.com).)*

# Form of Government

West Virginia has a constitutional representative government with three distinct branches.

## Legislative Branch

Senators are elected to four-year terms with half of the seats up for election every two years. All members of the House of Delegates are up for election every two years. State lawmakers must be United States citizens and eligible to vote. A delegate must be at least 18 years old and a resident of his/her district for one year, while a senator must be at least 25 years old and a resident of the state for five years. If a legislator moves out of his/her district, the seat becomes vacant.

If a vacancy occurs in either house of the Legislature, the district political party committee of the departing member submits three names so the Governor can select one to appoint to fill the seat until the next general election.

## Executive Branch

West Virginia's Constitution provides for six elected officials in the executive branch of government:

Governor  
Auditor  
Secretary of State

Attorney General  
Commissioner of Agriculture  
Treasurer

A governor is elected for a term of four years. Having served during all or any part of two consecutive terms, he or she is then ineligible for the office of governor during any part of the term immediately following the second of the two consecutive terms. West Virginia's senate president is also the lieutenant governor. The terms of the other five elected officials are four years without term limitations.

## Judicial Branch

As of January 1, 1976, West Virginia created a unified court system, uniting all state courts (except municipal courts) into a single system supervised and administered by the West Virginia Supreme Court of Appeals. This system was composed of only the Supreme Court of Appeals, circuit courts, and magistrate courts. However, at the beginning of 2002, family courts were added to the judicial system.

The Supreme Court of Appeals is West Virginia's highest court and the court of last resort. West Virginia is one of only 10 states with a single appellate court. The Supreme Court of Appeals of West Virginia is the busiest appellate court of its type in the United States. There are two terms of the Court each year. The five justices are elected in nonpartisan elections to 12-year terms. Justices must have practiced law for at least 10 years. The position of chief justice is determined by vote of the Court with a term of four years. The Governor appoints justices to fill vacancies.

West Virginia is divided into 31 circuits with 74 circuit judges. The circuits range in size from one with seven judges to 10 with one judge. Although as few as one or as many as four counties comprise a circuit, each county has a courthouse where the circuit judge presides. Circuit judges are elected in nonpartisan elections to eight-year terms and must have practiced law for at least five years. The Governor appoints judges to fill vacancies.

There are 47 family court judges serving 27 family court circuits. Family court judges are elected in nonpartisan elections for eight-year terms. Appeals from family court are heard in circuit court or, if both parties agree, directly by the Supreme Court of Appeals.

There are 158 magistrates statewide, with at least two in every county and 10 in the largest county. The circuit courts hear appeals of magistrate court cases. Magistrates run for four-year terms in nonpartisan elections and are not required to be lawyers. Circuit judges appoint magistrates to fill vacancies.

# Geography

West Virginia has a mean altitude of 1,500 feet, giving it the highest average altitude east of the Mississippi.

West Virginia experiences four distinct seasons. In the low-lying areas and valleys, including the western regions of the state and the Eastern Panhandle, winters are mild and summers are warm. In the central, more mountainous areas of the state, particularly the Potomac Highlands, winters are colder, with a greater probability of snow, and summers are mild. (The Potomac Highlands is an area comprised of Mineral, Hampshire, Tucker, Grant, Hardy, Randolph, Pendleton, and Pocahontas counties.)

Precipitation across the state averages 40 to 60 inches per year. Snowfall averages 20 to 25 inches per year in most of the state, except for the Potomac Highlands region, which receives significantly more.

***Economic Base***

West Virginia's wealth of recreational and cultural opportunities ensures travelers will continue to make the Mountain State their destination of choice. In 2017, the economic impact of travel spending by visitors to West Virginia was \$4.3 billion, directly supporting 45,100 jobs. Local and state revenues generated by travel spending were \$519 million. In 2017, a total of 15.9 million visitors visited the Mountain State. Overnight visitors travel to West Virginia during all four seasons and partake in a large variety of activities, from shopping to historic sites, national parks, swimming, and many outdoor activities. These visitors are primarily from surrounding states such as Ohio, North Carolina, Pennsylvania, and Maryland; however, in-state residents are a large overnight travel base as well.

While tourism remains a growing sector of the state's economy, West Virginia has thrived on traditional energy and manufacturing industries such as coal, chemicals and polymers, aerospace, automotive, and wood products. West Virginia continues its commitment to these long-established sectors which remain critical to the state's future. At the same time, West Virginia is working diligently to expand and diversify its economy. Today's state economy is one that also includes innovation-driven, technology-based businesses piloted by a highly-skilled West Virginia workforce. Emerging sectors include polymers, identity management, advanced manufacturing, fulfillment, and business and information services.

The state's approach to responsible government has produced a positive business climate and is clearing the way for business growth through tax cuts, workers' compensation reform, and investment in university research and other strategic economic development initiatives.

Small businesses are the backbone of West Virginia's economy, as 98.9% of the state's companies are small businesses. Employing nearly 280,213 West Virginians, small businesses are moving forward the important work of incubating new products and services.

Energy stands as one of the traditional strengths of West Virginia's economy. The state leads the nation with its advanced energy research and a diverse energy portfolio that includes not only coal and natural gas, but wind, hydro, geothermal, biomass, and solar.

The state has long been—and remains today—one of America's leading producers of electricity. More than half of the electricity West Virginia generates is exported to the rest of the country. The state ranks among the top 10 states in the country in net interstate sales of electricity and remains a leader in low-cost energy.

The state maintains its ranking as second in the nation in coal production. Coal is mined in 25 of West Virginia's 55 counties. Annual coal production was 93 million tons in 2017, with 82% from underground mines.

## State Profile

### Demographics and Economics

West Virginia is also one of the largest producers of natural gas east of the Mississippi River and is finding new ways to recover significant natural gas reserves from the Marcellus and Utica shales. West Virginia now ranks in the top 10 of natural gas producing states. In 2014, the state's annual natural gas production exceeded 1 trillion cubic feet for the first time, and it reached a record of nearly 1.8 trillion cubic feet in 2018. Oil production in 2017 was 9 million barrels. The automotive industry continues to be a growing sector in West Virginia's economy. The concentration of biometrics and identity management assets within West Virginia is unequalled in the world. The state is home to over 150 chemical and polymer manufacturing companies that employ approximately 13,025 workers. West Virginia is also a growing location for companies with extensive business services operations.

**\$3 Billion**

Revenue generated  
by state forests

With 12 million acres of forests, West Virginia is the third-most forested state in the nation. About 30,000 employees work in the forest products industry, directly and indirectly contributing about \$3 billion to the economy. The West Virginia forest industry provides jobs in all 55 counties of the Mountain State.

In calendar year 2018, there were 802,717 various license privileges (hunting, fishing, and trapping) sold totaling \$14,071,532. Of those transactions, 582,280 were to state residents, generating \$7,866,176; the remaining

220,437 transactions were sold to non-residents, generating \$6,205,356. In addition to annual licenses, 8,196 resident lifetime licenses were sold, totaling \$936,906.

Outdoor-related recreational opportunities provided or regulated by the West Virginia Division of Natural Resources have an estimated economic impact of more than \$1.7 billion each year. Those activities include hunting, fishing, state parks and forests, wildlife viewing, whitewater rafting, and recreational boating. These activities make up a major portion of the state's growing tourism industry.

West Virginia has 23,622 primarily family-owned and -operated farms totaling 3.6 million acres with an average of 155 acres per farm. These farms generate approximately \$754 million in cash receipts. Although the state is ranked 38th in population and 41st in geographical size, as of 2016 it ranked 30th in fruits, tree nuts and berry production, 13th in turkey production, and 19th in broiler chicken production.

**\$1.7 billion**

Economic impact  
of outdoor-related recreation

In terms of dollar value, the commercial broiler (meat chicken) and beef cattle industries are the leading agriculture sectors in the state, each accounting for about a quarter of the value of the state's agriculture industries. Various crops and miscellaneous livestock round out the mix.

Approximately 77% of the Mountain State's farms generate income of less than \$10,000. The state also leads the nation in its percentage of family-owned farms at just over 93%, giving those farmers great flexibility in what they choose to produce and how they choose to produce it. The state also leads the country in the percentage of farms defined as "small" by USDA.

### Property Values

Property subject to property tax in West Virginia is to be revalued annually. All properties, with the exception of farms and managed timberland, are to be assessed at 60% of their actual market value. Total assessed valuations for Tax Year 2019 came to \$95 billion (see the following chart). The statewide average levy rate for all property was 1.92% of assessed value.

A major portion of the expense of local government units is met from the proceeds of taxes levied upon real and personal property. The property tax is administered by officials of local taxing authorities (municipalities, county school boards, and county governments), as well as by officials of a number of state agencies. Less than one-half of 1% of the property tax collected goes to state government. For example, of property taxes levied for FY 2018, the state received 0.42%, the counties 26.76%, the school boards 65.92%, and the municipalities 6.90%.

# State Symbols

## State Flag

The state flag was officially adopted by the Legislature on March 7, 1929, by Senate Joint Resolution 18.

Prominently displayed on the pure white field of today's flag and emblazoned in proper colors is a coat of arms, the lower half of which is wreathed by rhododendron, the State Flower. Across the top, lettered on a ribbon, is the constitutional designation "State of West Virginia." The white field is bordered on four sides by a strip of blue, and, for parade purposes, all but the staff side are to be trimmed with gold fringe.

The great seal of West Virginia, which is also the coat of arms, was adopted by the Legislature on September 26, 1863, and symbolizes the principal pursuits and resources of West Virginia. Described briefly, the obverse side of the seal bears the legend "State of West Virginia," together with the motto, "Montani Semper Liberi" (Mountaineers Are Always Free); a farmer stands to the left and a miner to the right of a large ivy-draped rock bearing the date of the state's admission to the Union. In front of the rock are two hunters' rifles upon which rests a Phrygian cap or "cap of liberty."

Joseph H. Diss Debar, of Doddridge county, designed the state seal in 1863 at the request of the first West Virginia Legislature.

## Official Colors

Old gold and blue were designated as official state colors by Senate Concurrent Resolution No. 20, adopted by the Legislature on March 8, 1963.

## Official Day

On January 1, 1863, President Abraham Lincoln approved the Statehood Bill for West Virginia on the condition that it would gradually abolish slavery. West Virginia was proclaimed a state on April 20, 1863, with the bill becoming effective 60 days later on June 20, 1863. "West Virginia Day" became a legal holiday by Chapter 59, Acts of the Legislature, Regular Session, 1927.

## State Songs

"The West Virginia Hills," "This Is My West Virginia," and "West Virginia, My Home Sweet Home" were designated as the official state songs of West Virginia, each ranking equally with the others in official status, by House Concurrent Resolution No. 19, adopted by the Legislature on February 28, 1963. In 2014, the West Virginia Legislature adopted John Denver's "Take Me Home Country Roads" as the fourth official song.

### State Flower

The Rhododendron Maximum, or “Big Laurel,” was made the official state flower of West Virginia by House Joint Resolution No. 19, adopted by the Legislature on January 29, 1903, following a recommendation by the Governor and a vote by the pupils of public schools. The rhododendron is a shrub of the heath family and may be recognized by its large evergreen leaves and delicate pale pink or white bloom, mottled with either red or yellow flecks.

### State Tree

The sugar maple (*Acer Saccharum*) was made West Virginia’s official tree by House Concurrent Resolution No. 12, adopted by the Legislature on March 7, 1949, authorizing a vote by pupils of public schools and civic organizations. It produces an excellent wood for furniture use as well as maple syrup. A single tree can be 70 to 120 feet high, has a five-lobed leaf and a small wing-shaped pod, and produces two to three pounds of sugar when “sugared off.”

### State Bird

The cardinal (*Richmondena Cardinalis*) was made West Virginia’s official bird by House Concurrent Resolution No. 12, adopted by the Legislature on March 7, 1949, authorizing a vote by pupils of public schools and civic organizations. The male of the species is a rich scarlet with a mask and shading of black, while the young birds and females are a less brilliant color. The adult bird measures approximately eight inches long. It ranges from New York State to the Gulf of Mexico and as far west as Oklahoma.

### State Fish

The brook trout was designated the state fish by House Concurrent Resolution No. 6, adopted in 1973 following a poll of sportsmen who favored the brook trout. The brook trout is a native West Virginia species.

### State Animal

The black bear (*Euractos Americanus*) was selected as the official state animal of West Virginia by a poll of students, teachers, and sportsmen conducted by the Division of Natural Resources in 1954-55 and officially adopted by the Legislature in 1973 by House Concurrent Resolution No. 6. It is the only species of bear found in the state. While commonly referred to as the “black bear,” its coloring is actually deeply tinted with brown. Its habitat in West Virginia is primarily in the eastern mountain region. A litter usually consists of one or two cubs, rarely three, each weighing about eight ounces at birth. The adult reaches an average maximum weight of 250 pounds.

## State Profile

### Miscellaneous—State Symbols

#### State Gem

The state gem, so designated by House Concurrent Resolution No. 39, March 10, 1990, is technically not a gemstone, but rather the siliceified Mississippian fossil coral *Lithostrotionella*, preserved as the siliceous mineral chalcedony. It is found in the Hillsdale Limestone in portions of Greenbrier and Pocahontas counties and is often cut and polished for jewelry and for display.

#### State Fruit

The Golden Delicious apple was designated as the official state fruit by Senate Concurrent Resolution No. 7, adopted by the Legislature on February 20, 1995. This apple variety was discovered by Anderson Mullins in Clay County, West Virginia, in 1905. The plain apple had been previously designated as the official state fruit by House Concurrent Resolution No. 56, adopted March 7, 1972.

#### State Butterfly

The monarch butterfly was declared the official butterfly of West Virginia by Senate Concurrent Resolution No. 11, adopted by the Legislature on March 1, 1995.

#### State Soil

The state soil is Monongahela silt loam, adopted by concurrent resolution in 1997, making West Virginia the 12th state to have an official state soil.

#### State Insect

The honeybee became West Virginia's official state insect in 2002 by the Legislature's Senate Concurrent Resolution No. 9. In addition to its flavorful honey, the honeybee pollinates many of the state's most important crops including fruits, vegetables, and grasses. Its activity produces more benefit to the state's economy than any other insect. The honeybee has six legs, four wings, and its coloring ranges from dark yellow to gold with three dark bands on its abdomen.

### State Locomotive

The Cass Scenic Railroad's Shay No. 5 steam locomotive was designated the official state locomotive of West Virginia by Senate Concurrent Resolution No. 34, adopted by the Legislature on March 11, 2004. This Shay No. 5 is the oldest operating steam locomotive in West Virginia. Originally built in November 1905 for the Greenbrier and Elk River Railroad by the Lima Locomotive Works of Lima, Ohio, it has served the town of Cass since it was brought into service nearly 100 years ago. Just as the steam locomotive revolutionized timbering operations in the Allegheny forests in the last century by replacing work animals and flood-borne logging operations, it was replaced by newer and more efficient technologies.

### State Reptile

The timber rattlesnake was made West Virginia's official reptile by Senate Concurrent Resolution No. 28, adopted by the Legislature on March 8, 2008. The timber rattlesnake is present throughout the state, and its color and pattern is reminiscent of West Virginia's fauna and flora. It is important to preserve it as both predator and prey in the state's ecology.

### State Fossil

The fossil *Megalonyx Jeffersonii* was made West Virginia's official fossil by Senate Concurrent Resolution No. 28, adopted by the Legislature on March 8, 2008. In 1797, President Thomas Jefferson obtained and described fossil bones from a limestone cave in what is now Monroe County. These bones were described in 1799 as the bones of a giant extinct ground sloth by Casper Wistar, who named this new species after President Jefferson. The bones were from the Ice Age or Pleistocene Epoch that lasted from 10,000 to 1.8 million years ago.

**State Tartan**

On March 6, 2008, the Legislature adopted House Concurrent Resolution 29, designating an adaptation of “West Virginia Shawl” as the official tartan of the state. According to the resolution, a majority of West Virginia’s earliest settlers were descendants of Celtic people.

The pattern was designed by Dr. Phillip D. Smith and John A. Grant III. It was recorded by the Scottish Tartan Authority on May 27, 2008, reference number 7631.

The colors were chosen to represent the Mountain State as follows:

- |           |   |
|-----------|---|
| Scarlet   | for the state bird, the cardinal  |
| Yellow    | for the fall colors of the state tree, the sugar maple                      |
| Dark blue | for the mountain rivers and lakes   |
| Black     | for the official state animal, the black bear, and the state’s oil and coal |
| Green     | for the state flower, the rhododendron, and the state’s mountain meadows    |
| Azure     | for the sky above   |

**State Rock**

West Virginia is the second largest bituminous coal producing state in the United States, producing 157,456 short tons of bituminous coal in 2008. In 1742, the first discovery of coal by a European explorer in West Virginia was made by John Peter Salley in the area now near Racine. John Peter Salley named the nearby tributary of the Kanawha (where he observed the coal deposit) as the Coal River. Bituminous coal being found naturally deposited in the vast majority of the 55 counties, the coal industry has evolved into, and has been for many years, an integral part of the economic and social fabric of the state. House Concurrent Resolution 37 was drafted as a result of a petition started by a student from Gilbert High School in Mingo County and passed April 11, 2009.

**State Firearm**

The Hall Flintlock Model 1819 was designated the official firearm of the State of West Virginia by Senate Concurrent Resolution No. 7, adopted by the Legislature on April 4, 2013. Originally manufactured in Harpers Ferry by John H. Hall, it was the first breech-loading rifle to be adopted by any nation’s military, adopted into the United States Army in 1819. It was also the first entirely machine-made weapon ever manufactured with interchangeable parts. The Flintlock Model continued to be used during the U.S. Civil War, making it significant to West Virginia because the state was created out of that armed conflict.

# Famous West Virginians

**Randy Barnes** (1966- ), Perhaps the world's greatest shot-putter, holds both the outdoor and indoor world records and was a gold medalist in the 1996 Atlanta Olympics. He grew up in St. Albans, Kanawha County.

**Pearl Buck** (1892-1973), American novelist, born in Hillsboro, Pocahontas County. She was awarded the Nobel Prize in literature and the Pulitzer Prize for fiction. Many of her more than 85 books sympathetically portray China and its people.

**Robert Carlyle Byrd** (1917- 2010), was elected in 2006 to a ninth consecutive term in the U.S. Senate. He was the majority leader of the Senate from 1977 to 1981 and from 1987 to 1989. Byrd was from Sophia, Raleigh County.

**Bob Denver** (1935-2005), who played "Gilligan" on the TV series *Gilligan's Island* and "Maynard G. Krebs" on the TV series *The Many Loves of Dobie Gillis*, lived near Princeton, Mercer County. His wife Dreama is from West Virginia.

**Hal Greer** (1936-), played for the Philadelphia 76ers from 1963 to 1973 and was named the MVP in 1968. He is the 76ers' all-time leader in points with 21,586. He was born in Huntington and attended Douglass High School and Marshall University. Hal Greer Boulevard in Huntington is named for him.

**Homer H. Hickam, Jr.** (1943- ), is the author of *Rocket Boys: A Memoir*, the story of his life in the little town of Coalwood, McDowell County, that inspired the number one best-seller and award-winning movie *October Sky*.

**Katherine Johnson** (1918- ), was named a recipient of the Presidential Medal of Freedom in 2015. She was employed by NASA, where she computed flight trajectories. She was born in White Sulphur Springs. The movie *Hidden Figures* is based on her experiences at NASA.

**Don Jesse Knotts** (1924-2006), television and movie actor, born in Morgantown (Monongalia County) to a farm family he described as "dirt poor." He attended West Virginia University where he majored in speech, hoping to become a teacher. Knotts played the role of "Barney Fife" on the *Andy Griffith Show*.

**Captain Jon A. McBride** (1943- ), became an astronaut in August 1979 and piloted the Challenger when it was launched on October 5, 1984. He was a Republican candidate for Governor of West Virginia in 1996. McBride was born in Charleston, Kanawha County.

**John Forbes Nash Jr.** (1928-2015), described as a mathematical genius who essentially lost 30 years of his life to paranoid schizophrenia and who re-emerged into public glory (once the disease was in remission) to receive the 1994 Nobel Prize in Economics for a brilliant doctoral dissertation begun in 1950 (from *A Beautiful Mind*, a biography of Nash by Sylvia Nasar that inspired a movie of the same name). Nash was born and raised in Bluefield, Mercer County.

**Brad Paisley** (1972- ), Grammy award-winning country music star and 2008 Country Music Association Vocalist of the Year. He was born in Glen Dale, where his father retired as assistant fire chief.

**Mary Lou Retton** (1968- ), gymnast who won four medals in the 1984 Summer Olympics, including the gold in the all-around gymnastics competition. She is from Fairmont, Marion County.

**Booker T. Washington** (1856-1915), an educator, author, and orator who was appointed organizer and principal of what is now Tuskegee University in 1881. Washington made the institution into a major center for industrial and agricultural training and in the process became a well-known public speaker. He was born into slavery in Franklin Co., Va. Following emancipation, his family moved to Malden, West Virginia.

**Carter G. Woodson** (1875-1950), is widely regarded as the leading writer on black history of his time. His founding of the American Association for the Study of Negro Life and History in 1915 has been called the start of the black history movement. He worked as a coal miner in Fayette County in the early 1890s. After graduating from Berea College he returned to Huntington to become a teacher and principal at Douglass High School. He later became the second black man to earn a Ph. D. from Harvard University. He was dean at West Virginia State College (now WVSU) at Institute from 1920 to 1922.

# Interesting Facts

A variety of the yellow apple, the Golden Delicious, originated in Clay County. The original Grimes Golden Apple Tree was discovered near Wellsburg.

The first steamboat was launched by James Rumsey in the Potomac River at New Mecklenburg (Shepherdstown) on December 3, 1787.

On February 14, 1824, at Harpers Ferry, John S. Gallaher published the “Ladies Garland,” one of the first papers in the nation devoted mainly to the interests of women.

One of the first suspension bridges in the world was completed in Wheeling in October 1849.

Bailey Brown, the first Union soldier killed in the Civil War, died on May 22, 1861, at Fetterman, Taylor County.

A naval battle was fought in West Virginia waters during the Civil War. United States Navy armored steamers were actively engaged in the Battle of Buffington Island near Ravenswood on July 19, 1863.

The first brick street in the world was laid in Charleston, West Virginia, on October 23, 1870, on Summers Street, between Kanawha and Virginia Streets.

The first rural free mail delivery began in Charles Town, October 6, 1896, then spread across the United States.

Mother’s Day was first observed at Andrews Methodist Episcopal Church in Grafton on May 10, 1908.

Outdoor advertising had its origin in Wheeling circa 1908 when the Block Brothers Tobacco Company painted bridges and barns with the wording: “Treat Yourself to the Best, Chew Mail Pouch.”

West Virginia was the first state to have a sales tax. It became effective July 1, 1921.

Mrs. Minnie Buckingham Harper, a member of the West Virginia House of Delegates by appointment in 1928, was the first African American woman to become a member of a legislative body in the United States.

The “Punch” Jones Diamond, the third-largest diamond ever found in the United States, was found in 1928 near Peterstown, in Monroe County, within one-half mile of the Virginia state line. It has been suggested that the diamond actually occurred in rocks in Virginia and that erosion carried it to the West Virginia side of the state line. There are no other likely sites for diamonds in this state.

West Virginia’s Memorial Tunnel was the first in the nation to be monitored by television. It opened November 8, 1954.

West Virginia was the first state to use new technology to “measure” and store electronically the face and fingertip images of licensed drivers. Because this recorded information is unique to each individual, these images can prevent stolen identity should a driver’s license be lost or taken.

The longest steel arch bridge (1,700 feet) in the United States is the New River Gorge Bridge in Fayette County. Every third Saturday in October on Bridge Day, the road is closed and individuals parachute and rappel 876 feet off the bridge. Bridge Day is West Virginia’s largest single day event and attracts about 100,000 people each year.

Organ Cave, near Ronceverte, is the third largest cave in the United States and the largest in the state.

# APPENDICES

# Glossary

## A

**Accrual** - An accounting method that reports income when earned and expenses when incurred.

**Activity** - (See “Appropriation.”)

**Agency** - An organizational unit of state government, usually a department, bureau, commission, board, or a subdivision within a department or bureau.

**Annual Increment** - Funds appropriated for eligible employees and paid once annually at the rate of \$60 per full year of service with a minimum of three years of full-time equivalent service as of July 1.

**Appropriated Special Fund** - Consists of accounts that generate revenue from established rates or fees and must be expended for a specific purpose; amount authorized for expenditure is specifically contained in the budget bill.

**Appropriation** - A legal authorization to incur obligations and to make expenditures for specific purposes listed in the budget bill, such as Current Expenses, Equipment, and Capital Outlay.

## B

**Balanced Budget** - A budget in which the estimated revenues plus unappropriated fund balances are equal to or greater than the appropriations.

**Base Budget** - The amount required for ongoing expenditures for current programs—does not contain items of a onetime nature.

**Bond** - A long-term IOU or promise to pay. It is a promise to repay a specified amount of money (the face amount of the bond) on a particular date (the maturity date). Bonds (which can be general obligation or revenue bonds) are used to finance capital projects.

**Budget** - A plan of financial activity for a specified period (fiscal year or biennium) indicating all planned revenues and expenses for the budget period.

**Budget Act/Budget Bill** - The legislation that appropriates the expenditures required to operate state government for each fiscal year.

**Budgetary Basis** - The basis of accounting used to estimate financing sources and uses in the budget. West Virginia’s annual budget is prepared on a cash basis.

**Budgetary Control** - The control or management of a government in accordance with the approved budget for keeping expenditures within the limitations of available appropriations and resources.

**Buildings** - Expenditures for new construction and major alteration of existing structures, or the improvement of lands and can include shelter, support, storage, protection, or the improvement of a natural condition.

**Bureau** - An organizational unit of state government established by law and headed by a commissioner or other statutory officer of an agency within that bureau, such as the Bureau of Senior Services.

## C

**Cabinet** - An organizational unit of state government that can be headed by a department cabinet secretary or individual agencies grouped for organizational reporting purposes, such as Miscellaneous Boards and Commissions.

**Capital Improvements/Programs/Expenditures** - Related to the acquisition, expansion, or rehabilitation of an element of the government’s physical plant, sometimes referred to as infrastructure. New construction, renovation, or repairs of \$100,000 or more and major equipment purchases of like equipment of \$50,000 or more are considered to be capital improvement programs for budgetary purposes.

**Cash Basis** - A basis of accounting in which transactions are recognized only when cash is increased or decreased (revenue received and expenses paid).

**Civil Contingent Fund** - The civil contingent fund is appropriated by the Legislature to the Governor to be available for payment of expenses incurred when executing a law for which there is no specific

## Appendix A/Glossary

appropriation or any other expenses for which the Governor deems necessary or proper, such as unanticipated emergencies.

**Commission** - An organizational unit of state government established by law that is headed by a group of persons directed to perform a specific duty, such as the Higher Education Policy Commission or Public Service Commission.

**Current Expenses** - Expenditures for operating costs other than personal services or employee benefits. Equipment, repairs and alterations, buildings, other assets, or lands are not included.

**Current Level** - Normally refers to the total dollars (less onetime appropriations) in the current fiscal year which are available for the next fiscal year. For FY 2021, the “current level” is defined as 100% of the FY 2020 base budget for the General Revenue Fund and Regular Lottery fund appropriations.

## D

**Debt Service** - The cost of paying principal and interest on borrowed money according to a predetermined payment schedule.

**Department** - An organizational unit of state government established by law and headed by a cabinet secretary or department head, such as the Department of Administration, Department of Education, or Department of Revenue.

**Disbursement** - The expenditure of monies from an account.

**Division** - Each primary entity of government which receives an appropriation in the budget bill. Also may be referred to as an agency or organization.

## E

**Employee Benefits** - Expenditures for social security matching, workers’ compensation, unemployment compensation, pension and retirement contributions, public employees’ insurance matching, OPEB, personnel fees, or any other benefit normally paid by the employer as a direct cost of employment.

**Encumbrance** - The commitment of funds to purchase an item or service. To encumber funds means to set aside or commit funds for a specified future expenditure.

**Enterprise Funds** - These funds are used to account for operations of those state agencies providing goods or services to the general public on a user-charge basis, or where the State has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes. Examples include the West Virginia Lottery, Board of Risk and Insurance Management, Public Employees’ Insurance Agency, and the West Virginia Prepaid College Plan.

**Equipment** - Expenditures for equipment items which have an appreciable and calculable period of usefulness in excess of one year.

**Excess Lottery** - A Special Revenue fund that supports items set by statute such as the senior citizens tax credit, college scholarships for West Virginia students, capital projects and improvements for public and higher education and for state parks, bond backing for economic development endeavors, infrastructure projects (including water and sewer projects), additional transfers to General Revenue to support the ongoing operations of the General Revenue Fund (which includes an FY 2002 pay raise), and additional items as may be appropriated by the Legislature.

**Expenditure** - The payment of cash on the transfer of property or services for the purpose of acquiring an asset, service, or settling a loss.

**Expenses** - A category for the usual, ordinary, and incidental expenditures by an agency, including, but not limited to, such items as salaries, employee benefits, contractual services, commodities, and supplies of a consumable nature, current obligations, fixed charges, and capital outlay. Payments to other funds or local, state, or federal agencies may be included in this budget classification of expenditures.

## F

**Federal Fiscal Year** - October 1 through September 30.

## Appendix A/Glossary

**Federal Fund** - Consists of any financial assistance made directly to a state agency by the United States government.

**Fiscal Year** - A 12-month period designated as the operating year for accounting and budgeting purposes in an organization. West Virginia's fiscal year runs from July 1 to June 30.

**Full-time Equivalent Position (FTE)** - A part-time position converted to the decimal equivalent of a full-time position based on 2,080 hours per year. For example, a part-time typist working for 20 hours per week would be the equivalent to 0.50 of a full-time position.

**Fund** - A fiscal entity with revenues and expenses which are segregated for the purpose of carrying out a specific purpose or activity.

**Fund Balance** - The balance of cash and investments less reappropriated funds and reserves for cash flow.

## G

**GASB 34** - The Government Accounting Standards Board statement 34 (June 1999) that establishes financial reporting standards for governmental entities.

**GASB 43** - The Government Accounting Standards Board statement 43 (April 2004) titled "Financial Reporting for Postemployment Benefit Plans Other than Pension Plans."

**GASB 45** - The Government Accounting Standards Board statement 45 (June 2004) titled "Accounting and Financial Reporting by Employers for Postemployment Benefits Other than Pensions."

**General Fund** - Consists of tax revenues collected by the state which are not dedicated to a specific purpose and require legislative appropriations for expenditure.

**General Obligation (GO) Bond** - This type of bond is backed by the full faith, credit, and taxing power of the government.

**Goals** - Established by agency/division, goals are issue-oriented statements that declare what an agency/division intends to accomplish to fulfill its mission.

**Governmental Funds** - All funds except profit and loss funds (e.g., enterprise funds, internal services funds, and trust funds).

## I

**Improvement Package (Request)** - The process of requesting additional dollars for expenditure in the upcoming fiscal year above the current level.

**Income Tax Refund Reserve Fund** - A fund established by law that may only be used to ensure payment of personal income tax refunds, interest, and penalties to taxpayers in a timely manner or to be used by the Legislature as it determines necessary, such as for unanticipated emergencies.

**Infrastructure** - The physical assets of a government (e.g., streets, water, sewer, public buildings, and parks).

**Internal Service Funds** - These funds account for the operations of those state agencies that provide goods and services to other state agencies and governmental units on a cost-reimbursed basis. Examples include the State Building Commission, Information Services and Communications, and the Travel Management Office.

## L

**Lands** - Expenditures for the purchase of real property or interest in real property.

**Long-term Debt** - Debt with a maturity of more than one year after the date of issuance.

**Lottery** - A Special Revenue fund that supports programs for senior citizens, education, and tourism and parks, as appropriated by the Legislature.

## M

**Mission** - Developed in accordance with strategic planning principles, the mission gives the reason for the agency/division's existence. The mission is a succinct account of what the agency/division is trying to achieve.

## Appendix A/Glossary

### N

**Nonappropriated Special Fund** - Consists of accounts that generate revenue from established rates or fees and must be expended for a specific purpose; amounts expended are authorized by general law.

### O

**Object of Expenditure** - An expenditure classification, referring to the lowest and most detailed level of classification, such as vehicle rental, association dues, and office equipment. **Objectives** - Detailed, quantifiable, time-specific statements of activities that are related to achieving the goals. They are targets for specific agency or program actions.

**Operations** - As used in the agency/division narratives in the *Volume II Operating Detail*, the “Operations” section details the activities of a division and may include subdivisions/units within a division.

**Other Postemployment Benefits** - Postemployment benefits that an employee receives during retirement, usually benefits other than pensions.

### P

**Performance Measures** - Tool used by all levels of management, as well as the public, to determine whether a program is accomplishing its mission efficiently and effectively.

**Personal Services** - Expenditures for salaries, wages, and other compensation paid to full-time, part-time, and temporary employees of the spending unit.

**Program** - A group of related activities performed by one or more organizational units for the purpose of accomplishing a function for which the government is responsible. A unit can be a division, a section, or a workgroup. Each program has an identifiable service or output and objectives to effectively provide the service.

**Proprietary Funds** - These funds account for the operations of state agencies that provide goods and/or services to

the general public or state agencies and governmental units. (See “Enterprise Funds” and “Internal Service Funds.”)

### R

**Rainy Day Fund** - (See “Revenue Shortfall Reserve Fund.”)

**Reappropriated Funds** - Those funds which are remaining at the end of the fiscal year which, through specific language in the budget bill, are authorized to be made available for expenditure in the next fiscal year.

**Reimbursements** - Repayments from one agency to another to properly allocate expenditures to the correct agency and adjust account ledger balances/disbursements.

**Repairs and Alterations** - Expenditures for routine maintenance and repairs to structures and minor improvements to property which do not increase the capital assets.

**Revenue** - Sources of income financing the operation of government.

**Revenue Bonds** - Bonds issued by various state departments, agencies, and authorities that are part of the primary government pursuant to specific statutory provisions enacted by the Legislature. The principal and interest payments are made from specifically dedicated fees and other revenues, but such bonds do not constitute general debt of the State.

**Revenue Shortfall Reserve Fund** - (Also known as the Rainy Day Fund.) A fund to be used by the Legislature to offset a shortfall in revenues and to allow the Governor to borrow funds when revenues are inadequate to make timely payments of the State’s obligations. The Legislature may also appropriate funds for emergencies such as natural disasters. Additional details are located in the Financial Statements chapter in *Volume I Budget Report*.

**Revenue Shortfall Reserve Fund—Part B** - A fund to be used by the Legislature to offset a shortfall in revenues or fiscal emergencies of an extraordinary nature. No moneys in the fund may be expended for any purpose unless all moneys in the Revenue

## Appendix A/Glossary

Shortfall Reserve Fund have first been expended. Additional details are located in the Financial Statements chapter in *Volume I Budget Report*.

### S

**Special Obligation Notes** - Bonds issued by entities of the primary government pursuant to specific statutory authorizations and are payable from specifically dedicated fees, other revenues, and legislative appropriations of general and special revenues.

**Special Revenue Funds** - Consists of revenues from fees, permits, licenses, services, or other purposes and may be used only for that specific purpose for which the individual account is intended unless otherwise directed by the Legislature.

**Spending Authority** - The dollar limit the Legislature authorizes an agency to spend from funds the agency collects.

**Spending Unit** - The department, bureau, division, office, board, commission, agency, or institution to which an appropriation is made.

**State Road Fund** - Consists of revenues from gasoline and other motor fuel excise and license taxes; motor vehicle registration and license tax; all other revenue derived from motor vehicles or motor fuel; and all federal funds received for road construction, reconstruction, and maintenance. Used solely for construction, reconstruction, repair, and maintenance of public highways, the payment of the interest and principal on all road bonds, and the administrative expenses of the Division of Highways, Division of Motor Vehicles, and Office of Administrative Hearings.

**Supplemental Appropriation** - An appropriation made by the governing body that is contingent upon excess funds being available after all regular appropriations have been funded.

**Surplus Appropriation** - An additional appropriation made by the governing body from excess funds generally from the prior year after the budget year has started.

### T

**Trust Funds** - A fund comprised of a variety of assets intended to provide benefits to an individual or organization at a certain age or when a specified event occurs.

### U

**Unclassified** - An appropriation that may be spent at the discretion of the department secretary/bureau commissioner. An unclassified appropriation may have no limitations, or it may be limited to current expenses, repairs and alterations, equipment, buildings, land, and other assets.

**Unencumbered Balance** - The amount of an appropriation that is neither expended nor encumbered. It is essentially the amount of money still available for future purposes.

**User Charges or User Fees** - A payment for direct receipt of a public service by the party who benefits from the service.
